

The Meaning Of Sex The Meaning Of Sex

*The Meanings of Sex
Difference in the Middle Ages* -
Joan Cadden 1995-03-31

This book examines how scientific ideas about sex differences in the later Middle Ages participated in cultural assumptions about gender.

*A Dictionary of Sexual
Language and Imagery in
Shakespearean and Stuart
Literature* - Gordon Williams
2001-09-13

Providing an alphabetical listing of sexual language and locution in 16th and 17th-century English, this book draws especially on the more immediate literary modes: the theatre, broadside ballads, newsbooks and pamphlets. The aim is to assist the reader of Shakespearean and Stuart literature to identify metaphors and elucidate meanings; and more broadly, to chart, through

illustrative quotation, shifting and recurrent linguistic patterns. Linguistic habit is closely bound up with the ideas and assumptions of a period, and the figurative language of sexuality across this period is highly illuminating of socio-cultural change as well as linguistic development. Thus the entries offer as much to those concerned with social history and the history of ideas as to the reader of Shakespeare or Dryden.

Sexual Slang - Alan Richter
1995

Provocative, engaging, and informative, this dictionary is packed with more than 4,000 colorful slang words and phrases that have had sexual meaning at some point during the past 500 years. As entertaining as it is informative, Sexual Slang is

packed with surprising facts, meanings, and insights sure to liven up anyone's language.

The Meaning of Sexual Identity in the Twenty-First Century - Judith S. Kaufman
2014-06-12

Something happened in the 1990s; a group of people who were perceived as radical and unmentionable were transformed into a group of people who deserved human rights, and, if you looked close enough, were normal, just like everybody else (John DOCOEmilio (2002). Had a post-gay era (Ghaziani, 2011) begun? And if so, how might this impact on the meaning of sexual identity and a political movement steeped in identity politics? Have the LGBT youth of today been duped into conformity because..."

Sex, Murder, and the Meaning of Life - Douglas T Kenrick
2011-04-26

"Kenrick writes like a dream." -
- Robert Sapolsky, Professor of Biology and Neurology, Stanford University; author of A Primate's Memoir and Why Zebras Don't Get Ulcers What

do sex and murder have to do with the meaning of life? Everything. In Sex, Murder, and the Meaning of Life, social psychologist Douglas Kenrick exposes the selfish animalistic underside of human nature, and shows how it is intimately connected to our greatest and most selfless achievements.

Masterfully integrating cognitive science, evolutionary psychology, and complexity theory, this intriguing book paints a comprehensive picture of the principles that govern our lives. As Kenrick divulges, beneath our civilized veneer, human beings are a lot like howling hyenas and barking baboons, with heads full of homicidal tendencies and sexual fantasies. But, in his view, many ingrained, apparently irrational behaviors -- such as inclinations to one-night stands, racial prejudices, and conspicuous consumption - - ultimately manifest what he calls "Deep Rationality."&" Although our heads are full of simple selfish biases that evolved to help our ancestors survive, modern human beings

Downloaded from
legacy.opendemocracy.net
on 2021-05-11 by guest

are anything but simple and selfish cavemen. Kenrick argues that simple and selfish mental mechanisms we inherited from our ancestors ultimately give rise to the multifaceted social lives that we humans lead today, and to the most positive features of humanity, including generosity, artistic creativity, love, and familial bonds. And out of those simple mechanisms emerge all the complexities of society, including international conflicts and global economic markets. By exploring the nuance of social psychology and the surprising results of his own research, Kenrick offers a detailed picture of what makes us caring, creative, and complex -- that is, fully human. Illuminated with stories from Kenrick's own colorful experiences -- from his criminally inclined shantytown Irish relatives, his own multiple high school expulsions, broken marriages, and homicidal fantasies, to his eventual success as an evolutionary psychologist and loving father of two boys separated by 26

years -- this book is an exploration of our mental biases and failures, and our mind's great successes. Idiosyncratic, controversial, and fascinating, *Sex, Murder, and the Meaning of Life* uncovers the pitfalls and promise of our biological inheritance.

The Meaning of Intercourse and My Wife Has Lost Interest in Sex - Walter

Trobisch 2005-12

Trobisch's timeless message can help readers understand the heart of God and his intent to bless a man and woman in marriage. Banyolak's forthright guide insists that sexual harmony reflects the spiritual harmony God intended marriage to provide.

Let's Make Love - Jack Dominionian 2001-01-01

This book explores the inner meaning of sexual intercourse and reveals the secret language of human love. Dominionian challenges the prejudices and preconceptions of both liberals and conservatives in the churches.

Ace - Angela Chen 2020-09-15
An engaging exploration of what it means to be asexual in a world that's obsessed with sexual attraction, and what the ace perspective can teach all of us about desire and identity. What exactly is sexual attraction and what is it like to go through life not experiencing it? What does asexuality reveal about gender roles, about romance and consent, and the pressures of society? This accessible examination of asexuality shows that the issues that aces face—confusion around sexual activity, the intersection of sexuality and identity, navigating different needs in relationships—are the same conflicts that nearly all of us will experience. Through a blend of reporting, cultural criticism, and memoir, Ace addresses the misconceptions around the “A” of LGBTQIA and invites everyone to rethink pleasure and intimacy. Journalist Angela Chen creates her path to understanding her

own asexuality with the perspectives of a diverse group of asexual people. Vulnerable and honest, these stories include a woman who had blood tests done because she was convinced that “not wanting sex” was a sign of serious illness, and a man who grew up in a religious household and did everything “right,” only to realize after marriage that his experience of sexuality had never been the same as that of others.

Disabled aces, aces of color, gender-nonconforming aces, and aces who both do and don't want romantic relationships all share their experiences navigating a society in which a lack of sexual attraction is considered abnormal. Chen's careful cultural analysis explores how societal norms limit understanding of sex and relationships and celebrates the breadth of sexuality and queerness.

Power, Sex, Suicide - Nick Lane 2006-10-26

Mitochondria are tiny structures located inside our cells that carry out the

essential task of producing energy for the cell. They are found in all complex living things, and in that sense, they are fundamental for driving complex life on the planet. But there is much more to them than that. Mitochondria have their own DNA, with their own small collection of genes, separate from those in the cell nucleus. It is thought that they were once bacteria living independent lives. Their enslavement within the larger cell was a turning point in the evolution of life, enabling the development of complex organisms and, closely related, the origin of two sexes. Unlike the DNA in the nucleus, mitochondrial DNA is passed down exclusively (or almost exclusively) via the female line. That's why it has been used by some researchers to trace human ancestry daughter-to-mother, to 'Mitochondrial Eve'. Mitochondria give us important information about our evolutionary history. And that's not all. Mitochondrial genes mutate much faster than those in the nucleus because of the

free radicals produced in their energy-generating role. This high mutation rate lies behind our ageing and certain congenital diseases. The latest research suggests that mitochondria play a key role in degenerative diseases such as cancer, through their involvement in precipitating cell suicide. Mitochondria, then, are pivotal in power, sex, and suicide. In this fascinating and thought-provoking book, Nick Lane brings together the latest research findings in this exciting field to show how our growing understanding of mitochondria is shedding light on how complex life evolved, why sex arose (why don't we just bud?), and why we age and die. This understanding is of fundamental importance, both in understanding how we and all other complex life came to be, but also in order to be able to control our own illnesses, and delay our degeneration and death. 'An extraordinary account of groundbreaking modern science... The book abounds with interesting and important ideas.' Mark Ridley,

The Meaning of Sex - Dennis P.
Hollinger 2009-06

An ethicist provides an engaging exploration of the meaning of sex and articulates a Christian ethic for addressing a host of sexual issues facing readers today.

Sex, Meaning and the Menopause - Sue Brayne
2011-08-04

The Meaning Of Sex -
Christopher Doyle, MA LPC
LCPC 2018-03-20

In the midst of a culture where sex and gender issues are rampant, two common viewpoints exist. Unfortunately, they are both extreme. While there is an effort in the church to minister to the sexually broken, many places of worship have adopted a strict ethic that leads to a fear-based attitude towards those struggling with sexuality and gender identity. This has caused strugglers to feel alienated and wounded from the church. On the other hand, secular culture has adopted the

sexual liberation message: "If it feels good, do it." Sadly, this idea has permeated the hearts and minds of too many Christians. As a result, issues such as homosexuality, gender identity confusion, and sex outside of marriage have become battlegrounds of division among the Body of Christ. With all of this discord, how do we find the true meaning of sex? In *The Meaning of Sex: A New Christian Ethos*, Christopher Doyle offers a compassionate and bold philosophy on how to love thy neighbor within the confines set forth by our Savior, who holds us when we struggle, loves us when we fall, and celebrates with us when we experience victory. When we collectively pursue the wholeness Jesus calls us to, the sexual ethics that bind us becomes a higher ethos that unites us. Only then, as we bare our souls to each other and become vulnerable with our own unique wounds, can we meet our struggling brothers and sisters where they are and journey towards

emotional wholeness and spiritual maturity. "The Meaning of Sex: A New Christian Ethos is a masterful synthesis of Christian theology and the social sciences that has the potential to radically transform our culture in positive ways." ~ Michelle A. Cretella, M.D. (President, American College of Pediatricians) "Christopher Doyle effectively challenges cultural constructs that have led Christians away from the questions that we need to be asking, connecting the dots between a biblical narrative of sexuality and what is revealed in nature and through scientific inquiry." ~ Professor Carolyn Pela, Ph.D., LMFT (Chair, Department of Behavioral and Social Sciences, Arizona Christian University)

On the Meaning of Sex - J. Budziszewski 2023-07-11
Our society is obsessed with sex - and yet we don't understand it at all. Acclaimed philosopher J. Budziszewski remedies the problem in this wise, gracefully written book about the nature, meaning, and

mysteries of sexuality. On the Meaning of Sex corrects the most prevalent errors about sex - particularly those of the sexual revolution, which by mistaking pleasure for a good in itself has caused untold pain and suffering.

Love, Sex, Death & the Meaning of Life - Foster Hirsch 1990

Revised and updated with a final chapter covering the last decade of a career--as actor, director, and screenwriter--that now spans a quarter-century. ". . . Recommended to anyone who . . . would like a better understanding of this comic genius . . ."--Kansas City Chronicle.

The Meaning of Sex - Mary Macaulay 1936

The Meaning of Sex - Dennis P. Hollinger 2009-06-01
Our culture is not only sex-crazed but also deeply confused about sex and sexual ethics. Unfortunately, Christians seem equally confused, and the church has tended to respond with simplistic answers. The reason

Downloaded from
legacy.opendemocracy.net
on 2021-05-11 by guest

for this confusion is that the meaning of sex has been largely lost. Dennis Hollinger argues that there is indeed a God-given meaning to sex. This meaning, found in the Christian worldview, provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues. The Meaning of Sex provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing, including premarital sex, sex within marriage, homosexuality, reproductive technologies, and faithful living in a sex-obsessed world.

The Christian Meaning of Human Sexuality - Paul M. Quay 1985-01-01

A work for Christian adults that offers true and approachable insights into why there is right and wrong sexual behavior

What Is the Meaning of Sex?

- Denny Burk 2013-10-31

Sex is a big deal. And as the spirit of the age moves rapidly away from traditional sexual norms, Christians are feeling the pressure to abandon their

ancient beliefs to conform to society's evolving views on sexuality and gender.

Responding to the pressure with conviction and clarity, this book spells out the Bible's teaching on sex, arguing that the ultimate goal of all human sexuality is the glory of God. After outlining key biblical standards and explaining the true purposes for sex (procreation, pleasure, love, etc.), the latter portion of the book explores controversial issues such as homosexuality, queer theory, and polygamy. Firmly rooted in the pages of Scripture, this book sets forth a compelling vision of human sexuality that is both soul-satisfying and God-glorifying.

Ace - Angela Chen 2020-09-15

An engaging exploration of what it means to be asexual in a world that's obsessed with sexual attraction, and what the ace perspective can teach all of us about desire and identity.

What exactly is sexual attraction and what is it like to go through life not experiencing it? What does asexuality reveal about gender

roles, about romance and consent, and the pressures of society? This accessible examination of asexuality shows that the issues that aces face—confusion around sexual activity, the intersection of sexuality and identity, navigating different needs in relationships—are the same conflicts that nearly all of us will experience. Through a blend of reporting, cultural criticism, and memoir, Ace addresses the misconceptions around the “A” of LGBTQIA and invites everyone to rethink pleasure and intimacy. Journalist Angela Chen creates her path to understanding her own asexuality with the perspectives of a diverse group of asexual people. Vulnerable and honest, these stories

include a woman who had blood tests done because she was convinced that “not wanting sex” was a sign of serious illness, and a man who grew up in a religious household and did everything “right,” only to realize after marriage that his experience of sexuality had never been the same as that of others. Disabled aces, aces of color, gender-nonconforming aces, and aces who both do and don’t want romantic relationships all share their experiences navigating a society in which a lack of sexual attraction is considered abnormal. Chen’s careful cultural analysis explores how societal norms limit understanding of sex and relationships and celebrates the breadth of sexuality and queerness.
