Better Love Next Time J. M. Kearns 2010-03-16 *Better Love Next Time* offers help in coping with the pain and heartache of a bad breakup, but more than that, it reveals how to overcome the lingering damage that a broken relationship can leave behind - how to heal your romantic soul. "Read it, people. J.M. Kearns's new book called *Better Love Next Time*... The book's main premise is that people often repeat the same mistakes in successive relationships, but if you can diagnose what really went wrong with your exes, you can have better relationships in the future." — Erin Meanley, Glamour.com "If you're searching for love, then you should start with this refreshingly intelligent

A chapter called How Good Matches Go Bad is, alone, worth the book's price...He says our demons will invariably rise up and try to disrupt ...It's important to learn to step back when you sense trouble 'and ask yourself, who is talking here?'
