The Seven or Eight Deaths of Stella Fortuna - Juliet Grames 2019-05-07
'You don't read this book, you live it' Erin Kelly 'Holds the reader under a spell from start to finish' O, the Oprah Magazine 'If you're going through Elena Ferrante withdrawals, this is the book for you' Harper's Bazaar If Stella Fortuna means 'lucky star,' then life must have a funny sense of humour. Everybody in the Fortuna family knows the story of how the beautiful, fiercely independent Stella, who refused to learn to cook and who swore she would never marry, has escaped death time and time again. From her childhood in Italy, to her adulthood in America, death has seemed to pursue Stella. She has been burned, eviscerated and bludgeoned; she has choked, nearly fallen out of a window, and on one occasion, her life was only saved by a typo. However, even the best-known stories still have secrets to reveal . . . and even after a century, Stella's is no exception. No woman survives seven or eight deaths without a reason. So, how did she? In a tale which spans nine decades, two continents, and one family's darkest, deepest-buried truths, the answer awaits. . . _____ 'Witty and deeply-felt' Entertainment Weekly 'A sweeping story of immigration, family, betrayal and most importantly, one extraordinary woman. This book is gorgeous, harrowing and magical' Julie Cohen 'Fresh and intriguing' Sabine Durrant 'This is wonderful storytelling, seamlessly capturing the love and horror at the heart of family. Juliet Grames's novel . . . sits the reader down at a well-laden table, and offers a hugely satisfying feast' Mick Herron 'Delightfully easy to get lost in' New York Times Book Review

Evil Eye - Etaf Rum 2023-09-05

"A moving meditation on motherhood, inter-generational trauma and how surface appearances often obscure a deeper truth. . . . A stunning second novel from a writer who set the bar very high with her first!"—Tara Conklin, New York Times bestselling author of *The Last Romantics* and *Community Board* The acclaimed New York Times bestselling author of *A Woman Is No Man* returns with a striking exploration of the expectations of a Palestinian-American woman, the meaning of a fulfilling life, and the ways our unresolved pasts affect our presents. "After Yara is placed on probation at work for fighting with a racist coworker, her Palestinian mother claims the provocation and all that's come after were the result of a family curse. While Yara doesn't believe in old superstitions, she finds herself unpacking her strict, often volatile childhood growing up in Brooklyn, looking for clues as to why she feels so unfulfilled in a life her mother could only dream of. Etaf Rum's follow-up to her 2019 debut, *A Woman Is No Man*, is a complicated mother-daughter drama that looks at the lasting effects of intergenerational trauma and what it takes to break the cycle of abuse." —Time magazine, "The Most Anticipated Books of the Year"

Part thriller, part mystery, *I Who Have Never Known Men* shows us the power of one person without memories to reinvent herself piece by piece, emotion by emotion, in the process teaching us much about what it means to be human.

Play Like a Man, Win Like a Woman - Gail Evans 2000-08-10

An honest and practical handbook that reveals important insights into relationships between men and women and work, Play Like a Man, Win Like a Woman, is a must-read for every woman who wants to leverage her power in the workplace. Women make up almost half of today's labor force, but in corporate America they don't share half of the power. Only four of the Fortune 500 company CEOs are women, and it's only been in the last few years that even half of the Fortune 500 companies have

more than one female officer. A major reason for this? Most women were never taught how to play the game of business. Throughout her career in the super-competitive, male-dominated media industry, Gail Evans, one of the country's most powerful executives, has met innumerable women who tell her that they feel lost in the workplace, almost as if they were playing a game without knowing the directions. In this book, she reveals the secrets to the playbook of success and teaches women at all levels of the organization--from assistant to vice president--how to play the game of business to their advantage. Men know the rules because they wrote them, but women often feel shut out of the process because they don't know when to speak up, when to ask for responsibility, what to say at an interview, and a lot of other key moves that can make or break a career. Sharing with humor and candor her years of lessons from corporate life, Gail Evans gives readers practical tools for making the right decisions at work. Among the rules you will learn are: • How to Keep Score at Work • When to Take a Risk • How to Deal with the Imposter Syndrome • Ten Vocabulary Words That Mean Different Things to Men and Women • Why Men Can be Ugly, and You Can't • When to Quit Your Job "I want to let you women in on a secret I've learned through my years in the corporate world: There is a set of unwritten rules in business and, while you may not choose to follow all of them, if you don't know what they are, you might as well be playing the game with both hands tied behind your back." --Gail Evans

The Golden Son - Shilpi Somaya Gowda 2016-01-26

The New York Times and #1 internationally bestselling author of Secret Daughter returns with an unforgettable story of family, responsibility, love, honor, tradition, and identity, in which two childhood friends—a young doctor and a newly married bride—must balance the expectations of their culture and their families with the desires of their own hearts. The first of his family to go to college, Anil Patel, the golden son, carries the weight of tradition and his family's expectations when he leaves his tiny Indian village to begin a medical residency in Dallas, Texas, at one of the busiest and most competitive hospitals in America. When his father dies, Anil becomes the de facto head of the Patel household and inherits

the mantle of arbiter for all of the village's disputes. But he is uneasy with the custom, uncertain that he has the wisdom and courage demonstrated by his father and grandfather. His doubts are compounded by the difficulties he discovers in adjusting to a new culture and a new job, challenges that will shake his confidence in himself and his abilities. Back home in India, Anil's closest childhood friend, Leena, struggles to adapt to her demanding new husband and relatives. Arranged by her parents, the marriage shatters Leena's romantic hopes, and eventually forces her to make a desperate choice that will hold drastic repercussions for herself and her family. Though Anil and Leena struggle to come to terms with their identities thousands of miles apart, their lives eventually intersect once more—changing them both and the people they love forever. Tender and bittersweet, *The Golden Son* illuminates the ambivalence of people caught between past and present, tradition and modernity, duty and choice; the push and pull of living in two cultures, and the painful decisions we must make to find our true selves.

A ROOM OF ONE'S OWN - Virginia Woolf 2017-12-06

First published on 24 October 1929, the essay was based on a series of lectures she delivered at Newnham College and Girton College, two women's colleges at Cambridge University in October 1928. While this extended essay in fact employs a fictional narrator and narrative to explore women both as writers of and characters in fiction, the

manuscript for the delivery of the series of lectures, titled "Women and Fiction", and hence the essay, are considered non-fiction. The essay is generally seen as a feminist text, and is noted in its argument for both a literal and figural space for women writers within a literary tradition dominated by patriarchy. Virginia Woolf was one of the greatest authors of the twentieth century, transformed the art of fiction. The author of numerous novels and short stories, she was also an acknowledged master of the essay form, and an admired literary critic. Adeline Virginia Woolf (1882–1941) was an English writer who is considered one of the foremost modernists of the twentieth century and a pioneer in the use of stream of consciousness as a narrative device.

[The Power of a Woman](#) - Gina Whitney 2015-12-04

Jordana Albanese grew up in a world spun with lies, secrets, and multiple sins. Her father, Gene-reigning king in the Mafia for the last decade-never protected her from his underworld dealings-La Cosa Nostra. She learned at a young age that in order to survive in her world, one must be dominant. She wore the shield of control on a daily basis, but she deeply yearned to slip it off and dispose of it. Except, letting it go would mean letting it all go. And she didn't want that. She learned of a compromise-where she could only let go of control in private, behind a closed door, while receiving orders from him. Not simply to be controlled, but to be dominated. The only problem was that her ambitions cut bone deep. Deeper than a belt across her ass. Deeper than the marks from the restraints he used to subdue and pleasure her. The permanent marks left were not visible to the human eye. They were profound wounds-scars-on her soul that only she could experience and draw strength from. And that's where she found the perfect balance in the two. Her submissive tendencies served her well in the bedroom. While in public, she was every bit as dominant as her male counterparts.
