Asking About Sex & Growing Up - Joanna Cole
2009-11-24

Joanna Cole's *Asking About Sex & Growing Up* is the perfect book to provide answers to preteens' questions about sex. Writing especially for kids ages 8-12, the author uses a question-and-answer format to offer straightforward information on a wide variety of subjects related to sex and puberty. Information about sex is everywhere. But what kids learn from TV, movies, the internet, and friends is not always a healthy or accurate view of sexuality. Now revised and updated with current facts, *Asking*

About Sex & Growing Up is a safe, honest, friendly resource to share with preteens. The book is appropriate for both boys and girls. With the approachable, nonjudgmental Q&A format, this is a book that a preteen can read on his or her own. It's also likely to open up healthy, positive conversations with parents and caregivers.

Growing Up and Questioning About Sex - Fawn McKinney 2022-12

The ideal book for giving preteens' queries about sex answers is *Asking About Sex & Growing Up*. The author employs a question-and-answer style to provide clear information on a number of topics relating to sex and puberty in this book written specifically for children ages 8 to 18.

related information is widely available. However, what children learn about sexuality from TV, movies, the internet, and friends is not always a positive or truthful perspective. *Asking About Sex & Growing Up* has been updated with current information and is a safe, frank, and welcoming resource for preteens. Both boys and girls can enjoy the book. The book's friendly, nonjudgmental Q&A format makes it suitable for preteens to read alone. Additionally, it might start up wholesome, uplifting dialogues with parents and other caregivers.

Will Puberty Last My Whole Life? - Julie Metzger, RN, MN 2018-08-21

An expanded and revised edition of the popular flip book for preteens. One half of the book is filled with questions commonly asked by girls entering puberty, and the other half with questions asked by boys. "If you can only afford one book on puberty for this age group, this is

the one to have." --School Library Journal This book contains informative, honest, and reassuring answers to questions that preadolescents have about puberty--from friendships and feelings, to pimples, babies, body hair, menstruation, bras, and much more. Straightforward, age-appropriate answers are provided by an experienced nurse-and-physician team who have been giving seminars to preteens and their parents throughout the Pacific Northwest and Bay Area for more than 25 years. Each question in the book has been asked by kids during their classes (many of them frequently). This new edition also contains updated language throughout and additional questions and answers regarding sex, sexuality, consent, and gender identity and norms. The book is also filled with lighthearted and often humorous full-color illustrations throughout.

It's So Amazing! - Robie H. Harris 2014-09-09
“An outstanding book. . . . Meets the needs of those in-between or curious kids who are not ready, developmentally or emotionally, for It’s Perfectly Normal.” —Booklist (starred review)
How does a baby begin? What makes a baby male or female? How is a baby born? Children

have plenty of questions about reproduction and babies—and about sex and sexuality, too. It’s So Amazing! provides the answers—with fun, accurate, comic-book-style artwork and a clear, lively text that reflects the interests of children age seven and up in how things work, while giving them a healthy understanding of their bodies. Created by the author and illustrator of It’s Perfectly Normal, this forthright and funny book has been newly updated for its fifteenth anniversary.
