[Five Really Sexy Tales of Sex in Public \(Volume Three\)](#) - Skyler French 2020-08-08

How would you like to read this story of public sex? Bent Over in the Bookstore (The Officer Took My Backdoor in Public!) A First Anal Sex in Public Erotica Story by Skyler French Officer Hayfield made an honest mistake when a panicked customer called the police because I almost matched the description of a wanted killer. Of course it wasn't me but by the time they figured that out, I'd been sitting on a couch in the middle of the bookstore handcuffed for

quite some time. Officer Hayfield apologized but things kind of went crazy. Something about the bondage turned me on, and Hayfield could tell. Before I knew it, I was bent over the couch for a crazy episode of spanking, rough deep throat, and my first anal sex! That's only one of the sexy tales you'll find in this collection where things happen right out in the open. Click now and it can be on your Kindle in just a moment or two. Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, group sex, first lesbian sex, first anal

sex, FFM threesome sex, and more. Only mature adults who won't find that offensive should read this collection. Here are the rest of the stories!

2. Haley and the Camera (Watching Our Sitter on the Secret Cam) A Younger Woman Erotica Story by Andrea Tuppens My husband and I couldn't believe our eyes when we finally got around to looking at the film from the secret camera hidden in the teddy bear. We trusted our sitter and Haley always did a wonderful job. There she was, though, right in the middle of sex with her boyfriend! She wasn't breaking any rules because we allowed her to have friends over after she got Kyle to sleep but it was still shocking. I couldn't believe how turned on I got, and after my husband and I had an explosive night of sex while we watched it, I wanted to keep recording her! That wasn't fair to her. Sure, she was having sex in public, sort of. But it wasn't like she was out on the street or anything. What if she found out? Was I a horrible person?

3. Sorority Car Wash (A Tale of Sex in

Public) A Sexy Wife Erotica Story by Tara Skye Naomi didn't know why she got so turned on when she and her husband stopped at the car wash put on by all the sorority girls. To some extent, she was excited about the idea of how it would torment her husband but she wasn't able to just leave it at teasing! Before she knows it, the half-naked college students are surrounding the car and she's using the privacy to screw her husband while they cheer her on!

4. Taken in Public by the Pawn Broker (And When He Took Me, He Took My Backdoor!) A Reluctant First Anal Sex in Public Erotica Story by Savannah Deeds I couldn't believe the way the pawn broker was trying to cheat me, telling me the beautiful necklace I got at auction was a fake. I was so angry, and as we argued he made a bet. He'd pay me more than I could hope to get if it was real but if it was fake he could have me. I was so angry that I called up one of the best jewelry appraisers in the state. The damned necklace was fake, and Carl wasn't letting me

out of the deal. Right there in his pawn shop, where anyone could have seen us, he made me pay up. I had my first ever anal sex right by the front window of his store! 5. The Redhead and the Security Camera (Watching Very Rough Anal Sex at Work) An Office Sex in Public Erotica Story by Karla Sweet On my first day monitoring the security cameras at my new job, I couldn't believe what I saw. It wasn't someone trying to break into the store, though. It was a huge guy breaking into a tiny redhead's backdoor! It was the strangest thing in the world to watch the two of them having sex right there at work while I sat in the control room and watched. It was the craziest thing I'd ever seen in my life. It was the sexiest thing I ever saw in my life, too.

*Beyond Control* - Kit Rocha 2013-03-19

She refuses to be owned. Alexa Parrino escaped a life of servitude and survived danger on the streets to become one of the most trusted, influential people in Sector Four, where the O'Kanes rule with a hedonistic but iron fist. Lex

has been at the top for years, and there's almost nothing she wouldn't do for the gang...and for its leader. Lie, steal, kill—but she bows to no one, not even Dallas O'Kane. He'll settle for nothing less. Dallas fought long and hard to carve a slice of order out of the chaos of the sectors. Dangers both large and small threaten his people, but it's nothing he can't handle. His liquor business is flourishing, and new opportunities fuel his ambition. Lex could help him expand his empire, something he wants almost as much as he wants her. And no one says no to the king of Sector Four. Falling into bed is easy, but their sexual games are anything but casual. Attraction quickly turns to obsession, and their careful dance of heady dominance and sweet submission uncovers a need so deep, so strong, it could crush them both.

**Bluebeard's Wife** - Selena Kitt 2008-11-14

Tara's husband has never shared a fantasy with her, or even masturbated--that she knows of. However, this curious wife discovers a phone bill

## Bent Over In Thestore The Officer Took My Backdoor In Publica First Anal Sex In Public Erotica Story

full of phone calls to sex lines and realizes her husband has been living a double life! Instead of getting mad, Tara's curiosity leads her to begin listening in on John's steamy conversations in hopes of finding out what he really wants in the bedroom. After several failed attempts at bringing fantasy to reality, however, a frustrated Tara turns to her much more adventurous best friend, Kelly, for help. A quick psychology 101 diagnosis from Dr. Kelly marks John as having a classic "madonna/whore" complex, and she quickly sets about making plans to rectify this situation. Tara goes along for the ride, hoping that Kelly may have the answer to bridging the seemingly ever-growing gap in her marriage?-----

-----Warnings: This title contains erotic situations, graphic language, sex, ménage a trois (MFF threesome), lesbian sex and some naughty daddy/daughter role play, too!-----

EXCERPT: "Seeing you dancing out there with Kelly—you don't know how sexy you are, do you?" he asked, leaning over to me, his hand

running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine. "You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering." I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both." I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside

and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access. He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt. He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers. Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my

panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat. He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.

*Ulysses* - James Joyce 2022-10-19

Loosely based on the *Odyssey*, this landmark of modern literature follows ordinary Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. Captivating experimental

techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.

**Remembering Satan** - Lawrence Wright

2011-04-27

In 1988 Ericka and Julie Ingram began making a series of accusations of sexual abuse against their father, Paul Ingram, who was a respected deputy sheriff in Olympia, Washington. At first the accusations were confined to molestations in their childhood, but they grew to include torture and rape as recently as the month before. At a time when reported incidents of "recovered memories" had become widespread, these accusations were not unusual. What captured national attention in this case is that, under questioning, Ingram appeared to remember participating in bizarre satanic rites involving his whole family and other members of the sheriff's department. Remembering Satan is a lucid, measured, yet absolutely riveting inquest into a case that destroyed a family, engulfed a

small town, and captivated an America obsessed by rumors of a satanic underground. As it follows the increasingly bizarre accusations and confessions, the claims and counterclaims of police, FBI investigators, and mental health professionals. Remembering Satan gives us what is at once a psychological detective story and a domestic tragedy about what happens when modern science is subsumed by our most archaic fears.

**Lady Chatterley's lover** - David Herbert Lawrence 2001

*Cringeworthy* - Melissa Dahl 2018-05-17

Have you ever said goodbye to someone, only to discover that you're both walking in the same direction? Or had your next thought fly out of your brain in the middle of a presentation? Or accidentally liked an old photo on someone's Instagram or Facebook, thus revealing yourself to be a creepy social media stalker? Melissa Dahl, New York magazine's "Science of Us"

editor, has experienced all of those awkward situations, and many more. Now she offers a thoughtful, original take on what it really means to feel awkward. She invites you to follow her into all sorts of mortifying moments, drawing on personal experience and in-depth psychological research to answer questions you've probably pondered at some point, such as: \* Why are situations without clear rules most likely to turn awkward? \* Are people really judging us as harshly as we think they are? \* Does anyone ever truly outgrow their awkward teenage self? If you can learn to tolerate life's most awkward situations -- networking, difficult conversations, hearing the sound of your own terrible voice -- your awkwardness can be a secret weapon to making better, more memorable impressions. When everyone else is pretending to have it under control, you can be a little braver and grow a little bigger.

**Field of Prey** - John Sandford 2014-05-08

The extraordinary new Lucas Davenport thriller

from the number one New York Times- bestselling author and Pulitzer Prize winner John Sandford. 'He knows where the bodies are buried.' A familiar expression, often said with a laugh. But in Lucas Davenport's line of work, it's sometimes all too true.... When a county deputy is called out to an abandoned farmhouse in the cornfields of Minnesota by a couple of terrified teenagers, he finds that a body has been stuffed down a cistern. And then another, and another. By the time Lucas Davenport is called in, the police are up to fifteen bodies, and counting. And when Lucas begins to investigate, he makes some disturbing discoveries of his own. The victims have been killed over a great many years, one every summer, regular as clockwork. How could this have happened without anybody noticing? Because one thing was for sure: The killer has to live close by. He is probably even someone they see every day...

*Hacker, Hoaxer, Whistleblower, Spy* - Gabriella Coleman 2015-10-06

The ultimate book on the worldwide movement of hackers, pranksters, and activists collectively known as Anonymous—by the writer the Huffington Post says "knows all of Anonymous' deepest, darkest secrets" "A work of

anthropology that sometimes echoes a John le Carré novel." —Wired Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of her inside-outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, tflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond

and the double agent who helped put him away, Hector Monsegur, Hacker, Hoaxer, Whistleblower, Spy is filled with insights into the meaning of digital activism and little understood facets of culture in the Internet age, including the history of “trolling,” the ethics and metaphysics of hacking, and the origins and manifold meanings of “the lulz.”

**I Know Why the Caged Bird Sings** - Maya Angelou 2009-04-21

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the

ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin
