

# Captive Lolitas Tales Of Sex Violence Murder And Love

*Cue* - 1966

## **VideoHound's Golden Movie Retriever 1999**

- Martin Connors 1999

This comprehensive guide contains the most extensive listing of movies available on video--with 1,000 new movies, added categories, and more--plus a multitude of cross-referencing within its 13 primary indexes.

[The Book of Evidence](#), [The Sea](#) - John Banville  
2015-04-21

Two essential novels from one of the most imaginative writers of our time: a Booker Prize winner about the unpredictable power of

memory and an unforgettable literary mystery short-listed for the Booker prize. *The Book of Evidence* is a brilliantly disturbing portrait of an improbable murderer. Freddie Montgomery is an aimless, eccentric, and highly cultured man whose arrest for the murder of a servant girl prompts him to offer the reader an extended testimony. However, the evidence Freddie offers is not of his innocence, but of his life—of the circumstances that led to and (in his chillingly amoral mind) justified his grisly crime.

Hauntingly reminiscent of Camus, Dostoevsky, and Nabokov, *The Book of Evidence* is among the most darkly compelling novels in

international literature. The Sea follows retired art historian Max Morden to the seaside town where he spent his childhood summers. Max is grieving the loss of his wife, Anna, but returning to the seaside brings back intense memories of the wealthy and mysterious family in whose presence he had first learned about love and loss. Banville's exploration of the unpredictable power of memory—a force as treacherous as the sea that pulses through the story. What Max comes to understand about the past, and about its indelible effects on him—is at the center of this elegiac, vividly dramatic, beautifully written novel.

**Girls of Paper and Fire** - Natasha Ngan

2018-11-06

Uncover a riveting story of palace intrigue set in a sumptuous Asian-inspired fantasy world in the breakout YA novel that Publisher's Weekly calls "elegant and adrenaline-soaked." In this richly developed fantasy, Lei is a member of the Paper caste, the lowest and most persecuted class of

people in Ikhara. She lives in a remote village with her father, where the decade-old trauma of watching her mother snatched by royal guards for an unknown fate still haunts her. Now, the guards are back and this time it's Lei they're after -- the girl with the golden eyes whose rumored beauty has piqued the king's interest. Over weeks of training in the opulent but oppressive palace, Lei and eight other girls learn the skills and charm that befit a king's consort. There, she does the unthinkable: she falls in love. Her forbidden romance becomes enmeshed with an explosive plot that threatens her world's entire way of life. Lei, still the wide-eyed country girl at heart, must decide how far she's willing to go for justice and revenge.

**Videohound's Golden Movie Retriever** - Jim Craddock 2006

Describes and rates more than twenty thousand videos, and provides indexes by theme, awards, actors, actresses, and directors.

*New York Magazine* - 1987-04-06

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

*The Best American Noir of the Century* - James Ellroy 2011

Collects the best noir writing from 1910 to 2010, including works by James M. Cain, Joyce Carol Oates, Elmore Leonard, Dennis Lehane, Evan Hunter, Mickey Spillane, Patricia Highsmith, and William Gay.

**Luckiest Girl Alive** - Jessica Knoll 2015-09-08  
 "In a riveting debut novel that reads like Prep meets *Gone Girl*, a young woman is determined to create the perfect life--husband, home, and

career--until a violent incident from her past threatens to unravel everything and expose her most shocking secret of all. Twenty-eight-year-old New Yorker Ani FaNelli seems to have it all: she's a rising star at *The Women's Magazine*, impossibly fit, perfectly groomed, and about to marry Luke Harrison, a handsome blueblood. But behind that veneer of perfection lies a vulnerability that Ani holds close and buries deep--a very violent and public trauma from her past that has left her constantly trying to reinvent herself. And only she knows how far she would go to keep her secrets safe. When a documentary producer invites Ani to tell her side of the chilling incident that took place when she was a teenager at the prestigious Bradley School, she hopes it will be an opportunity for public vindication. Armed with the trappings of success--expensive clothes, high-powered byline, a massive engagement ring--she is determined to silence the whispers of suspicion and blame from her past, and prove once and for all how far

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
 2020-07-07 by guest

she's come since Bradley. She'll even let them film her lavish wedding on Nantucket, the final step in her transformation. But perfection doesn't come without cost. As the wedding and filming converge, Ani's meticulously crafted facade begins to buckle and crack--until an explosive revelation offers her a final chance at redemption, even as it rocks her picture-perfect world. Equal parts glitz and darkness, and with a singular voice and twisting plot, Luckiest Girl Alive reads like Sex & the City--if Carrie Bradshaw had a closet full of skeletons instead of shoes. In Ani FaNelli, Jessica Knoll has created a complex and vulnerable heroine who you'll be rooting for to the very last page"--

**The Annotated Lolita** - Vladimir Nabokov 2000  
An annotated edition of Lolita, first published in 1970 with a revised edition in 1991. The novel which first established Nabokov's reputation with a large audience is a comic satire on sex and the American ways of life. It focuses on the love of a middle-aged European for an American

nymphet.

*Cruel Poetry* - Vicki Hendricks 2015-07-25

A novel. Erotic, drug-ridden and violent, the story of Renata and her male and female lovers takes the reader into the heart of South Beach, Miami, where no one is surprised to find a friendly python or a "torture box" in the line of work for a hooker. Her search for love is strewn with body parts, but not through evil intent. Mystery Writers of America Edgar Award Finalist, 2008, published by Serpent's Tail, U.K. 2007.

New York Magazine - 1993-04-19

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself,

while celebrating New York as both a place and an idea.

**New York Magazine** - 1990-07-02

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**The Enchanter** - Vladimir Nabokov 2013-10-03  
Nabokov described this novella, written in Paris in 1939 but only published twenty years later, as 'the first little throb of Lolita'. The plot is similar: a middle-aged man wedding an unattractive widow in order to indulge his paedophilic obsession with her daughter. However, The Enchanter has an utterly different atmosphere,

as time, place and even names remain a mystery. Nabokov transforms his protagonist's attempts to lull his twelve-year-old step-daughter into a state of 'enchantment' into a graceful, chilling fairytale.

**Vladimir Nabokov's Lolita** - Ellen Pifer 2003  
Eight reprinted essays, mostly from the 1990s, examine various facets of the Russian exile's 1955 novel that has raised literary, legal, and religious hackles since it was first published. Also included is a 1967 interview with Nabokov by Herbert Gold. There is no index. Annotation copyrighted by Book News, Inc., Portland, OR.  
**DVD & Video Guide 2005** - Mick Martin 2004  
Wondering what video to rent tonight? This bestselling, fact-packed guide is the only sourcebook you and your family will ever need. Mick Martin and Marsha Porter steer you toward the winners and warn you about the losers. DVD & Video Guide 2004 covers it all—more films than any other guide, plus your favorite serials, B-Westerns, made-for-TV

*Downloaded from

movies, and old television programs! Each entry, conveniently alphabetized for easy access, includes a summary, fresh commentary, the director, major cast members, the year of release, and the MPAA rating, plus a reliable Martin and Porter rating-from Five Stars to Turkey-so you'll never get caught with a clunker again!

*Seen That, Now What?* - Andrea Shaw  
1996-04-09

You've never used a video guide like this before. You loved Chariots of Fire and you want to see something like it. Where do you start? Look up Chariots of Fire in the index, and find it in Drama. There you'll see it listed under White Flannel Films: Welcome to the glory days of the British empire when the ruling class rode horses on large country estates, servants were in plentiful supply, and only an adulterous lover questioned the status quo. As in other costume dramas, the period details are celebrations of all that was brilliant and luxurious, with the camera

sweeping over British, Indian, or African countryscapes and exquisite turn-of-the-century interiors. But all this lush upholstery doesn't cover up the intelligent, thoughtful stories -- usually based on Lawrence, Forster, and Waugh novels -- played by stellar British actors. In White Flannel Films there are concise, witty reviews of select movies like A Room with a View A Passage to India Heat and Dust The Shooting Party Out of Africa White Mischief and more There is also a unique ratings system that helps you distinguish the bombs from the sleepers. But the key is that all these films offer the same kind of viewing experience -- if you like one, chances are good you'll like the others, too. Seen That, Now What? is your own personal video genius, who knows everything about movies and exactly what you like to watch.

[Ada, or Ardor](#) - Vladimir Nabokov 2011-02-16  
Published two weeks after his seventieth birthday, *Ada, or Ardor* is one of Nabokov's greatest masterpieces, the glorious culmination

*Downloaded from*  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2020-07-07 by guest

of his career as a novelist. It tells a love story troubled by incest. It is also at once a fairy tale, epic, philosophical treatise on the nature of time, parody of the history of the novel, and erotic catalogue. *Ada, or Ardor* is no less than the supreme work of an imagination at white heat. This is the first American edition to include the extensive and ingeniously sardonic appendix by the author, written under the anagrammatic pseudonym Vivian Darkbloom.

TV Guide - 2007

**New York Magazine** - 1990-09-10

New York magazine was born in 1968 after a run

as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Lo's Diary - Pia Pera 2000-12-12

Now in paperback comes Pia Pera's bestselling answer to "Lolita", where the novel is told not from the point of view of the seducer, Humbert Humbert, but of the young girl herself.
