Restaging the Past - Angela Bartie 2020-08-17

Restaging the Past is the first edited collection devoted to the study of historical pageants in Britain, ranging from their Edwardian origins to the present day. Across Britain in the twentieth century, people succumbed to 'pageant fever'. Thousands dressed up in historical costumes and performed scenes from the history of the places where they lived, and hundreds of thousands more watched them. These pageants were one of the most significant aspects of popular engagement with the past between the 1900s

and the 1970s: they took place in large cities, small towns and tiny villages, and engaged a whole range of different organised groups, including Women's Institutes, political parties, schools, churches and youth organisations. Pageants were community events, bringing large numbers of people together in a shared celebration and performance of the past; they also involved many prominent novelists, professional historians and other writers, as well as featuring repeatedly in popular and highbrow literature. Although the pageant tradition has

largely died out, it deserves to be acknowledged as a key aspect of community history during a period of great social and political change. Indeed, as this book shows, some traces of 'pageant fever' remain in evidence today.

A History of Matrimonial Institutions -

George Elliott Howard 2020-07-26

Reproduction of the original: A History of Matrimonial Institutions by George Elliott Howard

The Little Bird Who Found Herself - Edwin M. McMahon 2010-05-01

A bird learns to love her own personal chirp.
Ignatius of Loyola - Karl Rahner 1979

Quiet - Susan Cain 2012-03-29

SUSAN CAIN'S NEW BOOK, BITTERSWEET, IS AVAILABLE TO PRE-ORDER NOW A SUNDAY TIMES AND NEW YORK TIMES BESTSELLER, THIS BOOK WILL CHANGE HOW YOU SEE INTROVERTS - AND YOURSELF - FOREVER. Our lives are driven by a fact that most of us

can't name and don't understand. It defines who our friends and lovers are, which careers we choose, and whether we blush when we're embarrassed. That fact is whether we're an introvert or an extrovert. The most fundamental dimension of personality, at least a third of us are introverts, and yet shyness, sensitivity and seriousness are often seen as a negative. Some of the world's most talented people are introverts - without them we wouldn't have the Apple computer, the theory of relativity and Van Gogh's sunflowers. In Quiet, Susan Cain shows how society misunderstands and undervalues introverts while giving them the tools to better understand themselves and take full advantage of their strengths. Passionately argued, superbly researched, and filled with real stories, whether an introvert or extrovert, this book will change how you see human beings for good. ***** 'I can't get Quiet out of my head. It is an important book - so persuasive and timely and heartfelt it should inevitably effect change in schools and

offices' Jon Ronson, The Guardian 'Susan Cain's Quiet has sparked a quiet revolution . . . Perhaps rather than sitting back and asking people to speak up, managers and company leaders might lean forward and listen' Megan Walsh, The Times 'Maybe the extrovert ideal is no longer as powerful as it was; perhaps it is time we all stopped to listen to the still, small voice of calm' Daisy Goodwin, The Sunday Times
Stick a Flag in It - Arran Lomas 2020-10-01
From the Norman Invasion in 1066 to the eve of the First World War, *Stick a Flag in It* is a thousand-year jocular journey through the history of Britain and its global empire. The British people have always been eccentric, occasionally ingenious and, sure, sometimes unhinged - from mad monarchs to mass-murdering lepers. Here, Arran Lomas shows us how they harnessed those traits to forge the British nation, and indeed the world, we know today. Follow history's greatest adventurers from the swashbuckling waters of the Caribbean

to the vast white wasteland of the Antarctic wilderness, like the British spy who infiltrated a top-secret Indian brothel and the priest who hid inside a wall but forgot to bring a packed lunch. At the very least you'll discover Henry VIII's favourite arse-wipe, whether the flying alchemist ever made it from Scotland to France, and the connection between Victorian coffee houses and dildos. Forget what you were taught in school - this is history like you've never heard it before, full of captivating historical quirks that will make you laugh out loud and scratch your head in disbelief.

Fictional and Historical Worlds - J. Hart
2012-01-30

Examines possible and fictional worlds, author and authority, otherness and recognition, translation, alternative critique, empire, education, imagination, comedy, history, poetry, and culture. The analyzed works include classical and modern texts and theorists of the past sixty years ranging from Jerome Bruner to

Stephen Greenblatt.

Thank God for Evolution - Michael Dowd

2008-06-19

Few issues have revealed deeper divisions in our society than the debate between creationism and evolution, between religion and science. Yet from the fray, Reverend Michael Dowd has emerged as a reconciler, finding faith strengthened by the power of reason. With evidence from contemporary astrophysics, geology, biology, anthropology, and evolutionary psychology, *Thank God for Evolution* lays out a compelling argument for how religion and science can be mutually enriching forces in our lives. Praised by Nobel laureates in the scientific community and religious leaders alike, *Thank God for Evolution* will expand the horizon of what is possible for self, for relationships, and for our world.

Fruitful Embraces - Evelyn E. & James D.

Whitehead 2014-09-10

Sexuality and justice often seem odd bedfellows.

Sexual embraces of intimacy and passion thrive in our private lives, while justice safeguards the laws and duties that govern the public realm. Yet intuitively, we sense there are deeper connections. Both sexuality and justice support the holistic ideal proclaimed by the early Christian writer Irenaeus: the glory of God is the human person fully alive. Evelyn and James Whitehead combine professional expertise as a psychologist and historian of religion as well as personal experiences and extensive research to explore the interplay of sexuality, love, and justice on the spiritual journey today. While drawing on biblical themes and contemporary psychological insight, the Whiteheads examine modern experiences of attachment and vulnerability, marriage and friendship, compassion and sexual diversity, and the psychological and spiritual experiences of transgender persons—a new and often bewildering consideration for many Christians. Included is a reflection on a prophetic Christian

ministry in support of sexuality and justice that illustrates the importance of moral awareness and sensual attunement to the world. Fruitful Embraces utilizes Christian theology and effective pastoral ministry to explore the vital connections between sexuality and Christian spirituality and links between compassion and justice that will encourage anyone on a spiritual journey to open their hearts and minds to the extravagant diversity of creation.

The Diary of Jesus Christ - Cain, SJ, Bill
2021-03-17

"The Diary of Jesus Christ is a bold attempt to understand the person whom in excess of two billion people claim as their savior. These entries are not a gospel; they are something far more personal-not a third-, but a first-person account of the life of Jesus Christ"--

Vietnamese-American Catholics - Peter C. Phan
2005

"With the first book in this new series from Paulist Press, Fr. Peter C. Phan presents the

history of Christianity in Vietnam, the conditions of Vietnamese Catholics in America, the challenges facing Vietnamese-American Catholics today, and suggestions on how to meet them."--BOOK JACKET.

Burning Bright - Diana Dethloff 2015-09-11
This book celebrates the work and career of the internationally renowned art historian, David Bindman, on the occasion of his 75th birthday, and is above all a tribute to him from his former students and colleagues.

Holy Eros - James D. Whitehead 2008-12
Eros is the passionate energy that makes us one with the beautiful other, with a leper, with the world of nature waiting to be embraced and cared for, with our neighbor, the stranger, with God. The Whiteheads explore this vital energy of love as the gift of a Creator madly in love with his creation a God who would bring us to life in abundance if we only say "Yes." They discuss Eros in the movements of our sexuality, as well as in our arousals of compassion and care. They

examine the Eros of pleasure and of generosity. They honor the Eros of hope, of anger, of suffering. They reveal that Eros has a Source far deeper than lust, and is a pathway to a passionate God. Holy Eros recovers this fundamental energy of love as a powerful resource in the revitalization of Christian spirituality. Unlike most books on the topic it eschews easy clichés. Its reader benefit is to understand and appreciate an energy that can heal as well as hinder and to tap into its positive force.

The Jewish Tradition - Elliot N. Dorff 1996

Fruitful Embraces - Evelyn E. & James D.

Whitehead 2014-09-10

Sexuality and justice often seem odd bedfellows. Sexual embraces of intimacy and passion thrive in our private lives, while justice safeguards the laws and duties that govern the public realm. Yet intuitively, we sense there are deeper connections. Both sexuality and justice support

the holistic ideal proclaimed by the early Christian writer Irenaeus: the glory of God is the human person fully alive. Evelyn and James Whitehead combine professional expertise as a psychologist and historian of religion as well as personal experiences and extensive research to explore the interplay of sexuality, love, and justice on the spiritual journey today. While drawing on biblical themes and contemporary psychological insight, the Whiteheads examine modern experiences of attachment and vulnerability, marriage and friendship, compassion and sexual diversity, and the psychological and spiritual experiences of transgender persons—a new and often bewildering consideration for many Christians. Included is a reflection on a prophetic Christian ministry in support of sexuality and justice that illustrates the importance of moral awareness and sensual attunement to the world. *Fruitful Embraces* utilizes Christian theology and effective pastoral ministry to explore the vital

connections between sexuality and Christian spirituality and links between compassion and justice that will encourage anyone on a spiritual journey to open their hearts and minds to the extravagant diversity of creation.

Companion to Women's and Gender Studies

- Nancy A. Naples 2020-06-08

A comprehensive overview of the interdisciplinary field of Women's and Gender Studies, featuring original contributions from leading experts from around the world The Companion to Women's and Gender Studies is a comprehensive resource for students and scholars alike, exploring the central concepts, theories, themes, debates, and events in this dynamic field. Contributions from leading scholars and researchers cover a wide range of topics while providing diverse international, postcolonial, intersectional, and interdisciplinary insights. In-depth yet accessible chapters discuss the social construction and reproduction of gender and inequalities in various cultural,

social-economic, and political contexts.

Thematically-organized chapters explore the development of Women's and Gender Studies as an academic discipline, changes in the field, research directions, and significant scholarship in specific, interrelated disciplines such as science, health, psychology, and economics. Original essays offer fresh perspectives on the mechanisms by which gender intersects with other systems of power and privilege, the relation of androcentric approaches to science and gender bias in research, how feminist activists use media to challenge misrepresentations and inequalities, disparity between men and women in the labor market, how social movements continue to change Women's and Gender Studies, and more. Filling a significant gap in contemporary literature in the field, this volume: Features a broad interdisciplinary and international range of essays Engages with both individual and collective approaches to agency and resistance

Addresses topics of intense current interest and debate such as transgender movements, gender-based violence, and gender discrimination policy. Includes an overview of shifts in naming, theoretical approaches, and central topics in contemporary Women's and Gender Studies. Companion to Women's and Gender Studies is an ideal text for instructors teaching courses in gender, sexuality, and feminist studies, or related disciplines such as psychology, history, education, political science, sociology, and cultural studies, as well as practitioners and policy makers working on issues related to gender and sexuality.

Return to the Root - Joyce Rupp 2021-10

For more than a decade, bestselling author and international retreat leader Joyce Rupp has written a monthly newsletter offering personal reflections and inspiration from her heart to ours. In Return to the Root, Rupp expands on the best of those reflections to invite all of us who feel overwhelmed by busyness, cut off from the

Divine, or adrift in the world to stand still.

Through the reflections, new prayers, and poems, she guides us to see the essential--both what is the root of our lives and what keeps us rooted--so that we can keep a sense of peace no matter the events of the world around us.

An Introduction to Catholic Social Thought -

Michael P. Hornsby-Smith 2006-11-09

An overview of Catholic social thought, both official and non-official, particularly in recent decades, first published in 2006.

Reenvisioning Sexual Ethics - Karen Peterson-Iyer 2022

In Reenvisioning Sexual Ethics, Karen Peterson-Iyer's profound feminist Christian reframing of sexuality examines contemporary social practices and ethical sex, facilitating meaningful discussion about sexual agency and flourishing.
