Witchcraft, Witches, and Violence in Ghana - Mensah Adinkrah 2015-08-01

Witchcraft violence is a feature of many contemporary African societies. In Ghana, belief in witchcraft and the malignant activities of putative witches is prevalent. Purported witches are blamed for all manner of adversities including inexplicable illnesses and untimely deaths. As in other historical periods and other societies, in contemporary Ghana, alleged witches are typically female, elderly, poor, and marginalized. Childhood socialization in homes and schools, exposure to mass

media, and other institutional mechanisms ensure that witchcraft beliefs are transmitted across generations and entrenched over time. This book provides a detailed account of Ghanaian witchcraft beliefs and practices and their role in fueling violent attacks on alleged witches by aggrieved individuals and vigilante groups.

The Great Book of Witchcraft - Bram Stoker 2023-11-08

DigiCat presents to you this unique collection of books about witchcraft, witch trials, magic, sorcery legends, supernatural, demonology and occult practice: Introduction:

Queering Sexual Violence -
Jennifer Patterson 2016-04-22
Often pushed to the margins,
queer, transgender and gender
non-conforming survivors have
been organizing in anti-
violence work since the birth of
the movement. *Queering
Sexual Violence: Radical Voices
from Within the Anti-Violence
Movement* locates them at the
center of the anti-violence
movement and creates a space
for their voices to be heard.
Moving beyond dominant
narratives and the traditional
“violence against women”
framework, the book is multi-
gendered, multi-racial and
multi-layered. This thirty-seven
piece collection disrupts the
mainstream conversations

about sexual violence and connects them to disability justice, sex worker rights, healing justice, racial justice, gender self-determination, queer & trans liberation and prison industrial complex abolition through reflections, personal narrative, and strategies for resistance and healing. Where systems, institutions, families, communities and partners have failed them, this collection lifts them up, honors a multitude of lived experiences and shares the radical work that is being done outside mainstream anti-violence and the non-profit industrial complex.

Birds With Broken Wings -

Samuel D. G. Heath 2005-09

A lovely bookstore owner asked me why she should read this book? I explained that in writing this book, I undertook a purposeful investigation leading where angels (and all good Baptists) fear to tread. It was during this attempt at explanation the picture formed in my mind of addressing an auditorium full of women. My opening remark to them is:

"Women hunger and thirst for romance. What is it that men want?" The entire audience responds with a resounding chorus in unison with one word: 'SEX!' I then ask: 'No, really ladies, what do men really want?' Again, with a single voice the chorus returns, loudly: 'SEX!' Seeing that I am getting nowhere fast I decide to try a new tack. I ask: 'Please, ladies, as a Romantic, a Poet, what do I, as a man, want?' Back it comes: 'SEX!' There is a definite mind set at work here. Okay, honestly, as a Romantic, a Poet, what do I want from a woman: SEX! Satisfied? But my admission of common guilt is only true to a point. Believe it or not, ladies, some men like myself want romance as much as you do. It is in searching for this elusive thing that I have discovered so much that betrays you ladies in the very areas you are supposed to excel in the romance department. I treat the causes and results of such betrayal in this book.

Lewd Women and Wicked Witches - Marianne Hester 2003-10-04

In the sixteenth century and seventeenth centuries it was women who were almost exclusively persecuted as witches. However, the witch craze has been subjected to surprisingly little feminist analysis. In Lewd Women and Wicked Witches, Marianne Hester reviews and develops revolutionary feminist thinking. Accordingly, she shows how witches can be seen as victims

of the oppression of a male dominated society. Concentrating on English source material, the author shows how witch-hunts may be seen as an historically specific example of male dominance. Relying on an eroticised construct of women's inferiority, they were part of the ongoing attempt by men to maintain their power over women.

Witchcraft Myths in American Culture - Marion Gibson 2012-08-21

A fascinating examination of how Americans think about and write about witches, from the 'real' witches tried and sometimes executed in early New England to modern re-imaginings of witches as pagan priestesses, comic-strip heroines and feminist icons. The first half of the book is a thorough re-reading of the original documents describing witchcraft prosecutions from 1640-1700 and a re-thinking of these sources as far less coherent and trustworthy than most historians have considered them to be. The

second half of the book examines how these historical narratives have transformed into myths of witchcraft still current in American society, writing and visual culture. The discussion includes references to everything from Increase Mather and Edgar Allan Poe to Joss Whedon (the writer/director of Buffy the Vampire Slayer, which includes a Wiccan character) and The Blair Witch Project.

Rise of the Witch - C Rochelle
2021-03-17

****WARNING: THIS BOOK CONTAINS A CLIFFHANGER****

As with most beginnings, it started with death. When I had nothing left to lose, I traveled to the hut in the woods; the one no one dared approach. The witch who lived there recognized the darkness in my soul and took me under her wing-to witness her reign of terror firsthand and eventually, to inherit her legacy as my own. Now I'm the monster they fear; the one humans avoid at all costs. In this welcome isolation, I've attempted to forget my past and the future

that was taken from me. Until three men appear, somehow able to break through my protective wards and see me in my true form. While resistant to their intrusion, I recognize they may be the ones I've been waiting for-the ones I need to ascend to my full power. Too bad I would rather grind their bones than invite them in. But something is mysteriously devouring the forest, and I suspect the threat may be the same one I barely escaped many moons ago. If it is, he will find me a more worthy opponent than the last time we met. I am the Yaga and I may be broken, but my edges are sharp. -- The Yaga's Riders is based on the folklore of Baba Yaga, with creative liberties taken. The Rise of the Witch is the first book in a steamy, paranormal romance saga featuring alphaholes, mysterious forces in magical woods, and a slightly frightening heroine who never has to choose just one man. M/MFM Multiple POV This series is meant for readers 18 and over. Beware: Cliffys

ahead! Possible triggers:
Sweary dialogue Graphic sex,
including kink and various
edgeplay Gore and violence

The Modern Craft - Alice
Tarbuck 2022-06-14

Galvanizing and electrifying
glimpses from the brink of the
contemporary Craft This
eclectic collection of essays on
responsible witchcraft is a
fascinating snapshot of
contemporary occult practice.
Essay topics include the ethics
of decolonization, meditations
on what it means to honour
Mother Earth during the
Anthropocene, the reclamation
of agency for working-class and
queer witches through
practical spellwork, a gender-
fluid perspective on breaking
down traditional hierarchies in
magical symbolism, a day in
the life of a disabled Pagan
Irish practitioner, and so much
more. These essays show how
we can all find inspiration and
a force for powerful change in
the modern Craft. Featuring

contributions from: Claire
Askew, Lisa Marie Basile,
Stella Hervey Birrell, Jane
Claire Bradley, Madelyn
Burnhope, Lilith Dorsey, AW
Earl, Harry Josephine Giles,
Simone Kotva, Iona Lee, Briana
Pegado, Megan Rudden,
Sabrina Scott, Em Still and
Alice Tarbuck

Small Town Witch - Kristen S.
Walker 2013-05-01

From author Kristen S. Walker
comes a young adult urban
fantasy about family and
coming of age. She wanted her
freedom. Her mother wanted to
keep her safe. But if her
mother is the more powerful
witch, how can Rosa ever
break free? Teen witch Rosa
thought she had a happy
family. But after her mother
convinces her that sixteen is
too young to start dating, she's
not so sure. Why does Mom
win every argument when Rosa
fights for her independence?
Why do her father and sister
listen to Mom's opinions on
everything? Maybe they give
up too easily, or there's
something more sinister at
work. As she investigates her

own house, Rosa finds hidden spells everywhere, each one with creepy powers. Her mother sees nothing wrong with invading their privacy, from tracking their movements to reading private diaries.

That's dangerous when Rosa has a secret she's afraid to tell—she's bisexual. But when Rosa tries to confront her mother, her own mind betrays her. To break the spells, Rosa will need help from her friends, both magical and human, along with her strange Fae mentor. But if she learns the truth, will her mother's dark secrets tear her family apart? *Small Town Witch* is the first book in an urban fantasy series for teens. If you like teen witches, sarcastic Fae, and family drama, then you'll enjoy Kristen S. Walker's stories of fantasy that takes flight. Rated PG for mild violence. Contains no sex or swearing. LGBTQ characters.

Television's Outlander -

Mary Ellen Snodgrass

2021-05-11

Over its five seasons on the air, the televised series *Outlander*

has combined romance, adventure, history, and time travel into a classic saga of love, war, and the ties that bind family together. After surviving the 1746 uprising of the Scottish Highlanders, the intrigue-ridden Paris of Charles Stuart, and a sea voyage across the Caribbean, Claire and Jamie Fraser finally settle in the mountains of North Carolina. There, they build a community of immigrant farmers who continue to struggle for justice, democracy, and independence from British colonialism. This companion volume offers detailed information on more than 125 topics including characters, themes, places, events, actors, herbalism, and historical chronology. For fans and scholars alike, it separates fact from fiction and aids in understanding the effects of the 1746 Jacobite uprising on the formation of the United States.

A Witch's Craft, Volume 2: A Witch's Book of

Correspondences is a book of tables for all of the correspondences a Witch will use in their Craft work. *A Witch's Craft, Volume 1: Dictionary for a Witch's Grimoire* completes the set with all of the terminology, symbols, and cross-referenced correspondences a Witch will ever use.

Witch, Warlock, and

Magician - William Henry Davenport Adams 2019-09-25
Reproduction of the original: *Witch, Warlock, and Magician* by William Henry Davenport Adams

Sex and Violence - Amanda Close 2014-01-28

This is an anthology of savage erotic romance... tales of sex and violence, in which the

leading women are depicted as empowered sex objects, capable of being used & abused while aggressively seeking their own pleasure, power, and triumph. They are warriors, witches, concubines, and gods, weaving their way through epic worlds of science fiction, fantasy, and myth.

Words: 33,891 Warning: These are savage tales of graphic sex & violence, and is not suitable for someone under 18 years of age. Read at your own risk. THRILL KILL

THREESOME - Gretchen, Fitz, and Ronnie are a gang of zombie apocalypse survivors in a souped up hotrod searching for a dose of sex and violence on the open road. TAKEN BY MEDUSA - In a world of epic sex and epic adventure beautiful Calisto, a sacred

concubine of Aphrodite, sets out on a journey to kill the mythical beast known as Medusa. BREAKING THE WITCH - In a world of primal magick a young battle witch must pass three intensely sexual trials, and only then can her training with her new master begin. VESSEL OF THE BLOOD GOD - After a steamy encounter with a beautiful porn star is drawn into a shadow world of ancient magic, human sacrifice, and a hungry god that beckons to her from deep in the heart of the jungle. BODY SHRINE - Cassandra, a lone wasteland warrior with the ability to control life-force energy through sex, must use all of her talents as a lover and a fighter in an attempt to rescue the daughter of a handsome stranger.
