Extra batteries? He's always ready to help. And he's waited years for his hot, grumpy, silver fox neighbor, Paul, to need him. For anything. But this December, Gideon would be happy if he could just get the Scrooge-like Paul on board with the neighborhood holiday lights fundraiser. Paul Frost has no intention of decking his halls or blazing any Yule logs. Even if his spunky bowtie-clad neighbor does look perfect for unwrapping, Paul would prefer to hide away until December is done. But when his beloved younger brother announces an unexpected visit, Paul needs all the trimmings for a festive homecoming-and fast. Luckily, Gideon is there with a color-coded plan to save Christmas. Soon Paul's hanging lights, trimming trees, and rolling out cookies. And steaming up his new flannel sheets with Gideon. How did that happen? It'll take some winter magic to preserve their happiness and keep these rival neighbors together longer than one holiday season. The Geek Who Saved Christmas is a low-angst m/m holiday romance with a guaranteed happy ending. This grumpy/sunshine, neighbors-to-lovers, found family tale features two heroes in their forties figuring out that maybe their sexily-ever-after was right next door the whole time. It stands alone and is not connected to any of the author's other universes. However, it does contain a heaping helping of the same emotions and steamy moments readers have come to expect!

Etta Lemon. A heroine for our times, Etta Lemon campaigned for fifty years against the worldwide slaughter of birds for extravagantly feathered hats. Her legacy is the RSPB, grown from an all-female pressure group of 1889 with the splendidly simple pledge: Wear No Feathers. Etta's long battle against 'murderous millinery' triumphed with the Plumage Act of 1921 - but her legacy has been eclipsed by the more glamorous campaign for the vote, led by the elegantly plumed Emmeline Pankhurst. This gripping narrative explores two formidable heroines and their rival, overlapping campaigns. Moving from the feather workers' slums to high society, from the first female political rally to the rise of the eco-feminist, it restores Etta Lemon to her rightful place in history - the extraordinary woman who saved the birds. *ETTA LEMON* was originally published in hardback in 2018 under the title of *MRS PANKHURST'S PURPLE FEATHER*. 'A great story of pioneering conservation.' KATE HUMBLE 'Quite brilliant. Meticulous and perceptive. A triumph of a book.' CHARLIE ELDER 'Shocking and entertaining. The surprising story of the campaigning women who changed Britain.'" VIRGINIA NICHOLSON 'A fascinating and moving story, vividly told.' JOHN CAREY 'A fascinating clash of two causes: rights for women and rights for birds to fly free not adorn suffragettes' hats. An illuminating story, provocative, well-researched and brilliantly told.' DIANA SOUHAMI
