**Talking Dead** - Neil Rollinson 2015-10-01

Shortlisted for the 2015 Costa Poetry Prize Like Neil Rollinson's earlier books, *Talking Dead* is a refreshment of the senses: lifting the lid on the human condition in a heartfelt celebration of the act of being, whether in moments of love or mortality, sex or feasting. In the central sequence of the book - a meditation on the space between life and death - the dead speak of their final earthly moments with a liberating sense of fascination, and a luminous awe. Elsewhere we enjoy al fresco sex, astronomy via many pints in the Cat and Fiddle, and the deliverance of an Indian monsoon after weeks of thirst and drought. In 'Christmas in Andalucia' two lovers Skype each other achingly across hundreds of miles - 'I am full of loss and longing,' the poet says, 'the heart is hewn from elm and oak and mistletoe.' As provocative, sensual and subversive as ever, these poems seek and find the numinous in the everyday: some element of ritual or wonder that transforms experience. Although the spectre of darkness is never far away, it is the spirit of pleasure that endures, and we discover to our delight, as D. H. Lawrence did, that the Dionysian finally prevails over the Apollonian.

**Pessimism for Beginners** - Sophie Hannah 2011-08-01

Sophie Hannah's sharp pen dissects modern life and relationships with insouciant honesty and ruthless wit, and her love poems evoke timeless feelings with a shrewd simplicity that deepens her range. An edge of desolation, tenderness - an occasional flash of cruelty - and an ebullient delight in language make this a book of bittersweet pleasures. *Pessimism for Beginners* includes an extract from the opening chapter of Sophie Hannah's second psychological thriller, *Hurting Distance*, published by Hodder & Stoughton, described by the Times as 'a superbly creepy, twisty thriller about obsessive love, psychological torture and the darkest chambers of the human heart'. In poetry and prose, Sophie Hannah is compellingly readable.

**A Game for All the Family** - Sophie Hannah 2017-04-04

Pulled into a deadly game of deception, secrets, and lies, a woman must find the truth in order to defeat a mysterious opponent, protect her daughter, and save her own life in this dazzling standalone psychological thriller with an unforgettable ending from the New York Times bestselling author of *Woman with a Secret* and *The Monogram Murders*. You thought you knew who you were. A stranger knows better. You've left the city—and the career that nearly destroyed you—for a fresh start on the coast. But trouble begins when your daughter withdraws, after her new best friend, George, is unfairly expelled from school. You beg the principal to reconsider, only to be told that George hasn't been expelled. Because there is, and was, no George. Who is lying? Who is real? Who is in danger? Who is in control? As you search for answers, the anonymous calls begin—a stranger, who insists that you and she share a traumatic past and a guilty secret. And then the caller threatens your life. . . . This is Justine's story. This is Justine's family. This is Justine's game. But it could be yours.

**The Telling Error** - Sophie Hannah 2014-04-24

Perfect for fans of Agatha Christie's mysteries, as well as Clare Mackintosh and Paula Hawkins, the ninth psychological thriller from Sophie Hannah is a literary mystery and a puzzle that's impossible to solve . . . 'Fiendishly clever' Sunday Express 'Exceptional' Elle Knowing the secret will kill you. All she wanted to do was take her son's forgotten sports kit to school. So why does Nicki Clements drive past the home of controversial newspaper columnist Damon Blundy eight times in one day? Blundy has been murdered, and the words 'HE IS NO LESS DEAD' daubed on his wall - in red paint, not blood. And, though Blundy was killed with a knife, he was not stabbed. Why? Nicki, called in for questioning, doesn't have any of the answers police are looking for. Nor can she tell them the truth, because although she is not guilty of murder, she is far from innocent. And the words on the wall are disturbingly familiar to her, if only she could remember where she has heard them before . . .

**Marrying the Ugly Millionaire** - Sophie Hannah 2015-05-01

Sophie Hannah is one of Britain's best-loved poets, a disarmingly witty, sharp-eyed chronicler of everyday life and its peculiarities. Her writing ranges across poetry, short fiction, children's literature, works of translation, and edited anthologies, including the 2014 *The Poetry of Sex*. She is also an internationally bestselling author of psychological crime fiction, and has written the first new Hercule Poirot novel to be authorised by the Agatha Christie estate. This book brings together for the first time all of Hannah's previous collection of verse, drawing on over 20 years of writing; accompanied by 27 new and uncollected

poems, it will appeal to both the familiar reader and those discovering her work for the first time.

*Dressing for the Afterlife* - Maria Taylor 2020Poems to Fix a F\*\*ked Up World - Various Poets 2019-08-22

Sometimes it's hard to keep looking up at the stars when the gutter we're in seems so full of sh\*t. But isn't that why we need poetry? Oscar Wilde wrote some of his best poetry when he was in prison for 'the love that dare not speak its name'. Nelson Mandela held fast to his 'unconquerable soul' on Robben Island with the help of the words a poet wrote about his battle with tuberculosis a century before. So maybe it's not inconceivable that the words in this little book could help you put some of the sh\*t in perspective, get all the important bits of your life - like sleep, work, food, travel, love and learning - in some kind of balance, so you can go back to star-gazing again . . . Taking as its starting point the classic 'wheel of balance' life-coach model, this beautifully packaged collection of extracts and short poems gathers wisdom old and new in a perfect gift for anyone who needs comfort in this f\*\*ked up world of ours. 'This is not a poetry book as you know it, this is a life raft.' Emerald Street on Poems for a World Gone to Sh\*t.

**Hurting Distance** - Sophie Hannah 2008-10-01

A psychological thriller from the New York Times bestselling author: "No one writes twisted, suspenseful novels quite like Sophie Hannah" (Liane Moriarty). Naomi Jenkins, a successful professional woman prone to panic attacks, has a terrible secret she's been keeping for three years. Also secret is Naomi's current relationship with Robert Haworth, who is married, albeit unhappily. When Robert doesn't show up for one of their trysts, Naomi fears for him—but the police don't take it seriously, since Robert's wife claims he isn't missing. Naomi is desperate, and comes up with a plan: If she convinces the police that Robert is a danger to others, they will have to track him down. Using details from her own troubled past, she spins a story for them—but twists and turns lie ahead that she never expected. "Naomi's concern for her married lover's well-being grows when his wife insists he is fine, just away. Naomi uses the story of a rape from her past to get the police to sit up and take notice. What makes this novel work so well is that more than one character has a bit of a screw loose—even the detectives on the case are grappling with some crippling personal issues—and it takes the full ride of the novel to find out who is playing whom." —Time Out

A Game for All the Family - Sophie Hannah 2015-08-13

'One of the great unmissables of this genre - intelligent, classy and with a wonderfully Gothic imagination' - The Times He's not your son. It's not up to you to save him. But you have to try. After escaping London and a career that nearly destroyed her, Justine plans to spend her days doing as little as possible in her beautiful home in Devon. But soon after the move, her daughter Ellen starts to withdraw when her new best friend, George, is unfairly expelled from school. Justine begs the head teacher to reconsider, only to be told that nobody's been expelled - there is, and was, no George. Then the anonymous calls start: a stranger, making threats that suggest she and Justine share a traumatic past and a guilty secret - yet Justine doesn't recognise her voice. When the caller starts to talk about three graves - two big and one small, to fit a child - Justine fears for her family's safety. If the police can't help, she'll have to eliminate the danger herself, but first she must work out who she's supposed to be...

Erotic Poems - e. e. cummings 2010-01-26

E. E. Cummings's erotic poems and drawings gathered in a single volume. Many years ago the prodigious and famously prolific E. E. Cummings sat in his study writing and thinking about sex. His private brooding gave way to poems and drawings of sexual and romantic love that delight and provoke. Here, collected for this first time in a single volume, are those erotic poems and sketches, culled from Cummings's original manuscripts by the distinguished editor George James Firmage. from "16" may i feel said he (i'll squeal said she just once said he) it's fun said she (may i touch said he how much said she a lot said he) why not said she

*Happiness, a Mystery* - Sophie Hannah 2020-09-24

'A pleasure ... funny and immensely readable' Guardian Happiness is one of life's greatest mysteries. But what even is happiness? Why does it mean so many different things to different people? And how can we actually be happier? Drawing on decades of experience in crime writing, self-help and intensely curious observation of other people, Sophie Hannah sets out to solve the mystery. She lines up her cast of suspects

and expert witnesses from ancient philosophers to modern self-help gurus, scientists to ordinary people from all walks of life. Leaving no stone unturned, she scrutinises the clues, evidence, and even the red herrings that unexpectedly lead to happiness. And she uncovers answers - from the secrets of a fulfilling relationship to the joys of boredom, or of the bliss of a cancelled meeting. Weaving in much-loved poems and hilarious observations from Sophie's own life, this is the ultimate guide to happiness - and the clues that can lead us there.

**Leaving and Leaving You** - Sophie Hannah 1999

Combining traditional forms and those associated with modernism, this collection focuses on love, loss, and the different ways in which people - for better or worse - can be significant to each other.

**Romanticism and Illustration** - Ian Haywood 2019-05-16

Explores a vital aspect of British Romanticism, the role of illustration in Romantic-era literary texts and visual culture.

*The Poetry of Sex* - Sophie Hannah 2014-01-30

The Poetry of Sex - a raucous, highly enjoyable anthology by acclaimed poet Sophie Hannah 'We've been at it all summer, from the Canadian border to the edge of Mexico . . .' It's hard to imagine a more fruitful subject for poets than sex, in all its glorious manifestations: from desire and hope, through disappointment and confusion, to conclusion and consequence. And little has changed over the centuries, as Sophie Hannah's anthology vividly demonstrates, from Catullus pleading with Lesbos to Walt Whitman singing the body electric. Moods and attitudes may vary but the drive persists as does the desire to write about it. Sophie Hannah's selection ranges from ancient Rome to modern New York, from gay to straight, but her principle has been to go low on the sugar and high on the excitement. It is essential reading for poetry lovers and romantics everywhere. Sophie Hannah has published five collections of poetry. Her fifth Pessimism for Beginners was shortlisted for the T.S. Eliot Award in 2007. Her Selected Poems is published by Penguin (revised edition, 2013). She is also the writer of bestselling psychological crime fiction, most recently The Carrier. Her novels have been translated into 24 languages. Born in Manchester, she now lives in Cambridge with her husband and children, and is a Fellow Commoner of Lucy Cavendish College.

**Soho** - Richard Scott 2018-04-03

'But tonight I am super-charged, alive, looking into the eyes of / men . . .' In this intimate and vital debut, Richard Scott looks into the places not everyone sees or chooses to see. Against the backdrop of London's Soho, he creates an uncompromising portrait of love and shame, questioning our sense of the permissible and the perverse. Scott takes us back to our roots: childhood incidents, the violence our scars betray, forgotten forebears and histories. The hungers of sexual encounters are underscored by the risks that threaten when we give ourselves to or accept another. But the poems celebrate joy and tenderness, too, as in a sequence re-imagining the love poetry of Verlaine. The collection crescendos to the title-poem, 'Soho!', where a night stroll under the street lamps becomes a search for 'true lineage', a reclamation of stolen ancestors, hope for healing, and, above all, the finding of our truest selves.

**Bluets** - Maggie Nelson 2017-06-01

A Guardian Book of the Year Maggie Nelson is one of the most electrifying writers at work in America today, among the sharpest and most supple thinkers of her generation - Olivia Laing Bluets winds its way through depression, divinity, alcohol, and desire, visiting along the way with famous blue figures, including Joni Mitchell, Billie Holiday, Yves Klein, Leonard Cohen and Andy Warhol. While its narrator sets out to construct a sort of 'pillow book' about her lifelong obsession with the colour blue, she ends up facing down both the painful end of an affair and the grievous injury of a dear friend. The combination produces a raw, cerebral work devoted to the inextricability of pleasure and pain, and to the question of what role, if any,

aesthetic beauty can play in times of great heartache or grief. Much like Roland Barthes's A Lover's Discourse, Bluets has passed between lovers in the ecstasy of new love, and been pressed into the hands of the heartbroken. Visceral, learned, and acutely lucid, Bluets is a slim feat of literary innovation and grace, never before published in the UK.

**Lasting Damage** - Sophie Hannah 2011-01-27

The unnervingly good sixth psychological thriller from bestselling crime writer Sophie Hannah, not to be missed for readers of Clare Mackintosh and Paula Hawkins. 'Jaw-droppingly assured' Daily Express 'A first-class whodunnit' Scotsman Don't go into the other woman's house . . . It's 1.15 a.m. Connie Bowskill should be asleep. Instead, she's logging on to a property website in search of a particular house: 11 Bentley Grove, Cambridge. She knows it's for sale; she saw the estate agent's board in the front garden less than six hours ago. Soon Connie is clicking on the 'Virtual Tour' button, keen to see the inside of 11 Bentley Grove and put her mind at rest once and for all. She finds herself looking at a scene from a nightmare: in the living room, in the middle of the carpet, there's a woman lying face down in a huge pool of blood. In shock, Connie wakes her husband Kit. But when Kit sits down at the computer to take a look, he sees no dead body, only a pristine beige carpet in a perfectly ordinary room . . .

*Kind of Cruel* - Sophie Hannah 2012-02-16

The brilliantly chilling seventh crime thriller from the queen of psychological suspense - a must-read for fans of Clare Mackintosh and Paula Hawkins. 'Utterly chilling' Observer 'Truly hair-raising' Independent on Sunday Some secrets are so dark you keep them even from yourself . . . When Amber Hewerdine consults a hypnotherapist as a desperate last resort, she doesn't expect that anything much will change. She doesn't expect it to help with her chronic insomnia . . . She doesn't expect to hear herself, under hypnosis, saying words that mean nothing to her: 'Kind, cruel, kind of cruel' - words she has seen somewhere before, if only she could remember where . . . She doesn't expect to be arrested two hours later, as a result of having spoken those words out loud, in connection with the brutal murder of Katharine Allen, a woman she's never heard of . . .

**Dad Jokes from Late in the Patriarchy** - Amorak Huey 2021-05-15

Dad Jokes from Late in the Patriarchy, the fourth collection from award-winning poet Amorak Huey, is an unflinching, humorous meditation on American masculinity and fatherhood. Drawing on fictional characters, cultural figures, and personal stories, Huey deftly weaves an intergenerational tale about coming of age as a boy in the twentieth century and becoming a father in the twenty-first. In a collection built around the narrative structure of a joke, the poems' speakers reflect on the complex intersections of childhood, war, love, pop culture, and parenting. These speakers seek to define themselves via role models both personal and cultural, as societal and religious myths mingle with larger-than-life icons such as Arnold Schwarzenegger, Ariana Grande, and Davy Crockett. From Southwestern deserts to the flatlands of Indiana to the post-9/11 landscape of New York, Dad Jokes from Late in the Patriarchy deconstructs the enduring notion of American patriarchy and explores the delineations between collective and individual memory. Playful and profound, nostalgic but not naïve, these poems trace a masterful journey of personal discovery and fatherly love.

*The Fantastic Book of Everybody's Secrets* - Sophie Hannah 2016-10-11

Everybody has their secrets. Who, for instance, is the hooded figure hiding in the bushes outside a young man's house? Why does the same stranger keep appearing in the background of a family's holiday photographs? What makes a woman stand mesmerized by two children in a school playground—children she's never met but whose names she knows well? All will be revealed . . . but at a cost. As Sophie Hannah uncovers the dark obsessions and strange longings behind the most ordinary relationships, life will never seem quite the same again.
