Facing the Shadow - Patrick Carnes 2005

Dr. Carnes broke new ground with *Out of the Shadows*. *Facing the Shadows* continued that pioneering spirit as the first book to take techniques used by thousands of people recovering from sex addiction and show, step by step, how to break free of this disease and live a healthier, more fulfilling life. This second edition adds timely material on cybersex and new science about arousal. This work sets the stage for recovery tasks at hand, and then provides practical, easy-to-follow exercises specifically designed to help understand and address them. You'll learn: Why denial is so powerful and what can be done to break through it. How to face the consequences of your behaviors using recovery principles. How to respond to change and crisis due to addiction How to manage life without dysfunctional behavior How spirituality affects recovery What to disclose and to whom How does sex addiction start and what does an addict need to know

Facing Addiction - Patrick Carnes 2011

The indispensable workbook to begin recovery from drugs and alcohol, using Dr. Patrick Carnes' pioneering thirty-task model.

Facing the Shadow [3rd Edition] - Patrick Carnes 2015-12

The groundbreaking book introducing Dr. Patrick Carnes' thirty-task model for treating sexual addiction is now UPDATED and REVISED.

Facing the Shadow [3rd Edition, Spanish] - Patrick Carnes 2023-10

For all addicts, a moment comes when they realize they have a problem. There is sudden clarity--the insight that life has become unmanageable. That moment, however, is fragile. It is easily lost to craving and denial. People struggling with sex addiction find the old refrains creeping back into their thinking: My situation is different. . . . This will all blow over. . . . People are over-reacting to my behavior. Or, This is hopeless. I'm just too perverted to change. "If any of those thoughts occur to you, you are

exactly where you should be," notes Dr. Patrick Carnes in the introduction to *Facing the Shadow*. Starting with those gentle words, he guides readers through a series of reflections and exercises that pierce denial and light the path to healing from sex addiction. *Facing the Shadow*, used by thousands of therapists with their clients, is based on the thirty-task model of recovery from addiction that forms the basis of Carnes's work. This newly revised and expanded edition takes readers through the first seven of those tasks, including specific performables that are built in to the exercises. The model also supports Twelve Step recovery programs. Patrick Carnes, PhD, is a therapist, speaker, trainer, and author whose books include *Out of the Shadows: Understanding Sexual Addiction*, *A Gentle Path Through the Twelve Steps*, *Contrary to Love: Helping the Sexual Addict*, and *Don't Call It Love: Recovery From Sexual Addiction*.

Overcoming Sex Addiction - Thaddeus Birchard 2017-04-21

Overcoming Sex Addiction is an accessible self-help guide which uses the principles of cognitive behaviour therapy to help those with problematic or unwanted patterns of sexual behaviour. It is designed for those who are not yet ready to seek professional help or who live in a place where little help is available and can be used in conjunction with general psychotherapy. Written by a leading expert in the field, the book offers an insight into the origins of sex addiction, before going on to explain the cycle of addiction and how to break it. The book has a do-it yourself week-by-week programme of action to tackle compulsive sexual behaviour, and provides extensive advice on relapse prevention to help the reader move forward in recovery. *Overcoming Sex Addiction* will provide clear, informed guidance for sex addicts and those professionals

working with them.

The first workbook to help partners of sex addicts cope with discovering their loved one has compulsive sexual behaviors.

[Understanding and Treating Sex Addiction](#) - Paula Hall 2012

Sex addiction is on the increase - in the media as well as in the therapy room. But while more and more people seek help for their compulsive sexual behaviours, there is still confusion and debate about whether the condition even exists. Understanding and Treating Sex Addiction explains why an increasing number of people are inadvertently finding their lives devastated by their sexual behaviours. It explores the latest scientific understandings and research into why pornography, cyber sex, visiting sex workers, fetishes and multiple affairs can come to control

some people's lives to the point that they can't stop. It explains how sex addiction is not a moral issue, as some assume, but a health issue that we as a society need to start taking seriously. Throughout the book are the revealing statistics from the UK's latest survey on sex addiction. Three hundred and fifty people who struggle with this condition have bravely and candidly shared their experience for the benefit of their fellow sufferers and those who choose to help them. This book contains support and advice for both the clinician and for those who suffer from sex addiction. As well as practical guidance and techniques for stopping compulsive behaviours and preventing relapse, there is also a thorough exploration of the deeper underlying causes and how these must be addressed.

Out of the Shadows - Patrick J Carnes 2009-06-21

Unhooked from regular routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, Out of the Shadows is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. Out of the Shadows is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the shadows of sexual compulsion and back into the light and fullness of life.

Clinical Management of Sex Addiction - Patrick J. Carnes 2019-11-28
Clinical Management of Sex Addiction's newest edition updates many of the original chapters from 28 leaders in the field with new findings and treatment methods in the field of sex addiction. With a growing

awareness of sex addiction as a problem, plus the advent of cybersex compulsion, professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation. This is the first book distilling the experience of the leaders in this emerging field. It additionally provides new chapters on emerging areas of interest, including partner counseling, trauma and sexual addiction, and adolescent sex addiction. With a focus on special populations, the book creates a current and coherent reference for the therapist who faces quickly escalating new constellations of addictive sexual behavior. Readable, concise and filled with useful interventions, it is a key text for professionals new to the field and a classic reference for all clinicians who treat sex addiction.

Mending a Shattered Heart - Stefanie Carnes 2012-07-10

When your partner betrays, what are the first steps to picking up the pieces of your shattered heart? Many unsuspecting people wake up every day to discover their loved one, the one person whom they are supposed to trust completely, has been living a life of lies and deceit because they suffer from a disease-sex addiction. This is a disease shrouded in secrecy and shame. This is your go-to-guide for what to do when you discover your partner is a sex addict. Each chapter is based on frequently asked questions by partners such as: Should I Stay or Should I Go? Is This Going to Get Better? How Do I Set Boundaries and Keep Myself Safe? and What Should I Tell the Kids?

Shadows of the Cross - Craig Cashwell 2015-02-25

This book is a Christian companion to Facing the Shadow. It provides an early spiritual focus to recovery for those who are beginning to use the Patrick Carnes 30 task model of recovery from sex addiction. Addresses issues of sexuality in a non-shaming way using Biblical scripture to encourage long-term recovery. Shadows of the Cross: -Includes interactive exercises and tasks that complement Facing the Shadow. - Applies world renowned Dr. Patrick Carnes' research-based thirty task

model with a Christian twist -Has a Christian approach that tackles the shame that often accompanies sex addiction -Provides readers with suggested Biblical verses to assist in their long-term recovery -Provides a much needed spiritual focus to early recovery

Cruise Control - Robert Weiss 2010-11-26

Robert Weiss, director of the Sexual Recovery Institute in Santa Monica, California, avoids political and moral arguments and instead focuses on the clinical approach, asking the question, "Is your sexual behavior causing problems in other areas of your life?" Cruise Control leads men to a better understanding of the difference between sexual compulsion and non-addictive sexual behavior within the gay experience, and it explains what resources are available for recovery. A timely and important contribution to the body of recovery literature, Cruise Control provides understanding, empathy and encouragement to gay men seeking healthy sexual expression.

Ready to Heal E-Book - Kelly McDaniel 2012-08-05

It's no surprise that our culture is addicted to "love." The sappy love songs, the enticing ads for romantic getaways and the desire to be cherished by a special someone will never lose their appeal. But for some women, this poses a significant problem. Because of their insatiable desire for love, they will do anything to find it and ultimately land in destructive addictive relationships over and over again causing incredible harm. This newly revised and expanded edition of Ready to Heal provides an opportunity for women to break free from painful addictive relationships. Kelly McDaniel provides the reader with the tools they will need to move along the path to living a life where intimacy is possible. Readers have an opportunity to begin to "connect the dots" in their own relationship patterns by following the stories of four brave women. A newly added chapter on "Mother Hunger" explores the role of the mother in infancy and how she ultimately impacts a daughter's ability to have healthy intimate relationships later in life. Break free from the chains of addictive relationships that sabotage happiness and self-respect.

Don't Call It Love - Patrick Carnes 2013-12-18

"Dr. Patrick Carnes is a creative, pioneering, and courageous human being. His books are changing the lives of thousands!" "I lost three marriages, all because of affairs." "I became suicidal because of multiple intense involvements." "I spent money on sex when I needed it for children's clothes." "I lost promotion opportunities and a special scholarship because my co-workers found out about my sex life." Every day they face the possibility of destruction, risking their families, fiances, jobs, dignity, and health. They come from all walks of life: ministers, physicians, therapists, politicians, executives, blue-collar workers. Most were abused as children--sexually, physically or emotionally--and saw addictive behavior in their early lives. Most grapple with other addictions as well, but their fiercest battle is with the most astounding prevalent "secret" disorder in America: sexual addiction. Here is a ground-breaking

work by the nation's leading professional expert on sexual addiction, based on the candid testimony of more than one thousand recovering sexual addicts in the first major scientific study of the disorder. This essential volume includes not only the revealing findings of Dr. Carne's research with recovering addicts but also advice from the addicts and co-addicts themselves as they work to overcome their compulsive behavior. Positive, hopeful, and practical, Don't Call It Love is a landmark book that helps us better understand all addictions, their causes, and the difficult path to recovery.
