Improvisation at the Piano -

250 Speed Dating Questions Your Guide To Dating Success Kindle Edition

Brian Chung 2007-03-02

This unique text uses a step-by-step approach to guide the reader from fundamental concepts to advanced topics in improvisation. Each subject is broken into easy to understand segments, gradually becoming more complex as improvisational tools are acquired. Designed for the classically trained pianist with little or no experience in improvisation, it uses the reader's previous knowledge of basic theory and technique to help accelerate the learning process. Included are more than 450 music examples and illustrations to reinforce the concepts discussed. These concepts are useful in all improvisational settings and can be applied to any musical style. For pianists interested in jazz, there are three chapters dedicated to introducing jazz improvisation, which can be used as the basis for further study in this idiom. Teachers using this text can go online to www.improvisationatthepiano.com to download lesson plans, ask specific questions about

improvisation, and view **109933** answers to the most frequently asked questions about this book.

Three Sheets - Zane Lamprey
2010-03-16

Most people have a few drinks to relax after work. For Zane Lamprey, however, having a few (or a few too many) drinks is work. But he's not complaining. Zane has circled the globe knocking back an endless variety of booze while capturing his imbibing exploits for the cult-hit TV show *Three Sheets*. And now the Indiana Jones of alcohol consumption has gathered a round of his most amusing adventures, fascinating factoids, and tips for adventurous tipplers into this, the ultimate pub crawler's memoir. Join him as he ventures, glass in hand, to • Ireland, where whiskey was invented, drinking is a way of life, and beer is the best medicine • Tanzania, where the popular "bee brew," engortorogi, was accidentally discovered by a woman trying to poison her two-timing husband • Las Vegas, where

He also bellies up to bars in Scotland, Jamaica, Argentina, New Zealand, Belgium, St. Martin, South Africa, and Taiwan. Each destination is a new adventure in libation. Packed with anecdotes, recipes and drinking games, and more hangover remedies than you can shake a swizzle stick at, Three Sheets makes for a delightfully intoxicating cocktail.
