William James Robert D. Richardson 2007-09-14 The definitive biography of the fascinating William James, whose life and writing put an indelible stamp on psychology, philosophy, teaching, and religion—on modernism itself. Often cited as the “father of American psychology,” William James was an intellectual luminary who made significant contributions to at least five fields: psychology, philosophy, religious studies, teaching, and literature. A member of one of the most unusual and notable of American families, James struggled to achieve greatness amid the brilliance of his theologian father; his brother, the novelist Henry James; and his sister, Alice James. After studying medicine, he ultimately realized that his true interests lay in philosophy and psychology, a choice that guided his storied career at Harvard, where he taught some of America’s greatest minds. But it is James’s contributions to intellectual study that reveal the true complexity of man. In this biography that seeks to understand James’s life through his work—including *Principles of Psychology*, *The Varieties of Religious Experience*, and *Pragmatism*—Robert D. Richardson has crafted an exceptionally insightful work that explores the mind of a genius, resulting in “a gripping and often inspiring story of intellectual and spiritual adventure” (Publishers Weekly, starred review). “A magnificent biography.” —The Washington Post

The Cambridge Companion to the Bloomsbury Group Victoria Rosner 2014-05-26 Provides a comprehensive guide to the storied Bloomsbury Group, a social circle of prominent intellectuals active during the interwar period.

The Adventures of My Penis Sasha Czernmawicz 2013-11-24 Timid boy. Insecure teenager. Successful student. High-flying businessman. Promiscuous lover. Reluctant father. Adulterous husband. Lonely divorcee. Dying man. Sasha Czernmawicz has a story to tell. He is a man with a compulsive personality, whose life has revolved around his obsessions. Since his formative years when he was bullied for his Polish background, he has been fixated with being liked and accepted. His less than salubrious beginnings have made him determined to be financially secure. The sacrifices his parents made and the work ethic they instilled to him mean he has been consumed by a desire to succeed in all he undertakes. Perhaps above all of this, however, throughout his life, Sasha Czernmawicz has been a man obsessed with sex. *The Adventures of my Penis* is Sasha's own candid account of a life well-lived but often fraught with selfish acts and rash decisions. As he comes to terms with his own demise, Sasha looks back on his exploits - sometimes with fondness and humour, sometimes regret - and reflects upon the path he chose and its apparently inevitably lonely destination. *The Adventures of my Penis* is written under the pen name of 'Sasha Czernmawicz' and is a set of memoirs of a man from a Polish family which settled in Australia. Sasha's story is set in some ways from an early age, starting with an undermining encounter with the daughter of a family friend, who sets the ball rolling with his lifelong obsession with his levels of confidence, and of course his penis. His parents fail to deal properly with a family event which leaves them feeling ashamed and distraught, while a young Sasha is left puzzled and confused. Sasha takes us with him on a journey through his formative years, right through college and into a disastrous first marriage, all the way through his career and his colourful love life, right up until the last days of his life. Not for the faint-hearted, or under-18s, *The Adventures of my Penis* contains much sexually explicit material. However, the aim is not to titillate as much as to provide a thoroughly honest reflection upon this man's life and his recollection of the scenarios and situations which he considered important and memorable. Although the title of this book relates directly to Sasha's sexual adventures, it is meant to be fairly tongue-in-cheek. Some of the chapters are not about sex but simply the relationships and friendships he had with others, both women and men. Through his memoirs, Sasha is trying to make sense of his life and the decisions he made along the way before he dies. As an outsider looking in, it is clear that he was not the terrible person he felt himself to be - although he certainly acted unforgivably on more than one occasion where his wife and family are concerned. *The Adventures of my Penis* is an entertaining book to read. You will laugh at some of the stories Sasha has to tell, and cringe at others. It is impossible not to like Sasha, even if some of his motives and actions are questionable.

Men, Masculinity and the Beatles Martin King 2016-04-22 Drawing on methodologies and approaches from media and cultural studies, sociology, social history and the study of popular music, this book outlines the development of the study of men and masculinities, and explores the role of cultural texts in bringing about social change. It is against this backdrop that The Beatles, as a cultural phenomenon, are set, and their four live action films, spanning the years 1964-1970, are examined as texts through which to read changing representations of men and masculinity in 'the Sixties'. Dr Martin King considers ideas about a male revolt predating second-wave feminism, The Beatles as inheritors of the possibilities of the 1950s and The Beatles' emergence as men of ideas: a global cultural phenomenon that transgressed boundaries and changed expectations about the role of popular artists in society. King further explores the chosen Beatle texts to examine discourses of masculinity at work within them. What emerges is the discovery of discourses around resistance, non-conformity, feminized appearance, pre-metrosexuality, the male star as object of desire, and the emergence of The Beatles themselves as a text that reflected the radical diversity of a period of rapid social change. King draws valuable conclusions about the legacy of these discourses and their impact in subsequent decades.

Nights Out Judith Walkowitz 2012-05-15 London's Soho district underwent a spectacular transformation between the late Victorian era and the end of the Second World War: its fin-de-siècle buildings and dark streets infamous for sex, crime, political disloyalty, and ethnic diversity became a center of culinary and cultural tourism servicing patrons of nearby shops and theaters. Indulgences for the privileged and the upwardly mobile edged a dangerous, transgressive space imagined to be "outside" the nation. Treating Soho as exceptional, but also representative of London's urban transformation, Judith Walkowitz shows how the area's foreignness, liminality, and porousness were key to the explosion of culture and development of modernity in the first half of the twentieth century. She draws on a vast and unusual range of sources to stitch together a rich patchwork quilt of vivid stories and unforgettable characters, revealing how Soho became a showcase for a new cosmopolitan identity.

Love in the Time of Money Thomas Shulich 2009 Since the late 20th century Thailand has been associated with a thriving international sexual services industry. One specialized niche of this industry markets young local

men as paid exhibitionists to older foreign admirers. This book explores erotic love among these men. It is a study of vacation boyfriends, male sex workers, and international gay tourism. It represents ethnographic fieldwork conducted from 1997 to 2002 in Chiangmai City. Going beyond academic analysis of sexuality in terms of "discourses of power" - issues of identity politics, normality, perversion, and deviance - this work explores intimate connections and the sociology of love. Three analytical perspectives - cultural ideologies, sexual marketplaces, and erotic roles - are deployed to investigate how commercial and cultural factors facilitate and frustrate, enhance and distort, the erotic love which men of different racial and social classes experience for one another. This work contributes to the research into the patois of cultural values generated at the intersections between modern Asian and Western societies. It should also be of interest to scholars of gender and sexuality.

The Great Wall of Popat Melisa Mel 2013-07-31 At a time when most women my age are planning for retirement and maybe taking up hobbies that are a little less aggressive, I decided to go into law enforcement. Okay . . . so doing what is expected of me is not my pattern of life. I enjoy adventures and the more impossible that they seem, the harder I will tackle them. Basically, it boiled down to the fact that years before, I had missed my window of opportunity to join the military. I had been a military brat and so joining the service would have been my wish but I had been a young mother and had to start work at a young age. I would never change the life I had with my four wonderful children. However now I was 42 years old and they were all grown up. I had just found out, through a turn of events, that there was no age limit for joining the police department. As long as one could keep up with the physical and academic requirements, then they were welcome to join. Additionally, I had felt that I was living on borrowed time since I was 15 years old when I came as close to facing the vulnerability of being human as one can do without passing over to the non-living side. Soon after surviving, I had to face my own decision of moving on or finishing myself off. I made a choice and it was to live and to be happy. I wanted my days to count. I wanted to serve others who had gone through similar experiences. I wanted to lead a life with my head up. At the time that I applied for the academy, I was a special education teacher working with young adults who had aggressive and severe disabilities. I was running an after school Gay, Straight Alliance diversity club and was a mentor to many students. I had devoted all my life to children and youth. I had been a troubled child for a variety of reasons. I knew the pains that could come with childhood many pains to which children should never have to be exposed. I had always felt that I had to give back and try to be there for kids and others who could not speak up for themselves. Doing this was a priority to me. In addition to my full time teaching job with my school district, I was volunteering in a couple of capacities with the local Police department. I had first become a Victim Services Volunteer with them. Victim Services Volunteers are called at any time of day or night to go out and provide assistance to those who have been pa g e | 14 Me l i s a Me l victimized in some way. I never knew to what kind of call I would be going. It could be anything from a family member who had woken up to find their loved one had died during the night, a parent whose young adult child had overdosed on drugs, or a family whose home had burnt down. Regardless of the situation, the victim or victims needed support and resources. As a supplement to our 32 hour training, it was suggested that we do ride-alongs. I had never heard of a ride-along. A ride-along is literally when you ride along with an officer to get a taste of what it is like to be out on patrol. You have to sign a waiver indicating that you understand that there is a certain amount of danger involved but that you do not hold the police department responsible. For a mix of reasons, I was rather nervous about riding along in a police car with an officer. What made me most uncomfortable was the thought that I would have to sit in close proximity with a stranger. I did not even know if we could talk as I did not know if it was allowed. I feared it might distract the officers from their duties. Ever so much into training and wanting to learn all that I could about my new position, I scheduled a ride-along. I figured that just like with everything else in life, I would get the hang of it once I was there. I am very straightforward and like things to be clearly understood. I would have no problem simply asking the officer what was and was not ok. The officer with whom I was assigned to ride-along with was Officer Gabriel. I started out our ride-a

Youth and Suicide in American Cinema Alessandra Seggi 2022-10-27 This book explores the depiction of suicide in American youth films from 1900 to 2019. Anchored in Sociology, this multidisciplinary study investigates the causes and consequences of suicide and uncovers the socio-cultural context for the development of youth, film, and suicide. While such cinematic portrayals seem to privilege external explanations of

suicide versus internal or psychological ones, overall they are neither rich nor sensitive. Most are simplistic, limited or at the very least unbalanced. At times, they are flatly controversial. In light of this overall problematic depiction of suicide, this book offers a proactive approach to empower young audiences—a media literacy strategy to embrace while watching these films.

Sex: Untold Stories Dr. Messeret Assefa The purpose of this book is to capture an insiders' view on sex work in Ethiopia's capital, Addis Ababa. While most of the case stories focus on female sex-workers, it also contains stories of promiscuous sex e.g. pre-marital multiple sexual partnerships and extra-marital affairs, university students, civil servants, older women, and married partners. Nonetheless, the reader will readily and pleasantly learn more about the sex-worker's position than is known to the average non-reader. If my labors induce the concerned reader to improve the appalling sex-workers life circumstances, I trust, s/he will become a solution seeker and master of much more gender activist than the ordinary citizen. This book is indeed a legacy which I bequeath to everyone concerned to help sex-workers stop working out their own death.

Adventure Therapy Michael A. Gass 1993 The evolution and history of adventure therapy, as chronicled in the second chapter of this book, well demonstrates how far this field has evolved from a divergent therapy into an efficacious form of therapy that engages clients on cognitive, affective, and behavioral levels. Adventure Therapy is written by three professionals who have been at the forefront of the field since its infancy. The theory, techniques, research, and case studies they present are the cutting edge of this field. The authors focus on: the theory substantiating adventure therapy illustrations that exemplify best practices the research validating the immediate as well as long-term effects of adventure therapy, when properly conducted. This book is the leading academic text, professional reference, and training resource for adventure therapy practices in the field of mental health. It is appropriate for a wide range of audiences, including beginner and experienced therapists, as well as graduate students. "

From Single to Serious Dana M. Malone 2018-01-31 College students hook up and have sex. That is what many students expect to happen during their time at university—it is part of growing up and navigating the relationship scene on most American campuses today. But what do you do when you're a student at an evangelical university? Students at these schools must negotiate a barrage of religiously imbued undercurrents that impact how they think about relationships, in addition to how they experience and evaluate them. As they work to form successful unions, students at evangelical colleges balance sacred ideologies of purity, holiness, and godliness, while also dealing with more mainstream notions of popularity, the online world, and the appeal of sexual intimacy. In *From Single to Serious*, Dana M. Malone shines a light on friendship, dating, and, sexuality, in both the ideals and the practical experiences of heterosexual students at U. S. evangelical colleges. She examines the struggles they have in balancing their gendered and religious presentations of self, the expectations of their campus community, and their desire to find meaningful romantic relationships.

Boning the Muse: Letters to Steve Eric Miles Williamson 2019-08-30 I met Eric Williamson in Boulder, Colorado in 1984. We were in our early twenties and we both taught Introductory Creative Writing at the University of Colorado. We hung out in the same circles and joined other like-minded souls in late-night debates about literature and writing and philosophy and the meaning of life. Possessing a sense of unearned arrogance that comes naturally to graduate students in their early twenties, we looked forward to destinies of pre-ordained glory and success. Then we got older. Eric moved on to Houston and then Manhattan and eventually a town on the Mexican border. I moved to Syracuse and then Japan and eventually to Michigan. We would see each other from time to time in various parts of the world, but the true cement of our friendship came through our regular written correspondence. Through the years our swagger and self-importance met up with the tempering forces of actual life. Hope went to war against the realities of failed relationships and miserable jobs and poverty and alcohol and instability and despair. Getting a letter from Eric was always a momentous event. I remember delaying the gratification for hours, unsealing the envelope only when I knew I had an hour to read it and then re-read it, indulging his excessive observations and outrageous exaggerations set beside the anguished howls of genuine pain. You will never read anything like this again. Steve, 2018

Sociology David M. Newman 2010 This carefully edited companion anthology provides provocative, eye-opening examples of the practice of sociology in a well-edited, well-designed, and affordable format. African Art and the Colonial Encounter Sidney Littlefield Kasfir 2007-10-24 Focusing on the theme of warriorhood, Sidney Littlefield Kasfir weaves a complex history of how colonial influence forever changed artistic practice, objects, and their meaning. Looking at two widely diverse cultures, the Idoma in Nigeria and the Samburu in Kenya, Kasfir makes a bold statement about the links between colonialism, the Europeans' image of

Africans, Africans' changing self representation, and the impact of global trade on cultural artifacts and the making of art. This intriguing history of the interaction between peoples, aesthetics, morals, artistic objects and practices, and the global trade in African art challenges current ideas about artistic production and representation.

Gay Sex Confessions Story Collection Rod Mandelli 2013-11-05 This gay sex story collection M/M erotica bundle contains four gay sex confession stories (plus a bonus gay sex Christmas story) previously published individually. Included are: *Screwing My Hot, Older Neighbor* (previously published under the title *Summer Vacation*) Straight and smooth high school muscle stud Roy is about to find out how hot things can get on summer vacation when a hunky and hairy new neighbor in his 30's moves in across the street. Which will get "manhandled" more, the moving boxes or Roy? *Blowing My Best Friend's Brother* (previously published under the title *Swimsuits Optional*) Secretly gay Italian stud Joey has homosexual fantasies about his super-jock best friend, blond-haired and blue-eyed Steve. With Steve leaving for vacation, Joey's choice is to either spend his time whacking off thinking about Steve or spending two weeks by the pool with Steve's older brother who believes that swimsuits should be optional and something other than water should be splashed on Joey's face. *Banging A Stranger* (previously published under the title *Club Connection*) Horny slut Jake cruises a gay club to find the man of his wet dreams - a blue collar stud with a hairy chest, dark eyes, and an incredibly huge prick. Will he bed the guy teasing him with the beer bottle blowjob? *Fucking The Boss's Cowboy Nephew* (previously published under the title *Texas Beef*) Young college grad Shawn meets his handsome new boss's nephew, Austin, a hard-partying cowboy from Texas. Austin's penchants for booze and sexual adventure lead him to give men permission to do whatever they want with his muscular body. What dirty trick will Shawn use in response to Austin's sexy invitation? *A Modern Gay Sex Christmas Carol # 1: The Silver Haired Daddy Boss & The Sexy Employee* Despite the temperature dropping outside, miserly businessman Dickteaser Splooge refuses to let his underpaid, under-appreciated employee, Bob Crotchlick turn up the heat in the drafty office, pointing out that there are other ways for Crotchlick to keep warm and keep his job at the same time. Can Bob refuse his boss's kinky sexual advances considering he has an unemployed husband at home as well as the out of work college student they've recently taken in nick-named Tiny Twink?

Imagining the World from Behind the Iron Curtain Malgorzata Fidelis 2022-06-10 The Sixties occupy a prominent place in popular culture and scholarship as an era of global upheavals, including the Civil Rights Movement, de-colonization, radical social movements, student and youth protests, and the Vietnam War. This pioneering book explores the seemingly isolated Eastern bloc and a non-capitalist context, demonstrating the impact of those global upheavals on young people in Poland in the form of international youth culture, protest movements, and counterculture.

A Kid Who Became a Man Matteo Casciato 2011-09-19 Alberto is the main personage in the novel, and he represents 75 percent of the author's life. He is a young man born from a very poor family. Even so, he is able to get two degrees: a masters degree in French language and literature and an associate degree in business administration. He started to attend the Orientale of Naples in Italy when he was twenty-two years old. In order to earn enough money to pay board, lodging, and the expenses to attend courses at the university, he started to work in a private college. He remained in Naples for two years. Here, while he was studying, he founded, together with other students, a club and a magazine that started a struggle against the magnates of the university for the purpose of improving the teaching methodology. When the struggle moved from the schools to the parliament, Alberto decided to quit Italy and went to France. He spent one year in Lyon as tutor in the Franco Canadienne college, and three years in Nice, teaching Italian language and culture in the Lycee Massena, Ecole Normale, Dante Alighieri Society, and the Chamber of Commerce. While he was teaching, he also attended courses of French language and literature at the university and prepared himself for the exams in the Orientale of Naples. During summer months he went to Spain in order to improve his knowledge of Spanish language and literature, attending courses at the University of Saragoza in Jaca. In France, like in Spain, he was admired and appreciated as a young man able to resolve any intricate matter easily and creatively. He wanted to live his life intensely, without ceasing to love his girlfriend with all his heart. He had experienced several loving adventures that made him fall into a deep moral and spiritual crisis. Alberto said, I do not know anymore who I am. I act against my own principles. Influenced by the French culture, he understood that those principles he called his own were, indeed, not his but only principles accepted by him or transmitted to him by his family, his school, his church, his town. Living in Paris, Alberto understood that the only valid principles in our lives were those that we created or accepted after careful consideration. From now on Alberto will work hard to create his own principles and to resolve his moral and spiritual crisis. In order to succeed, said Alberto, it is not enough to say it, you must do it. Being equipped with a strong dose of determination, self-assurance, and a lot of energy, he began to discard all those principles in which he did not believe anymore, retaining those in which he still believed, and at the same time created new ones. He said, There are some principles that must be saved because they represent the foundation and the understanding of our Western civilization. By now Alberto was aware of being what he always wanted to become: a young man hungry to accomplish what he had initiated. After three years of separation, Alberto went to the United States in order to see Enza, his girlfriend, and he decided to marry her. He returned to Nizza with Enza. They had a first son. They returned to Italy. He completed his studies, getting a masters degree in French language and literature, and went to live in the United States. Needing to support his family, he started to work in a bank, and he remained there for thirty-five years, spending the first two achieving an associate degree in business administration. The author tells the life of Alberto from infancy to youth. In the entire novel there are many descriptions of landscapes, in particular of his native town. Alberto directly or indirectly lived the horrors of the two world wars: the occupation of his town first by the Germans, then by the Allies. He visited Cassino, a city that had been razed to the ground by the bombers during the Second World War. Alberto also lived through the Fascist period and the political awakening of the great masses and their revolutionary agitations for the occupa

The World's Oldest Profession....Teaching : An Amazing Adventure Clyde Chamberlain 2020-03-12 The book offers you a window into some exciting teaching experiences for someone thinking of becoming a teacher, who is a teacher, or just wants to reminisce about teaching activities in which they were involved. The humorous anecdotes offer suggestions for a teacher to use to maximize the students learning from these occurrences. The multidisciplinary variety of the activities are there to help you realize that your subject can involve many other disciplines. The goal of this text also is to suggest you use the outside world in your teaching. Finally, the book irradiates you with stories, trying to show the reader, what a wonderful career teaching really can be.

INTRODUCTION TO CRIMINAL JUSTICE RESEARCH METHODS Gennaro F. Vito 2014-08-01 This third edition is designed as an introduction to research methods in criminal justice techniques. The detailed information that is generated by research is a management tool that has become a significant part of criminal justice operations. The text discusses the purposes, process, and uses of research that focus on identifying what information is already known about a particular topic or question. Ethical issues in criminal justice research are reviewed, as is investigating the validity and reliability of crime data sources. Also offered is an introduction to research design--the plan or blueprint for a complete research project. The principles of sampling are thoroughly discussed as is survey research, a common form of gathering information in the criminal justice setting. A review of the concept of scaling and some common methods of scale construction are introduced. Additional major topics include qualitative interviews and observational studies in qualitative research, as well as a wide variety of research techniques that comprise evaluation research. The definitions and examples provided in the book will help students and practitioners to both comprehend research articles and reports and to conduct their own research. Each of the authors brings specific areas of expertise to the text, and they are familiar with the research process and have worked together on several published studies. The text is designed primarily for persons with little or no research background and provides real-world examples and clear definitions of terms and concepts.

The Unfilmable Confederacy of Dunces Stephan Eicke 2022-12-02 For more than 40 years, dozens of film directors, writers and producers tried and failed to adapt John Kennedy Toole's Pulitzer Prize-winning novel *A Confederacy of Dunces*. Along the way lawsuits were filed, filming locations destroyed, friendships shattered, reputations trashed, production companies bankrupted. Drawing on exclusive interviews, internal documents and private correspondence, this book tells the remarkable story of the non-making of *A Confederacy of Dunces* as a breathless and absurdist thriller. Celebrity appearances include John Belushi, Steven Soderbergh, Stephen Fry, Robin Williams, Warren Beatty and Harvey Weinstein, among others.
