Woman's Talisman - Mahrouyeh Maghzi 2015-10-02

Woman's Talisman is a guide for readers to examine their feelings and come to terms with their gender. The book follows a man who has been diagnosed with a terminal illness and has a short time to live. He is an echo of the original man, Adam, and is seeking the knowledge and compassion of Eve, the primal soul of a woman. This journey illuminates readers' journeys and prompts them to think, dream and imagine the many realms of spiritual understanding. The journey proceeds through several days of experiences in this world and others. It is a process of enlightenment. "In two different parts of the world one man and one woman were mourning for different reasons, but for one ultimate goal, finding their beloved...the dying man was fighting with death's glory to find his beloved, and the moaning woman was fighting with life's glory to find her beloved sun." Woman's Talisman is written in a flowing, lyrical style similar to ancient texts and the bible. It is part poetry and part metaphorical narrative.

To Win Her Heart - Karen Witemeyer 2011-05-01

Do They Have a Fighting Chance at Love? After completing his sentence for the unintentional crime that derailed his youthful plans for fame and fortune, Levi Grant looks to start over in the town of Spencer, Texas. Spencer needs a blacksmith, a trade he learned at his father's knee, and he needs a place where no one knows his past. Eden Spencer has sworn off men, choosing instead to devote her time to the lending library she runs in the town her father founded. When a mountain-sized stranger walks through her door and asks to borrow a book, she's reluctant to trust him. Yet as the mysteries of the town's new blacksmith unfold, Eden discovers hidden depths in him that tempt her heart. Eden believes she's finally found a man of honor and integrity. But when the truth about Levi's prodigal past comes to light, can this tarnished hero find a way to win back the librarian's affections? "Witemeyer's hard-hitting Christian historical romance skillfully incorporates Jesus' parables of the prodigal son and the adulteress' rock-toting accusers into her characters' struggles with redemption, worthiness, and new beginnings. A

commendable addition to the genre."--Booklist "Witemeyer is a talented author who plumbs the heart and soul of her characters while keeping a smile on the lips of the reader. Gentle humor pervades the story, never mocking, never crude, yet consistently illuminating the conundrums of life... To Win Her Heart is charming inspirational fiction that will certainly win the hearts of those who enjoy this genre."-- Historical Novels Review "Seamless writing with an unexpectedly complex plot... This novel has everything that I love about Christian historical fiction."-- Christian Manifesto

Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.
