advice for men who want to know EXACTLY how
to attract women and how to get a girlfriend who
makes heads turn...Do you want to walk into any
bar or club and know exactly what to say to walk
out with a beautiful woman on your arm? Would
you like to know exactly how to get a girlfriend
who is amazing and beautiful without resorting
to cheesy pickup lines? Then this book is for
you. Written by international men's coach Jake D.
Ryan Dating Advice for Men: Unlike PUA books,
Charm her Pants Off, line isn't about tricks, lies,
or manipulation. Whether you want to get your
ex back, attract women to date regularly, or
learn exactly how to get a girlfriend who makes

heads turn, the lessons in this book can help you stand out in any room. You'll never have to hesitate or feel like you've run out of things to say. You'll bleed confidence in any social situation, captivate the room, and know how to attract women that you most desire. Whether you want to know how to get a girlfriend or just date around, *The Charm her Pants off* has the answers that have worked for tons of men. The girl of your dreams is out there...will you get her? *Charm her Pants Off* is the ultimate and only guide to getting girls and to understand women once and for all. This is why guys that read it don't read or recommend anything else. Because the few men who "get it" spend the rest of their lives enjoying sexy girls in abundance - and so can you. You can learn to get ANY girl you want, the same way that all men who are naturally good with women have. The only difference is that you may learn it much FASTER, instead of wasting tons of time and money on fruitless dates or a new car/haircut/shirt that you

BELIEVE will make you more attractive - but really doesn't. You see; men LACK success with women because they either don't understand what women are attracted to, or because they THINK that they do know, but have the wrong ideas and hence waste a lot of time - sometimes their entire life - chasing things they don't need. You know you have to get this book if you believe women want men with money, cars, or anything else that is manmade, because that doesn't make any sense. If women really were attracted to something unnatural, how did men meet women before any of those things were invented? The approach you'll learn in *The Manual* is very different from conventional dating and the advice you find in the mainstream media because it focuses on natural attraction - on what women REALLY want - not what they CLAIM they want or what males in general BELIEVE women want. It incorporates men's and women's socialization and explains phenomena's such as why men think women are attracted to

things such as money (yet money is a man-made invention that has not even EXISTED very long) and why women "play hard to get" (a well-known phrase which amusingly reveals that women ARE easy but only pretend not to be). This is why the beginning of the book addresses your basic beliefs and mindset, because if you learn to THINK correctly, you will automatically behave correctly around women. Even if they are so stunning they normally take your breath away, your mind goes blank, and you run out of words. You already have what it takes to seduce women. Like, if you never run out of words around your close friends or family, you should be able to talk to a hot girl without making a fool out of yourself. You are the Man!!!

The Easiest Way to Meet and Pick Up Girls-Ever!! - Dusty White 2006-07-27

As of January 2014 I am taking this book off of the market forever. I stated when I wrote this that it was not for mass public distribution. This book was always to be limited to under 10,000 copies. Sales have been astounding (far more than I ever imagined) and it is time to let the existing copies wear out, and return this information back to the few people who actually do it well. I have unpublished all digital versions of this book and they will not return either. This book will not be sold again. Thank you to

everyone who read--and used it--when you did. That was an interesting period in my life. But that was then, and this is not then. This book takes all of the guesswork out of meeting women. It is not about relationships or raising a family, and it is not another hokey book on how to have some mysterious "secret power" over women. This book teaches you how to get a date tonight-without having to spend any money. Anyone can do this. You will approach women any time, anywhere, instantly getting them interested in knowing you, without feeling nervous or having to resort to pick-up lines. You will know what to say first, what to say after that, how to grab her attention and focus it exclusively on you-and get her number or a date on-the-spot. The first section of this book analyzes every possible way you could approach women. The second section of this book reveals a secret, devious way to pick up almost every woman you meet without her even guessing that you are working your magic on her. Subsequent

sections provide help and troubleshooting guides. We won't make you a "guru of getting girls." We will get you "dates." The biggest problem most men have in getting dates is knowing how to approach attractive girls they see every day of the week (at the office, gas station, standing in line anywhere). Too many men rely on nightclubs, bars, and personal ads to get dates, ignoring the women they see e-v-e-r-y d-a-y.

The Only Dating Book a Man Really Needs What do women want? Well you might think that you need to be rich, tall or handsome...but no, it's not your haircut, height, knowledge or your bank balance. Women simply want a man who will

bring passion, excitement, and strength into their everyday lives. They want someone who does interesting things, is independent and takes care of themselves well. Attracting the right partner is all about being extremely comfortable with oneself and living the lifestyle he desires. By becoming a better man and living a more interesting life you too will naturally attract women and have more meaningful relationships. Think about it, when you see someone in command of their life walking down the street with confidence you know they've got something special to offer; and on some level you probably want it. Women feel that too. Most dating advice is 100% wrong and focuses on faking or manipulation to fool women into sleeping with you. Men who take to this path generally fall into a casual-sex based lifestyle and have difficulty to create meaningful emotional connections with women. This book offers a fresh perspective with a common sense attitude to approach life, love and relationships. Naturally this will make you
