Dave Barry's History of the Millennium (So Far) Dave Barry 2007-09-17 A brilliantly funny look at the tumultuous recent past from the Pulitzer Prize-winning humorist. Remember when everything was going to go to hell when Y2K struck? That didn't happen. Right? But what did happen? To provide a little perspective on a really messed-up millennium (so far), the one and only Dave Barry slips into his historian's robe (it's plush terrycloth) and revisits the defining moments in our country's recent history, from the Bush years to-jeez, it's still the Bush years! As an added bonus, Barry quickly "we're busy here" tosses in the complete history of the last millennium, covering crucial turning points such as the invention of the pizza by Leonardo da Vinci and the computer by Charles Babbage (who died in 1871 still waiting to talk to tech support). Fellow Americans, the time has come to bone up with Barry as he puts the hysterical in history.

Tricky Business Dave Barry 2003-10-07 The Extravaganza of the Seas is a five-thousand-ton cash cow, a top-heavy tub whose sole function is to carry gamblers three miles from the Florida coast, take their money, then bring them back so they can find more money. In the middle of a tropical storm one night, these characters are among the passengers it carries: Fay Benton, a single mom and cocktail waitress desperate for something to go right for once; Johnny and the Contusions, a ship's band with so little talent they are . . . well, the ship's band; Arnold and Phil, two refugees from the Beaux Arts Senior Center; Lou Tarant, a wide, bald man who has killed nine people, though none recently; and an assortment of uglies whose job it is to facilitate the ship's true business, which is money-laundering or drug-smuggling or . . . something.

Merry Wives and Others Penelope Fritzer 2010-06-28 In many ways, the history of domestic humor writing is also a history of domestic life in the twentieth century. For many years, domestic humor was written primarily by females; significant contributions from male writers began as times and family structures changed. It remains timeless because of its basis on the relationships between husbands and wives, parents and children, houses and inhabitants, pets and their owners, chores and their doers, and neighbors. This work is a historical and literary survey of humorists who wrote about home. It begins with a chapter on the social context of and attitudes toward traditional domestic roles and housewives. The following chapters, beginning with the 1920s and continuing through today, cover the different time periods and the foremost American domestic humorists, and the humor written by surrogate parents, grown children about their childhood families, husbands, and Canadian and English writers. Also covered are the differences among various writers toward traditional domestic roles--some, like Erma Bombeck and Judith Viorst, embraced them, while others, like Caryl Kristenson and Marilyn Kentz, resisted them. Common themes, such as the isolation and competitiveness of housework, home as an idealized metaphysical goal and ongoing physical challenge, and the urban, suburban, and rural life, are also explored.

Dave Barry's Gift Guide to End All Gift Guides Dave Barry 1994 The humorist presents a selection of more than fifty one-of-a-kind gifts for the discriminating individual, furnishing vendor names, prices, and addresses for such treasures as elephant-print Republican pants and a capsule of rodent bones regurgitated by an owl.

Dave Barry's Guide to Marriage and/or Sex Dave Barry 2000-01-15 No book can guarantee you a long and happy relationship, even if the author didn't know about your secret hygiene problem. But the cover of a book is no place to discuss that. In Dave Barry's Guide to Marriage and/or Sex, one of America's most beloved writers turns his keen, if somewhat rheumy, eye to the institution of marriage. Dating. "These are nonstereotypical times we live in, by which I mean that it is the responsibility of the woman to think up excuses that get progressively more obvious until the man figures out that the woman would rather chew on a rat pancreas." Sex. "I'm afraid that we must talk here about sex in a very explicit manner, because we want to expand the Frontiers of Human Understanding, and also we want to sell as many books as possible to adolescent boys." Marriage. "Most squabbles start with money. For example, you want to buy food, while your spouse wants to buy a thoroughbred racehorse. It's important, in these situations, for both of you to be willing to sit down and try to achieve a workable compromise. In this case, you could buy a thoroughbred racehorse and eat it."

You Can Date Boys When You're Forty Dave Barry 2014-03-04 A brilliantly funny exploration of the twin mysteries of parenthood and families from the Pulitzer Prize winner and New York Times-bestselling author of Insane City. In his New York Times-bestselling I'll Mature When I'm Dead, Dave Barry embarked on the treacherous seas of adulthood, to hilarious results. What comes next? Parenthood, of course, and families. In uproarious, brand-new pieces, Barry tackles everything from family trips, bat mitzvah parties and dating (he's serious about that title: "When my daughter can legally commence dating—February 24, 2040—I intend to monitor her closely, even if I am deceased") to funeral instructions ("I would like my eulogy to be given by William Shatner"), the differences between male and female friendships, the deeper meaning of Fifty Shades of Grey, and a father's ultimate sacrifice: accompanying his daughter to a Justin Bieber concert ("It turns out that the noise teenaged girls make to express happiness is the same noise they would make if their feet were being gnawed off by badgers"). Let's face it: families not only enrich our lives every day, they drive us completely around the bend. Thank goodness we have Dave Barry as our guide!

Lunatics Dave Barry 2012-01-10 Philip Horkman is a happy man, the owner of a pet store called The Wine Shop, and on Sundays a referee for a local kids' soccer league. Jeffrey Peckerman is the proud and loving father of a star athlete in the girls' ten-and-under soccer league, and he's not exactly happy with the ref. The two of them are about to collide in a swiftly escalating series of events that will send them running for their lives,

pursued by the police, soldiers, subversives, bears, revolutionaries, pirates, and a black ops team that does not exist. Where all that takes them you can't even begin to guess, but the literary journey there is a masterpiece of inspiration, chaos, and unadulterated, well, lunacy. And they might even learn a lesson or two along the way.

Dave Barry Slept Here Dave Barry 2010-07-28 "What caused the American Revolution? This is indeed a rhetorical question that for many years historians have begun chapters with. As well they should. For the American Revolution is without a doubt the single most important historical event to occur in this nation except of course for Super Bowl III (Jets 16. Colts 7. This historian won \$35)." So goes the skewed sensibility, the muddled mind, the bent pen of one of America's funniest writers, Dave Barry. This time his subject is U.S. history, the way it's never been told before. Every single momentous event and crucial moment is covered, including . . . • The Birthing Contractions of a Nation • Kicking Some British Butt • Barging Westward • The Forging of a Large, Wasteful Bureaucracy • Deep Economic Doo-doo • The Fifties: Peace, Prosperity, Brain Death . . . and right up through the scintillating Reagan-Bush years, during which, Mr. Barry notes, America is steadfastly Napping Toward Glory. If you love to laugh, if you love your country, if you are unaware that "the Sixth Amendment states that if you are accused of a crime, you have a right to a trial before a jury of people too stupid to get out of jury duty," Dave Barry Slept Here is the book you've been waiting for since 1776. Or at least since Super Bowl III. Praise for Dave Barry Slept Here "A dazzling performance . . . Barry is brilliant."—The Washington Post Book World "[Dave] Barry turns his formidable wit to the subject of American history, with a result reminiscent of the Reduced Shakespeare Company: The better you know the original, the funnier it gets."—Los Angeles Times "I fear that Mr. Barry's dream of making millions of dollars through mass sales of his book to a captive audience of innocent schoolchildren will not be realized, and he will have to be content with making readers laugh a lot, as this one did."—The New York Times Book Review

Dave Barry Hits Below the Beltway Dave Barry 2011-12-15 Just in time, Dave Barry supplies the wholly original, much needed history and guide to the new American politics and its three capitals, Washington, D.C., Austin, and South Florida. No surprise: it's hilarious. Understanding the urgent need for a deeply thoughtful balanced book to explain our national political process, Dave Barry has not even come close. Though he himself has covered many campaigns, run for President several times, and run for cover at the rainy inauguration of George W. Bush (the man will spare nothing for his art) Barry has instead outdone himself. Below the Beltway includes Barry's stirring account of how the United States was born, including his version of a properly rewritten Declaration (When in the course of human events it behooves us, the people, not to ask "What can our country do for us, anyway?" but rather whether we have anything to fear except fear itself...) and a revised Constitution (Section II: The House of Representatives shall be composed of people who own at least two dark suits and have not been indicted recently.). Dave also cracks the income tax code, explains the growth(s) of government, congressional hearing difficulties, and the persistent rumors of the influence of capital in the Capitol. Among other civic contributions, his tour of Washington, D.C., should end school class trips forever.

The Shepherd, the Angel, and Walter the Christmas Miracle Dog Dave Barry 2008-11-04 One of the warmest, funniest, and most delightful Christmas stories ever—from Pulitzer Prize-winning author Dave Barry. With fond nostalgia, Dave Barry takes readers back to a simpler time: The year is 1960, and young Doug Barnes is playing a shepherd in the Christmas pageant at St. John's Episcopal Church—which is a very big deal. But there are problems everywhere. His fellow shepherds are misbehaving, which makes their director, Mrs. Elkins, yell at all of them; the girl he likes is playing Mary opposite a Joseph who is depressingly smart, athletic, and cute; the family dog is doing very poorly, and they have no idea what they're going to tell Doug's little sister, Becky, who's playing one of the Host of Angels and who loves the dog more than anything; and his dad's just gotten a flat tire, which means they might not even get to the pageant after all. But Christmas is a time of miracles. And for Doug and his family, this will be the most miraculous Christmas of all.

Lessons From Lucy Dave Barry 2020-11-03 In this “little gem” (Washington Independent Review of Books), Pulitzer Prize-winning columnist and New York Times bestselling author Dave Barry learns how to age happily from his old but joyful dog, Lucy. As Dave Barry turns seventy—not happily—he realizes that his dog, Lucy, is dealing with old age far better than he is. She has more friends, fewer worries, and way more fun. So Dave decides to figure out how Lucy manages to stay so happy, to see if he can make his own life happier by doing the things she does (except for drinking from the toilet). He reconnects with old friends and tries to make new ones—which turns out to be a struggle, because Lucy likes people a lot more than he does. And he gets back in touch with two ridiculous but fun groups from his past: the Lawn Rangers, a group of guys who march in parades pushing lawnmowers and twirling brooms (alcohol is involved), and the Rock Bottom Remainers, the world’s oldest and least-talented all-author band. With each new lesson, Dave riffs hilariously on dogs, people, and life in general, while also pondering Deep Questions, such as when it’s okay to lie. (Answer: when scallops are involved.) Lessons From Lucy shows readers a new side to Dave Barry that’s “touching and sentimental, but there’s still a laugh on every page” (The Sacramento Bee). The master humorist has written a witty and affable guide to joyous living at any age.

Homes and Other Black Holes Dave Barry 2010-07-28 "Mr. Barry is the funniest man in America and we should encourage him." --The New York Times Book Review **THERE'S NO PLACE LIKE HOME--EXCEPT IN A SELLER'S MARKET** At long last, Dave Barry, the dean of everything, lets you in on the deepest, darkest mysteries of life and answers your hysterical home purchase questions like they've never been answered before: What's the best way to determine a realistic price range? Take your total family income, including coins that have fallen behind the bureau, and any projected future revenue you have been notified about via personalized letters from Mr. Ed McMahon stating that you may already have won 14 million dollars. Then, multiply by something other than six. Can you recommend a good mortgage? There are several kinds: Fixed Rate, Variable Rate, and the bank's secret weapons, the Party Hat Mortgage and the Mortgage of the Living Dead. How can I avoid spending money on do-it-yourself homeowner's projects? Find a contractor. Their silent motto is "We Never Show Up." The Romans lived among the ruins. You must too. Is there a secret to having a beautiful lawn? Yes and no. If you fail to feed, fertilize, and water your lawn, it will die. However, if you feed, fertilize, and water your lawn, it will die.

Swamp Story Dave Barry 2023-05-02 Pulitzer Prize-winning and New York Times bestselling author—and actual Florida Man—Dave Barry returns with a “hilariously funny” (Steve Martin) caper full of oddballs and more twists and turns than a snake slithering away from a gator. Jesse Braddock is trapped in a tiny cabin deep in the Everglades with her infant daughter and her ex-boyfriend, a wannabe reality TV star who turned out to be a lot prettier on the outside than on the inside. Broke and desperate for a way out, Jesse stumbles across a long-lost treasure, which could solve all her problems—if she can figure out how to keep it. The problem is some very bad men are also looking for the treasure, and they know Jesse has it. Meanwhile, Ken Bortle of Bortle Brothers Bait and Beer has hatched a scheme to lure tourists to his failing store by making viral videos of the “Everglades Melon Monster.” The Monster is, in fact, an unemployed alcoholic newspaperman named Phil wearing a Dora the Explorer costume head. Incredibly, this plan actually works, inspiring a horde of TikTokers to swarm into the swamp in search of the Monster at the same time villains are on the hunt for Jesse’s treasure. Amid this mayhem, a presidential hopeful arrives in the Everglades to start his campaign. Needless to say, it does not go as planned. In fact, nothing in this story goes as planned. This is, after all, Florida.

Dave Barry's Complete Guide to Guys Dave Barry 2010-07-28 "Dave Barry is one funny human." --San Francisco Examiner For thousands of years, women have asked themselves: What is the deal with guys, anyway? What are they thinking? The answer, of course, is: virtually nothing. Deep down inside, guys are extremely shallow. But that has not stopped Dave Barry from writing an entire book about them. If you're a guy--or if you're attempting to share a remote control with one--you need this book, because it deals frankly and semi-thoroughly with such important guy issues as: Scratching The role of guys in world history, including the heretofore-unknown relationship between the discovery of North America and golf Why the average guy can remember who won the 1960 World Series, but not necessarily the names of all his children The Noogie Gene Why guys cannot simultaneously think and look at breasts Secret guy orgasm-delaying techniques, including the Margaret Thatcher Method Why guys prefer to believe that there is no such thing as a prostate And much, much more "Whether you're a guy--or attempting to share a bathroom with one--Barry has some wacky words of wisdom for you." --USA Today

For This We Left Egypt? Dave Barry 2017-03-07 The book you hold before you is no ordinary Haggadah. If you’ve ever suffered through a Seder, you’re well aware of the fact that the entire evening can last as long as the exodus from Egypt itself. There are countless stories, dozens of blessings, and far too many handwashings while the meal turns cold. Now prepare to be entertained by another version of the book that’s responsible for this interminable tradition. With this hilarious parody Haggadah from the comedic minds of Dave Barry, Alan Zweibel, and Adam Mansbach, good Jews everywhere will no longer have to sit (and sleep) through a lengthy and boring Seder. In *For This We Left Egypt?*, the authors will take you through every step of the Seder, from getting rid of all the chametz in your home by setting it on fire with a kosher blowtorch to a retelling of the Passover story starring Pharaoh Schmuck and a burning bush that sounds kind of like Morgan Freeman, set against the backdrop of the Promised Land—which turned out not to be a land of milk and honey but rather one of rocks and venomous scorpions the size of Yorkshire terriers. You then eat a celebratory brisket and wrap up the whole evening by taking at least forty-five minutes to say good-bye to everyone. So gather all the Jews in your life (even the few who don’t appear to be long-suffering) and settle in for a fun way to pass the time while waiting for Elijah to show up.

Contemporary Popular Writers Dave Mote 1997 "Included are authors, both living and dead, who were active in the early 1960s or later and remain popular in the mid-1990s ... representing several fiction and nonfiction categories, including poets, short-story writers, biographers, and other niche authors."--Page xi.

Dave Barry Turns Fifty Dave Barry 1999-08-31 From the Pulitzer Prize-winning journalist comes a celebration of the aging process. Not just Dave's, but that of the whole Baby Boom Generation--those millions of us who set a standard for whining self-absorption that will never be equaled, and who gave birth to such stunning accomplishments as Saturday Night Live!, the New Age movement, and call waiting. Here Dave pinpoints the glaring signs that you've passed the half-century mark: - You are suddenly unable to read anything written in letters smaller than Marlon Brando. - You have accepted the fact that you can't possibly be hip. You don't even know if "hip" is the right word for hip anymore, and you don't care. - You remember nuclear-attack drills at school wherein you practiced protecting yourself by crouching under your desk, which was apparently made out of some kind of atomic-bomb-proof wood. - You can't name the secretary of defense, but you can still sing the Mister Clean song. So pop open a can of Geritol®, kick back in that recliner, grab those reading glasses, and let the good times roll--before they roll right over you!
