

Addicted To Being In A Relationship

Lesbian Love Addiction - Lauren D. Costine 2015-11-05
Everyone makes mistakes in relationships at one time or another. Sometimes they learn from those mistakes. Other times, they return to those behaviors and cycle through failed relationship after failed relationship. Sometimes those behaviors become an addiction to love that may leave a person feeling unhappy, unfulfilled, lonely, or worse. *Lesbian Love Addiction: Understanding the Urge to Merge and How to Heal When Things go Wrong* makes visible the elements of love addiction that many lesbians suffer from. Love addiction for lesbians comes in many forms. Some struggle by sexually acting out and others are serial relationship junkies, jumping from one relationship into the next. Some are

addicted to the high of falling in love and once that wears off don't know how to handle the day-to-day realities of a committed relationship. Some are even addicted to fantasy and intrigue, while others are love avoidants and sexual anorexics. Love avoidants may be able to get into a relationship but once they are fully committed, struggle with feeling smothered. Others may avoid intimate or sexual relationships all together, becoming sexually anorexic. Some may even vacillate between all of these. The underlying component and common denominator in all of these scenarios is the "Urge to Merge." *Lesbian Love Addiction* is designed to help ameliorate at least part of this problem. Lauren D. Costine offers insight for lesbians,

bisexual women in relationships with women, queer women, and more specifically, any woman who loves women, as well as their family and friends, and health care professionals, into the psychology of lesbian love addiction. It will give those who struggle with and suffer from love addiction ways to understand, cope, and heal from this debilitating addiction. It will give those who work with this population new tools to use to do this more effectively. Mostly, it will help lesbians understand their relationship failures and how to heal from problems associated with them, so they may grow and cultivate happier, more fulfilling connections in the future.

Addicted to "love" - Stephen Arterburn 1992-04

What do these people have in common? Carol cannot free herself from the abusive relationship she has endured for ten miserable years. Ben is driven to secret sexual liaisons with one woman after another. Ginny spends every free

moment of her day absorbed in romance novels. Carol, Ben, and Ginny suffer from the same problem. Psychologists call it the disease of the '90's-love addiction. Addicted to Love describes the many forms this addiction can take-from romance novels and relationships to spouse abuse and sexual acxting-out. Like drug addicts or alcoholics, love addicts get high from sex and romance, develop a tolerance for it, and need ever-greater doses to keep going. Stephen Arterburn examines why this addiction is on the rise, what it looks like, who it afflicts, and what you can do if you suspect that your spouse, friend, or family member may be suffering from it. With compassion and wisdom, Arterburn points the way to psychological and spiritual healing, to enable men and women to enjoy real and lasting intimacy.

drug addicts, love addicts get high on sex and romance and need ever-greater doses to keep going. Stephen Arterburn examines this addiction -- who it afflicts and what you can do if you suspect that your spouse, friend, or family member may be suffering from it. With compassion and wisdom, Arterburn points the way to the psychological and spiritual healing that can enable men and women to enjoy real and lasting intimacy. Book jacket.

Addicted to Pain - Rainie Howard 2016-04-18

"The obsession of a toxic relationship can have the same enticement as drugs or alcohol. The pattern echoes time and time again: a new significant other draws you into a new relationship that starts off loving and alluring only to develop into a hurtful or abusive cycle. People who have a healthy understanding of true love do not tolerate this kind of pain. He or she will move on in search of a healthier bond. It's an unhealthy view on love that will rationalize the toxic behavior and cling to the

relationship long after it should have ended. Like any other addiction, those hooked on a toxic love have no control over excessive urges to text, call, manipulate or beg for love, attention and affection. They want help. They want to end the pain and recover, but it's just like trying to shake a drug habit. In *Addicted to Pain*, author and relationship expert Rainie Howard reveals the truths every woman needs to heal from a toxic relationship and return to a life rich with purpose and fulfillment. This all-in-one spiritual guide provides daily insight on love addiction and a healing plan to help you recover from the overwhelming effects of a toxic relationship."--

Addicted to Unhappiness -

Martha Heineman Pieper
2004-03-29

Drawing upon their years of counseling experience, the bestselling author team of Martha and William Pieper explain how parenting styles based on discipline and excessive expectations condition children to equate

unhappiness with love. This often persists into adulthood, leading to behaviors including eating disorders, compulsive gambling, disastrous romantic choices, substance abuse, and more. This book supplies readers with powerful tools, including self-assessments, checklists, diaries, and exercises, to overcome their need for unhappiness.

Addiction to Love - Susan Peabody 2011-04-13

Love addiction manifests in many forms, from Fatal Attraction-type obsessive lust to less extreme but nonetheless psychologically and emotionally harmful forms. The most common of these is staying in a bad relationship because of a fear of being alone-the "I hate you but don't leave me" relationship. In *ADDICTION TO LOVE*, recovering love addict Susan Peabody explains the variety of ways this disorder plays out, from the obsessively doting love addict to the addict who can't disentangle from an unfulfilling, dead-end relationship. Peabody provides

an in-depth and easy-to-follow recovery program for those suffering from this unhealthy and often dangerous addiction and explains how to create a loving, safe, and fulfilling relationship. • A seminal work on unhealthy and obsessive behaviors in love, and how to change behavior to have a positive relationship. This third edition includes a new introduction and revisions to the text throughout. • Some symptoms of love addiction include love at first sight, excessive fantasizing, abnormal jealousy, nagging, and accepting dishonesty. • Even relationships with parents, children, siblings, or friends may be addictive-dependency is not always related to romantic love. • Previous editions have sold more than 40,000 copies. "Love addiction is a three-headed serpent that Susan Peabody adeptly slays. This is the quintessential book for any love addict or counselor needing to fully understand this highly prevalent and complex disorder. Susan detects and dissects aspects of

this condition not comprehended in other books of its kind. Recovery is possible. This book makes it possible to take the succinct steps necessary toward a loving and reciprocal long-term intimate relationship." —Sudi Scull, M.F.T., C.N., psychotherapist and nutritionist

Love Addict - Brianne Ellison
2021-05-10

Love Addict? Don't stop reading! For days I struggled to find the perfect words - the wow factor - for this description. I wanted to craft something that would prompt you to read this book immediately. The more I thought about it, the more I realized I couldn't think of anything better to say than the truth. My name is Bri, aka Lipstick Preacher, and I'm a recovering love addict. I can already imagine what you're thinking. A love addict? No, I'm not talking about being addicted to sex or having multiple relationships and partners. As a young girl and into adulthood, I obsessed over

the idea of being in love and assumed it was an easy thing to attain if you were a decent person. No one in my life explained to me the importance of love and how much power it holds. I developed a deep desire to achieve love and had no idea where it came from. The desire for love is embedded in the core of our being, and when we encounter it, good or bad, it can shape the essence of who we are. After many failed relationships and encounters with the opposite sex, my idea of love became broken. This achy and painful feeling consumed my mind and eventually created a pattern of addiction. A love addiction. If you're reading this description, and you know love has dealt you a blow you don't know how to recover from, read this book. If you're someone who has ended or creates complicated relationships that have left you feeling like a different person, read this book. If you've never experienced love to a capacity that you know is real and true, read this book. If you want to love again but believe it's for

everyone else, read this book. If you're in an amazing relationship but had some sucky ones in the past, and you find yourself sabotaging something good because of it, read this book. Hey you, Read this book! The End!

No Stones - Marnie C. Ferree
2013-07-08

In this book Marnie C. Ferree offers a unique resource for women struggling with sexual addiction. Taking her book's title from the parable where Jesus extends grace to the woman caught in adultery, Ferree bravely shares her own story of sexual addiction, recalling her years of shame from living a double life and the moment when she ultimately had to tell the truth. But more than just offering her story as a hopeful example of God's transforming power, Ferree distills her clinical expertise on female sexual addiction accessibly and gently, providing a much-needed resource for women struggling with any degree of relational or sexual addiction. Ferree details the roots of

addiction in family trauma and offers clear-eyed advice as both a counselor and a "grateful recovering sex addict" on how to achieve sobriety and healing. Written by a counselor who understands the condition from the inside out, *No Stones* offers practical help for those battling sexual addiction. It also includes a specific chapter for anyone in close relationship with an addict, whether a spouse, family member, or friend, who wants to come alongside women as they seek help. Important for pastors and church leaders, this book will also be a much sought-after resource for Christian counselors and therapists counseling women who grapple with this type of addiction.

Ready to Heal E-Book - Kelly McDaniel
2012-08-05

It's no surprise that our culture is addicted to "love." The sappy love songs, the enticing ads for romantic getaways and the desire to be cherished by a special someone will never lose their appeal. But for some women, this poses a significant problem. Because of their

insatiable desire for love, they will do anything to find it and ultimately land in destructive addictive relationships over and over again causing incredible harm. This newly revised and expanded edition of Ready to Heal provides an opportunity for women to break free from painful addictive relationships. Kelly McDaniel provides the reader with the tools they will need to move along the path to living a life where intimacy is possible. Readers have an opportunity to begin to "connect the dots" in their own relationship patterns by following the stories of four brave women. A newly added chapter on "Mother Hunger" explores the role of the mother in infancy and how she ultimately impacts a daughter's ability to have healthy intimate relationships later in life. Break free from the chains of addictive relationships that sabotage happiness and self-respect.

So You're in Love with an Addict - Heather O'Hara

2020-11-05

Addiction is an increasing

problem in our society. While there are a variety of programs and "steps" that addicts can follow to work towards recovery, there is no rule book for us—the people who are in love with an addict. All of our journeys are different and yet, the same—filled with chaos, uncertainty, and confusion. This book may not hold any magical solutions to your challenges, but it just might provide you with the comfort and companionship that the author longs

Loving an Adult Child of an Alcoholic - M. D. Bey

2007-05-25

The child of an alcoholic develops patterns of behavior during childhood which carry over into adult life. As children they were taught to cover up the family secret and suppress their feelings. No matter what is going on, as adults, when asked how she or he is doing your partner will likely answer "fine." Distrust, fear of abandonment, and sensitivity to criticism are all major issues for your adult child.

Recognizing these patterns and

Downloaded from

changing the ones that cause problems will help you and your partner enjoy a deeper relationship.

Addicted to Toxic Love? - T N Rose 2020-08-05

Abuse, control, addiction in relationships, and negative communication styles can be dysfunctional and progress towards your unhappiness and an erosion of your identity. Jenn and Tracey have joined together in their supportive friendship, both climbing out of abuse and unhealthy relationships. Now they write their experiences and share their wisdom with you. We define signs of hidden forms of abuse, dysfunctional relationship patterns, how to exit these relationships, prevent relapses and life after all of this. Love, J. Latte & T.N. Rose

Is It Love Or Is It Addiction?

- Brenda Schaeffer 1995-04

Offers advice & a practical guide to making relationships work

Exaholics - L. Bobby 2015

Severing a relationship is one of life's most painful

experiences--and cutting those ties can feel like ending an addiction. *Exaholics* offers meaningful support to anyone trapped in the obsessive pain of a broken attachment. She helps the brokenhearted heal, showing them how to understand the emotional processes at work inside themselves, find the path to recovery, and free themselves of shame, injured ego, and remorse.

Love and Addiction - Stanton Peele 2014-05

In *Love and Addiction*, published 40 years ago and sold as a mass-market paperback on love, Stanton Peele and Archie Brodsky laid out every major issue confronting the addiction field today. This pioneering classic, which was excerpted in *Cosmopolitan* and spawned the codependence movement, is the first--and still the definitive--book on addictive love. But it is much more than that; it is the book that explains why addiction is not what we think it is. *Love and Addiction* focuses on dependent love

Downloaded from
legacy.opendemocracy.net
on 2021-04-19 by guest

relationships to explore what both love and addiction really are-psychologically, socially, and culturally. Addiction is an overgrown, dependent, destructive relationship. Love is the opposite, a sharing, growth-inspiring one. The authors' analysis makes clear that an addiction is an experience that takes on meaning and power in light of a person's needs, desires, beliefs, expectations, and fears. By showing how addiction grows out of ordinary human experience, Peele and Brodsky offer a liberating understanding of all addictions-to alcohol, drugs, tobacco, food, gambling, shopping, electronic media, sex, or love. In 1975, *Love and Addiction* boldly proposed ideas whose truth is only now being recognized: Addiction is not limited to drugs, and drugs are not necessarily addictive. AA's 12 steps are not the last word in addiction treatment. On the contrary, practically oriented addiction treatments are more effective. The goal of addiction treatment and recovery is not

abstinence to the exclusion of all else, but to build a life that rules out addiction. Love is the opposite of the self-protective constriction of addiction; it is the expansion of your spirit with another human being. Remarkably, all of these issues-the widespread application of the addiction diagnosis, the limited value of AA and its disease theory, the possibility that people can continue using but still eliminate addiction (harm reduction)-are as hotly debated today as when Peele and Brodsky first analyzed addiction forty years ago. Most remarkably of all, the answers Peele and Brodsky arrived at in *Love and Addiction* are only now being embraced by progressive thinkers in the field. "Destined to become a classic " *Psychology Today* proclaimed in 1975. Rereading *Love and Addiction* 35 years later, addiction researcher Rowdy Yates wrote that the book "still reads absolutely true as an understanding of addictive behavior." Reading today this clairvoyant analysis of the most challenging issues

we face in the twenty-first century—the meaning of love and the cure for addiction—you will recognize both the current relevance and enduring value of *Love and Addiction*, now reissued with a new (2015) Authors' Preface, the Authors' Preface written for the 1991 paperback reissue, and a brief new introduction to each chapter. Otherwise, nothing has been changed in the original book.

Facing Love Addiction - reissue - Pia Mellody
2011-11-22

A brilliant new guide to understanding the origins of codependence and the path to recovery by a nationally recognized authority on dependency and addiction. In this fresh new look at codependence, Pia Mellody traces the origins of this illness back to childhood, describing a whole range of emotional, spiritual, intellectual, physical, and sexual abuses. Because of these earlier experiences, codependent adults often lack the skills necessary to lead mature lives and have

satisfying relationships. Recovery from codependence comes from clearing up the toxic feelings left over from childhood and learning to reparent oneself by intervening on the adult symptoms of codependence. Central to Mellody's concept is the idea of the "precious child" that needs healing within each adult. She creates a framework for identifying codependent behavior and describes an effective approach to recovery that includes both therapy and self-help processes. Designed to be used with her new workbook for codependents, *Breaking Free*, this is a powerful tool for understanding the nature of codependence.

When Your Partner Has an Addiction - Christopher Kennedy Lawford 2016-10-04
Your partner's addiction takes a toll on both of your lives. That doesn't mean you should turn your back on the person you love. We've been told that staying with a partner who struggles with addiction—whether it be with

drugs, alcohol, or addictive behaviors—means that we're enabling their destructive behavior. That wanting to help them means we're codependent, and that the best thing for both of us is to walk away from the relationship entirely. But is that true? When Your Partner Has an Addiction challenges the idea that the best chance for recovery—for the addict and their partner—is to walk away. Instead, it makes the revolutionary claim that you, and the love you have for your partner, can be a key part of his or her journey to recovery. Together, addiction activist and bestselling author Christopher Kennedy Lawford and psychotherapist Beverly Engel, MFT, take a fresh look at addiction and codependency—the latest research on what causes them and what the two have in common. Rather than treat addiction or codependency as disease or weakness, When Your Partner Has an Addiction honors the trauma and shame that often lie at their source and shows you how to use your

love to combat that shame, allowing you to more effectively support your partner and heal yourself. The research proves that, while you cannot "fix" your partner, you can have a positive impact on their recovery. Whether you suffer from codependency, and whether your partner is already in recovery, When Your Partner Has an Addiction provides you with proven techniques and strategies to drastically improve your relationship and help get your partner the help he needs—without leaving and while taking care of yourself in the process.

Confusing Love With Obsession
- John Moore 2010-08-04
Confusing Love with Obsession is a must-read for anyone involved in a dangerously obsessive relationship. Fueled by an overwhelming fear of abandonment, people involved in obsessive relationships will go to extreme lengths to control their partner. Here, John D. Moore draws from excruciating real-life stories and personal experience to

Downloaded from

on 2021-04-19 by guest

reveal the inner workings of obsessive relationships. More important, *Confusing Love with Obsession* helps readers develop a new self-awareness and healthy relationship--free from preoccupation with an object of obsession.

Wendy's Club - Patricia Diane Craine 2006-10-04

Wendy's Club is a book written for women (but applies to any gender, age, race, religion or sexual preference) who are "hooked" or addicted to people who refuse to grow up (Peter Pans?) AND how to break these addictions. Many men are drawn to women who are attractive, responsible, stable and are loving care givers. But, some men NEED this type of women because she is everything he is not. He tends to not be dependable, responsible, accountable for his actions and, above all, he puts his needs first and has to be the center of attention at all times. Our "Wendy" is, at first mesmerized by him and his charms. But, after a while, she begins to feel like his mother and or playmate, instead of

being in a healthy/equal adult relationship. She KNOWS this relationship will probably never change (she gives 90% and he gives 10%) but she rationalizes that , "it could be worse". She stays (even though not happy or fulfilled) because she is afraid that if she leaves , she will be lonely and all alone (she dosen't realize that she already is). In this very easy, metaphorical presentation and reading, one will discover why these relationships exist for generations and how to identify past patterns and present dynamics. The author will present specific, theraputic ways of finding ones real self and how to begin to break free of these hurtful, perhaps harmful relationships forever!

Conquering Shame and Codependency - Darlene

Lancer 2014-05-16

A nationally recognized author and codependency expert examines the roots of shame and its connection with codependent relationships. Learn how to heal from their destructive hold by implementing eight steps that

Downloaded from
legacy.opendemocracy.net

will empower the real you, and lead to healthier relationships. Shame: the torment you feel when you're exposed, humiliated, or rejected; the feeling of not being good enough. It's a deeply painful and universal emotion, yet is not frequently discussed. For some, shame lurks in the unconscious, undermining self-esteem, destroying confidence, and leading to codependency. These codependent relationships—where we overlook our own needs and desires as we try to care for, protect, or please another—often cover up abuse,

addiction, or other harmful behaviors. Shame and codependency feed off one another, making us feel stuck, never able to let go, move on, and become the true self we were meant to be. In *Conquering Shame and Codependency*, Darlene Lancer sheds new light on shame: how codependents' feelings and beliefs about shame affect their identity, their behavior, and how shame can corrode relationships, destroying trust and love. She then provides eight steps to heal from shame, learn to love yourself, and develop healthy relationships.
