New York Times Bestseller Lauren Blakely In READ, WRITE, LOVE... Bestselling author Kurt Remington lives to write. He spends twelve hours a day in front of his computer, rarely leaving the seclusion of his beach-front property, where he's come to finish his latest thriller--that is, until free-spirited Leanna Bray nearly drowns in the ocean trying to save her dog. Kurt's best-laid plans are shot to hell when he comes to their rescue. Kurt's as irritated as he is intrigued by the sexy, hot mess of a woman who lives life on a whim, forgets everything, and doesn't even know the definition of the word organized. Leanna's come to the Cape hoping to find a fulfilling career in the jam-making business, and until she figures out her own life, a man is not on the menu. But Leanna can't get the six-two, deliciously muscled and tragically neat Kurt out of her mind. She tells herself she's just stopping by to say thank you, but the steamy afternoon sparks a wild and sexy ride as Kurt and Leanna test the powers of Chemistry 101: Opposites Attract. ***WANT MORE REMINGTONS? Sweet, Sexy Heart (The Bradens & Montgomerys #8) Love in Bloom Contemporary

Romance Melissa Foster 2021-08-04 Discover the magic of New York Times bestseller Melissa Foster's writing and see why millions of readers have fallen in love with the fiercely loyal and sassily sexy characters in the Love in Bloom big-family romance collection. All Love in Bloom books can be enjoyed as stand-alone novels or as part of the larger series. For this sweet bookstore owner, avoiding the charms of a famed-football-player-turned-author was supposed to be easy... Funny, sinfully sexy, opposite-attracts romance. Amber Montgomery is perfectly happy with her quiet life, running her bookstore, taking long walks with Reno, her Labrador retriever seizure-response dog, and spending time with her close-knit family. She's never needed thrills the way some of her sisters have. In an effort to control her epilepsy, she tries to avoid anything that creates too much excitement or stress—including relationships. When Amber hosts a book signing for famed-athlete-turned-author Dash Pennington, he's everything she's spent her life avoiding: loud, aggressive, and far too handsome, as proven by the hordes of women who surround him everywhere he goes. Amber can't ignore the sparks flying between her and Dash, but this is a no-brainer for her: Ignore their chemistry and hold her breath until he leaves town. Dash Pennington has spent his life running. Running the ball in for a touchdown, running from town to town to appease his public relations reps, and for years, running into the arms of too many women to count. He's also an expert at protecting—his reputation, his family, and lately, his sanity. But he's ready to make a change. When he comes to the sleepy little town of Oak Falls, Virginia, and witnesses the most beautiful woman he's ever seen living the life he craves, she refuses to have anything to do with him. But now that Dash has found the one thing he doesn't want to run from, he'll stop at nothing to win her over. **

The Scandalous Secrets And Twins Collection Andrea Laurence 2021-04-01 The Scandalous Secrets and Twins Collection from Mills & Boon

My Sexy Boss Chiah Wilder 2017-10-30 A sexy standalone romance novel. Cierra Trace Prescott was the reason I was in the nightclub consoling my friend's bruised ego and shattered heart. Then all of a sudden, there he was in the same club, flocked by a bunch of women. And he had the audacity to check me out and flirt with me while I was getting another drink for my heartbroken friend. Well, I went ballistic. I didn't hold back and I told him exactly what I thought of his arrogant, cheating ways. He made my friend think she was a queen with all the expensive gifts and dinners, but he forgot to tell her he had a princess he was banging on the side. Unbelievable! And all the good-looking jerk did was smirk as I ranted. I almost threw my glass of champagne in his face, but he wasn't worth the fifteen dollars it cost me. Feeling good, I stormed off. But I did sneak peeks at him for the rest of the night and hated that he caught me each time. Who cared? I wouldn't ever see him again. Imagine my surprise the following morning when my new boss turned out to be arrogant, sexy-as-sin Trace Prescott. If I didn't need the job, I'd quit, but I was stuck, and I refused to let his ripped body or good looks seduce me. I was a professional and would act like one. Yeah... easier said than done. Trace I noticed her right away, bending over the bar ordering her drinks in a black dress that hugged all her curves just right. I didn't expect her to turn on me like a wildcat, cursing and telling me what a jerk I was to her friend. It took me a moment to figure out which friend she was talking about. Women were drawn to me, and that suited me just fine. I loved being with them, and I always made sure I left them smiling with memories that would last them a lifetime after I moved on. I was great with seducing a woman just not so good with relationships. But the way the feisty

If she wants to keep her dream job, her new (and way-too-attractive-for-his-own-good) billionaire boss says she has to score an interview with one of the legendary Fontaine brothers of Hollywood. She knows three things about the Fontaine brothers: 1) that they're Hollywood royalty 2) that all four of them are ridiculously, mind-numbingly sexy, and 3) that they never, ever give interviews. Her only chance is to seduce one of them. The only problem? Historically speaking, she's way more likely to put her foot in her mouth (or generally make a fool of herself) than charm the pants off anyone. That's where her way-too-sexy boss comes in. Billionaire Roman Everet might hold the fate of her job in his hands, but he's also totally willing to teach her the art of seduction. Assuming she can survive his tantalizing lessons... is caught in the crossfire. Chaz Crew has everything he's ever wanted: a lovely fiancée, a baby on the way, and soon, the film festival he owns will host its biggest event ever. When he's called away to woo the festival's largest sponsor--and the lover he's never admitted to having--secrets from his past turn his new life upside down. With her baby shower around the corner and her fiancée's big event looming, the pressure is on for Kaylie to pull herself together--and for Chaz to right his wrongs. In a few short weeks, the couple who had it all figured out will learn things about life and love that may change their minds--and their hearts. --- In SISTERS IN WHITE: Danica and Kaylie Snow are about to celebrate the biggest day of their lives--their double wedding--on an island in the Bahamas. But no wedding is complete without a little family drama. The two sisters aren't ready to face the father they haven't seen since he divorced their mother and moved away to marry his mistress, and live with Lacy, the half sister they've never met. While Danica has exchanged letters and phone calls with Lacy, Kaylie has fervently tried to pretend she doesn't exist. Lacy is sweet, fun, and nearly a mirror image of Kaylie. To make matters worse, not only is Lacy looking forward to meeting her sisters, but she idolizes them, too. As the countdown to the wedding date ticks on, their parents are playing a devious game of revenge, and there's a storm brewing over the island, threatening to cancel their perfect wedding. The sisters are about to find out if the bond of sisterhood really trumps all. --- NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR Melissa Foster is a New York Times & USA Today bestselling and award-winning author.
