Want to Find The Love of Your Life Quickly and Effortlessly? Keep Reading... Are you struggling with: Attracting the wrong kinds of relationships? Are your past experiences negatively affecting your new connections? Not knowing what you want? Having trouble figuring out who's the right person for you and how to attract them? The fear of being alone and never finding 'The One'? Or the fear of putting yourself out there and embarrassing yourself? That's OK! After being single for a while or just out of a relationship, these fears are perfectly normal. But if you want to... Attract an amazing relationship that is exciting, nurturing, honest, and lasting... Find someone who will show you appreciation, provide stability, and commit to you... Develop magnetic self-confidence and feel empowered to pursue your true desires... It's time to learn The Magic of Manifesting Love! Love is the purest expression of your truest self. It can feel like security, spontaneity, excitement, joy, peace, home, comfort, and aliveness. And here's the most important thing about love: It can't be earned. If you feel the need to earn it,

then it's not true love, no matter how interesting or fun it may seem at the moment. Love can only be given to you, freely. And to attract that kind of loving relationship, you have to master the art of RECEIVING. What does this mean? It means the first step in manifesting love is to change your mindset around WHAT IT REALLY TAKES to attract the best kind of partner for you. Once you've mastered the universal laws around human connection, you can begin to manifest your dream relationship. And how do we know which dreams are good or bad for us? If you've struggled with attracting the wrong kind of people, you're probably not clear on what it is you truly want... Because when we know what we want, that's exactly what we get. With these two steps covered, the manifestation of your dream partner will be inevitable... "Your task is not to seek for love, but merely to seek and find all the barriers within yourself that you have built against it." - Rumi

LOA for Love - Jeannette Maw 2014

How to Use Law of Attraction in
Relationships Most of us can think of ways our
relationships could be better we could be
happier, getting or giving more support, or
experiencing more intimacy. We could have
more fun or maybe share responsibilities more
equally. Or maybe we don't have a love
relationship at all yet and we'd like that to fire
up a rockin' love life. This ebook is for those who
want to use law of attraction to enhance their
relationships. Whether it's creating a new one,
improving an existing one, or figuring out what
to do with one that's sometimes good and
sometimes not so good this ebook is
designed to help you embrace your power to
create the love life you prefer. We'll cover the
gamut together - from the most important
relationship (the one with our Self), to prepping
for new love, to attracting love interests, to
successful dating, to enhancing existing
relationships, even to navigating breakups. Since
I couldn't very well tell client stories, it's filled
with my own real life situations in using
deliberate creation skills to manifest what I
wanted in my love life. Some of these stories are
embarrassing. Every one of them is revealing,
but shared with the intention to inspire you as to
what works and what doesn't. You'll read about
my missteps as well as successes. But this is LOA

for love in the real world, and if I can do anything to help you harness your power to create the love you want, telling a private story or two is a small price to pay. The concepts and principles shared in this ebook are not just pie-in-the-sky airy fairy ideas that don't translate in the real world. This stuff translates. These methods will transform your love life. And learning to focus your creative power in service of your love life is one of the most powerful skills you'll embrace. In your copy of "LOA for Love" you'll learn:- What to do before you do anything with anyone (I know that sounds dramatic, but it really is important!)- How to spot your love story and why it matters- Tips for upgrading the story you tell about your relationships- A manifesting technique that can dramatically change how your dating life unfolds- 3 manifesting ground rules for using law of attraction in love- How to successfully navigate difficult conversations- Where your manifesting powers are best applied when it comes to love- How to stop sabotaging your loved ones with the way you think- How law of attraction can help with your sex life- 3 tips for all lovers- Q&A section for most commonly asked questions from readers- LOA savvy words of advice for navigating breakups- How I used law of attraction to resolve a love triangle- technique I used to attract a keeper in three short weeks- How I kept my vibe straight when going through challenging breakups- Why I (sort of) regret successfully manifesting that he regretted breaking up with me... and more. You might guess this is not your typical book about manifesting love. I poured all my love into it to help you be a rock star manifester of successful relationships. In addition to amping up your love life, the tips and processes you pick up here can also be applied to transforming relationships at work and with family. Here's what others are saying about LOA for Love: "Thank you for writing the book - I truly believe it's one of the best I've read in a very long time. At the end of the day, it's all about how you truly feel about yourself and what you align yourself to." - Sandra A. "CONGRATULATIONS on another great ebook! Could be the best money somebody ever spends!" - Anna B. "Your upbeat, simplistic way of teaching is perfect!short, sweet, entertaining, but really gets the point across. I

particularly love your personal stories." - Patty S.
