Get Over Yourself! - Patti Novak 2008-12-30 True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always

wanted and deserve.

How to Flirt - Bruce Glover 2020-10-10

☐☐ Do you want to understand women and learn more about the art of seduction? Do you want to know more about nonverbal communication? If you want to Flirt like a pro, then keep reading. ☐☐ Let's face a bitter, hard truth about life. Some guys have it naturally easier than others when it comes to attracting women. They just have it in them. These are the dudes who always bag the champion's trophy, while lesser mortals are left struggling with consolation prizes like boys' night outs and Netflix binge-watching sessions. It can drive you crazy. You want to know "what are these dudes doing that I am not doing?" Of course, it's understandable that Greek god incarnates, rich, sophisticated family background, flashy cars, and perfect jobs. However, what about the several average Joes who seem to score really well when it comes to wooing women (almost as if they have access to some secret, magic potion). I actually know several seeming boring, average guys, who don't even possess unusual talents (other than attracting women which is the best if you ask me) draw women like magnets. What's it about them that they make such a positive impression on women and keep bagging dates with them over and over again until they get hitched. I mean wow! I dug really deep into the subject and realized that it isn't just a single subject but a combination of areas of study including psychology, evolutionary sciences, neurology, attraction/sexuality and much more. You could write a thousand books about what a woman wants and it'd still be less, which is why I am sharing the best and most effective tips I've learned and mastered over the years, minus the mediocrity and fluff. This book gives a comprehensive guide on the following: - Understanding women - Language of flirting - Confidence is an art - The right moves - Conversation - Flirting using nonverbal communication - Flirting in different situations - Igniting the romance over text - The art of seduction - Journey of flirting... AND MORE!!! Get this book Now and feel like a master of Flirt within a few days!
