West - Edith Pattou 2018-10

When a sudden storm destroys Charles' ship and he is presumed dead, Rose believes something sinister is at work and she sets off on a perilous journey, with the fate of the entire world at stake.

Mansfield Park - Jane Austen 2021-01-20

Taken from the poverty of her parents' home in Portsmouth, Fanny Price is brought up with her rich cousins at Mansfield Park, acutely aware of her humble rank and with her cousin Edmund as her sole ally. During her uncle's absence in Antigua, the Crawfords arrive in the neighbourhood bringing with them the glamour of London life and a reckless taste for flirtation. Mansfield Park is considered Jane Austen's first mature work and, with its quiet heroine and subtle examination of social position and moral integrity, one of her most profound.

The Matchmakers of Minnow Bay - Kelly Harms 2017-08-01

"The perfect feel-good read. Don't miss this delightful novel!" -Susan Wiggs, New York Times bestselling author of *Starlight on Willow Lake*
Lily Stewart has reached a crossroads in her life. Her painting career hasn't taken off, her best friend has changed beyond recognition, her relationship is a constant disappointment, and now she can't keep up with the rising cost of living in the city. With no one to turn to, Lily is forced to move from her beloved apartment, but while packing she comes across a piece of mail that had slipped to the back of her junk drawer: a letter detailing further action needed to finalize the annulment of a quickie Vegas wedding. From ten years ago! Lily decides it's time to gather up the pieces of her life, and the first item on her list of things to fix is that annulment... but you can't just send a text ten years later reading, "Hey BTW we are still married." This is something that must be addressed in person, so Lily decides to track down her husband - the charming, enigmatic

man she connected with all those years ago. Ben Hutchinson left a high-profile dot-com lifestyle behind to return home to his family and the small lake town he loves, Minnow Bay. He's been living off the grid with the express purpose of making it hard to be found—so the last thing he expects is a wife he didn't know he had making her presence known. By chance, Lily finds her way to the magical Minnow Bay Inn. There she will discover not just a place to lay her head, but new friends, new inspiration, and maybe even a new chance to fall in love. Kelly Harms lights up the page in *The Matchmakers of Minnow Bay*, a story of the surprising beauty of past mistakes and the unexpected pleasures of correcting them.

The Seven Day Switch - Kelly Harms 2021-07

Two moms as opposite as a Happy Meal and a quinoa bowl. What a difference a week makes in a heartfelt, laugh-out-loud novel by the Washington Post bestselling author of *The Overdue Life of Amy Byler*. Celeste Mason is the Pinterest stay-at-home supermom of other mothers' nightmares. Despite her all-organic, SunButter-loving, free-range kids, her immaculate home, and her volunteering awards, she still has time to relax with a nice glass of pinot at the end of the day. The only thing that ruins it all is her workaholic, career-obsessed neighbor, who makes no secret of what she thinks of Celeste's life choices every chance she gets. Wendy Charles is a celebrated productivity consultant, columnist, and speaker. On a minute-by-minute schedule, she makes the working-mom hustle look easy. She even spends at least one waking hour a day with her kids. She's not apologizing for a thing. Especially to Celeste, who plays her superior parenting against Wendy whenever she can. Who do Celeste and Wendy think they are? They're about to find out thanks to one freaky week. After a neighborhood potluck and too much sangria, they wake up--um, what?--in each other's bodies. Everything

Downloaded from
legacy.opendemocracy.net on 2019-05-08
by guest

Celeste and Wendy thought they knew about the "other kind of mom" is flipped upside down-- along with their messy, complicated, maybe not so different lives.

Downeast Ledge - Norman Gilliland 2013

When Amber Waits takes a job as a caregiver for Walter Sterling, a summer resident suffering from dementia, she finds herself thrown into his family's troubled lives and fending off one catastrophe after another.

Flowers and Foul Play - Amanda Flower
2018-05-08

The first in a "quirky" cozy mystery series "full of magical fun," featuring an enchanted garden in Scotland—"a delight from start to finish" (Juliet Blackwell, New York Times—bestselling author). Reeling from the loss of her fiancé and flower shop, Fiona Knox is surprised to find her new-found inheritance comes with magic, mystery, and murder. Florist Fiona Knox's life isn't smelling so sweet these days. Her fiancé left her for their cake decorator. Then, her flower shop wilted after a chain florist opened next door. So when her godfather, Ian MacCallister, leaves her a cottage in Scotland, Fiona jumps on the next plane to Edinburgh. Ian, after all, is the one who taught her to love flowers. But when Ian's elderly caretaker Hamish MacGregor shows her to the cottage upon her arrival, she finds the once resplendent grounds of Duncreigan in a dreadful shambles—with a dead body in the garden. Minutes into her arrival, Fiona is already being questioned by the handsome Chief Inspector Neil Craig and getting her passport seized. But it's Craig's fixation on Uncle Ian's loyal caretaker, Hamish, as a prime suspect, that really makes her worried. As Fiona strolls the town, she quickly realizes there are a whole bouquet of suspects much more likely to have killed Alastair Croft, the dead lawyer who seems to have had more enemies than friends. Now it's up to Fiona to clear Hamish's name before it's too late in *Flowers and Foul Play*, USA Today bestselling author Amanda Flower's spellbinding first Magic Garden mystery.

The Wyndham Girls - Marion Ames Taggart
2018-10-13

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in

the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Summerland - Elin Hilderbrand 2012-07-05
'A great beach read' - Every Little Thing She Does Book Blog
On the night of high school graduation, the island is alive with parties and celebrations. But for four teenagers life is about to change forever, when Penny crashes her car, killing herself and leaving her twin brother Hobson in a deep coma. Penny's boyfriend Jake and her best friend Demeter escape physical injury. But the real scars lie much deeper than that. And while Jake's family try to take him away from the memories by moving to the west coast of Australia, Demeter finds herself in an unstoppable spiral of self-destruction. Furthermore, as the details of the accident continue to emerge, questions are raised by all those affected. Do the roots of the accident lie further in the past than they seem? Is true healing possible, in even these most devastating circumstances? And can true friendship ever really die? 'A sensitive glimpse into the lives of damaged people groping their way toward healing' - Kirkus ***** Further praise for Elin Hilderbrand 'A gritty and moving read that oozes plenty of drama' - Heat 'A gem of a summer read with a glamorous location, elite lifestyle, and Hilderbrand's appealing take on the constant stress that fills the lives of women everywhere' - Booklist 'This book was a great read - you really care what happens to the characters. Perfect holiday reading. I didn't want to put it down' - Candis 'Touching and uplifting' - U Magazine

The Nowhere Emporium - Ross MacKenzie
2015-03-05

When the mysterious Nowhere Emporium arrives in Glasgow, orphan Daniel Holmes stumbles upon it quite by accident. Before long, the 'shop from nowhere' -- and its owner, Mr Silver -- draw Daniel into a breathtaking world of magic and enchantment. Recruited as Mr Silver's apprentice, Daniel learns the secrets of the Emporium's vast labyrinth of passageways and rooms -- rooms that contain wonders beyond anything Daniel has ever imagined. But when Mr Silver disappears, and a shadow from the past threatens everything, the Emporium and all its wonders begin to crumble. Can Daniel save his home, and his new friends, before the Nowhere Emporium is destroyed forever? Scottish Children's Book Award winner Ross MacKenzie unleashes a riot of imagination, colour and fantasy in this astonishing adventure, perfect for fans of Philip Pullman, Corneila Funke and Neil Gaiman.

Empire Falls - Richard Russo 2017-01-05

WINNER OF THE PULITZER PRIZE FOR FICTION Miles Roby has been slinging burgers at the Empire Grill for 20 years, a job that cost him his college education and much of his self-respect. What keeps him there? It could be his bright, sensitive daughter Tick, who needs all his help surviving the local high school. Or maybe it's Janine, Miles' soon-to-be ex-wife, who's taken up with a noxiously vain health-club proprietor. Or perhaps it's the imperious Francine Whiting, who owns everything in town - and seems to believe that 'everything' includes Miles himself. In Empire Falls Richard Russo delves deep into the blue-collar heart of America in a work that overflows with hilarity, heartache, and grace.

The Good Luck Girls of Shipwreck Lane - Kelly Harms 2014-07-01

This year's lucky winner of a brand-new dream home: Janine Brown of Cedar Falls, Iowa. For heartbroken Janine "Janey" Brown, this announcement has the hallmarks of one of her Aunt Midge's harebrained plans to lure her from her tiny kitchen, where she's been submerging her grief in the pursuit of the perfect pot-au-feu. Meanwhile, across town, Janine "Nean" Brown couldn't be more thrilled. She just knows that this house is her destiny, the chance to escape the latest in her revolving door of crappy jobs and drunken boyfriends. When both Janine Browns descend on Christmas Cove, Maine, to

claim the prize they both think is theirs, however, they discover that more than just a dream home awaits them at the water's edge. Filled with wit and charm, The Good Luck Girls of Shipwreck Lane is Kelly Harms's enchanting and heartfelt debut—a testament to the many ways love finds us, the power of a home-cooked meal, and just what it means to be lucky.

The Good Luck Girls of Shipwreck Lane - Kelly Harms 2013

Winning a million-dollar dream home in a television sweepstakes, Janey leaves her aunt's house and embarks on a trip to her new hometown only to meet a fellow prize contender, a down-on-her-luck neighbor who shares her name.

Hope Was Here - Joan Bauer 2005-06-02

Readers fell in love with teenage waitress Hope Yancey when Joan Bauer's Newbery Honor-winning novel was published ten years ago. Now, with a terrific new jacket and note from the author, Hope's story will inspire a new group of teen readers.

The Bright Side of Going Dark - Kelly Harms 2020

"As one of the most popular influencers on social media, Mia Bell has lived her life online for years. With her celebrity dog and gorgeous fiancé, she is planning the ultimate virtual wedding--expensive, elaborate, and entirely paid for by sponsors. But off-camera, her world is far from picture-perfect. After being jilted by her fiancé and faking her nuptials to please her sponsors, Mia finally has had enough. She heaves her phone off a cliff, ready to live--and maybe find love-- offline for a change"--Dust jacket flap.

A Dictionary of English Folklore - Jacqueline Simpson 2003-10-09

This dictionary is part of the Oxford Reference Collection: using sustainable print-on-demand technology to make the acclaimed backlist of the Oxford Reference programme perennially available in hardback format. An engrossing guide to English folklore and traditions, with over 1,250 entries. Folklore is connected to virtually every aspect of life, part of the country, age group, and occupation. From the bizarre to the seemingly mundane, it is as much a feature of the modern technological age as of the ancient world. BL Oral and Performance genres-

Cheese rolling, Morris dancing, Well-dressing

The Overdue Life of Amy Byler - Kelly Harms
 2020-02

"Overworked and underappreciated, single mom Amy Byler needs a break. So when the guilt-ridden husband who abandoned her shows up and offers to take care of their kids for the summer, she accepts his offer and escapes rural Pennsylvania for New York City. Usually grounded and mild mannered, Amy finally lets her hair down in the city that never sleeps. She discovers a life filled with culture, sophistication, and - with a little encouragement from her friends - a few blind dates. When one man in particular makes quick work of Amy's heart, she risks losing herself completely in the unexpected escape, and as the summer comes to an end, Amy realizes too late that she must make an impossible decision: stay in this exciting new chapter of her life, or return to the life she left behind. But before she can choose, a crisis forces the two worlds together, and Amy must stare down a future where she could lose both sides of herself, and every dream she's ever nurtured, in the beat of a heart"--Provided by publisher.

The Curiosities - Susan Gloss 2019-02-05

The follow-up to Susan Gloss's successful debut, Vintage, is a charming mid-western story of artists, inspiration, and how to reinvent your life with purpose and flair. Nell Parker has a PhD in Art History, a loving husband named Josh, and a Craftsman bungalow in Madison, WI. But her last pregnancy ended later in the second trimester, and rather than pausing to grieve, she pushes harder for testing and fertility treatments. Urging Nell to apply for jobs, Josh believes his wife needs something else to focus on other than a baby that may never be. Finding a job turns out to be difficult for an art historian . . . until Nell sees the ad seeking a director for a new nonprofit called the Mansion Hill Artists' Colony. The colony is the brainchild of the late, unconventional society dame Betsy Barrett, who

left behind her vast fortune and a killer collection of modern art to establish an artist-in-residency program to be run out of her lakeside mansion. The executor of Betsy's estate simply hands Nell a set of house keys and wishes her luck, leaving her to manage the mansion and the eccentric personalities of the artists who live there on her own. Soon one of the artists, a young metal sculptor named Odin, is keeping the other residents awake with his late-night welding projects. Nell is pretty sure that Annie, a dreadlocked granny known for her avant garde performance pieces, is dealing drugs out of the basement "studio." Meanwhile Paige, an art student from the university, takes up residence in the third-floor turret, experimenting with new printing and design techniques, as well as leading a string of bad boyfriends upstairs when she stumbles home late at night. Despite all the drama, Nell finds something akin to a family among the members of the creative community that she's brought together. And when her attraction to Odin begins to heat up, Nell is forced to decide what will bring her greater joy—the creative, inspired world she's created, or the familiar but increasingly fragile one of her marriage.

Hiroshima - John Hersey 2019-06-05

Pulitzer Prize-winning journalist and bestselling author John Hersey's seminal work of narrative nonfiction which has defined the way we think about nuclear warfare. "One of the great classics of the war" (The New Republic) that tells what happened in Hiroshima during World War II through the memories of the survivors of the first atomic bomb ever dropped on a city. "The perspective [Hiroshima] offers from the bomb's actual victims is the mandatory counterpart to any Oppenheimer viewing." —GQ Magazine "Nothing can be said about this book that can equal what the book has to say. It speaks for itself, and in an unforgettable way, for humanity." —The New York Times Hiroshima is the story of six human beings who lived through the greatest single manmade disaster in history. John Hersey tells what these six -- a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest -- were doing at 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city.

Then he follows the course of their lives hour by hour, day by day. The New Yorker of August 31, 1946, devoted all its space to this story. The immediate repercussions were vast: newspapers here and abroad reprinted it; during evening half-hours it was read over the network of the American Broadcasting Company; leading editorials were devoted to it in uncounted newspapers. Almost four decades after the original publication of this celebrated book John Hersey went back to Hiroshima in search of the people whose stories he had told. His account of what he discovered about them -- the variety of ways in which they responded to the past and went on with their lives -- is now the eloquent

and moving final chapter of Hiroshima.

One Summer - Ruby Mildred Ayres 1930

Ulysses - James Joyce 1922-10-19

Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.
