What a Desi Girl Wants - Sabina Khan 2023-07-18

The romance of Becky Albertalli meets the nuanced family dynamics of

Darius the Great is Not Okay in this YA novel from acclaimed author

Sabina Khan. Mehar hasn't been back to India since she and her mother

moved away when she was six. Her father made it clear that she was not his priority when he chose not to come to the United States with them. But when her father announces his engagement to socialite Naz, Mehar reluctantly agrees to return for the wedding. Maybe she and her father can finally heal their broken relationship. And either way, her father is Indian royalty, and the famil home is a palace--the wedding is going to be a once-in-a-lifetime affair. Once she arrives in India, Mehar meets Sufiya, her grandmother's assistant. Though they come from totally different worlds, their friendship slowly starts to blossom into something more . . . Mehar thinks. Meanwhile, Mehar's dislike for Naz and her social media influencer daughter, Aleena, deepens. She can tell the two of them are just using her father for his money. Mehar's starting to think that putting a stop to this wedding might be the best thing for everyone involved. But what happens when telling her father the truth about Naz and Aleena means putting her relationship with Sufiya at risk? Mehar knows what she wants. Making it happen is a whole other story.

Practical Female Psychology for the Practical Man - Joseph W. South
2019-09-28

Practical Female Psychology for the Practical Man is a unique examination of women and relationships in an era of material equality between the sexes. Despite vast gains in the welfare of women, especially in the modern West, both men and women are finding relationships ranging from dating to marriage increasingly difficult. The author draws upon cutting edge science in evolutionary biology, and neuropsychology, and vast personal experience with women to distill some simple and practical principles men will find useful for creating and maintaining relationships with emotionally compatible women.

Messages from the Gods - Michael J. Balick 2015

Despite its small size, Belize is one of the most ecologically diverse nations in Central America. Over 3,400 species of plants can be found here, within six different ecological life zones. Because of this, Belize is paradise for ecotourists, hosting over 300,000 visitors annually, who enjoy the natural habitat and friendly people of this nation. Many of the plants of Belize have a long history of being "useful," with properties that have served traditional herbal healers of the region as well as modern medicinal applications. With Messages from the Gods: A Guide to the Useful Plants of Belize, Drs. Michael Balick and Rosita Arvigo give us the definitive resource on the many species of plants in Belize and their folklore, as well as the natural history of the region and a detailed discussion of "bush" uses of plants, including for traditional healing. Both Balick and Arvigo bring important perspectives to the project, Balick as ethnobotanical scientist from The New York Botanical Garden, and Arvigo as a former apprentice to a Belizean healer and an experienced physician. The book has been decades in the making, a culmination of a biodiversity research project that The New York Botanical Garden has had in motion since 1987. Drs. Balick, Arvigo and their colleagues have collected and identified thousands of plants from the region, and have worked extensively with hundreds of Belizean people, many of them herbal healers and bushmasters, to record uses for many of the species. This collaboration with local plant experts has produced a fascinating discussion of the intersection of herbal medicine and religion in the area, and these interviews are used to compliment and contextualize the numerous species accounts presented. The book is both a cultural study and a specialized field guide; information is provided on plants used as food, medicine, fiber, in spiritual practices and for many other purposes. Richly illustrated with over 600 images and photographs, Messages from the Gods: A Guide to The Useful Plants of Belize will serve as the primary reference and guide to the ethnobotany of Belize for many years to come.

The New Sufferings of Young W. and Other Stories from the German Democratic Republic - Therese Hörnigk 1997-01-01

The Road Love Traveled - Clifton Bullock 2014-09-25

The Road Love Traveled is a story of deception, lust, greed and gentrification told through the life of Lawrence Blake, a single father living in the Anacostia neighborhood of Washington, DC. Tired of the same ol' same ol', Lawrence wants something different. His love life is stale, and with his son out of state on summer vacation, he takes the opportunity to try to make some changes. He begins with a night on the town. Lawrence recruits his best friend, Howard, to join him in the rat race chase to find some new skins. Lawrence ends up finding what he's looking for, but the greed of lust causes everything to change. The Road Love Traveled gives the world a first-hand look of what a man goes through to make decisions for a better life. Full of laughter, bad choices, suspense, jealous ex-girlfriends, good friends, broken hearts, rogue law enforcement and the apocalyptic virus known as gentrification, you will learn the reality of how lies will smear and destroy love's results.

The Harlot's Pen - Claudia H. Long 2014-02-01

After World War I, San Francisco is a wild town. Abandoned by her lover, Violetta is swept up in the new, freer ways and becomes America's first embedded journalist. She finds work in a brothel that caters to San Francisco's most powerful men, to write her epic story on the conditions of working women. But federal agents looking to clamp down on both vice and workers' rights don't take kindly to her modern views. Shorter dresses, fair pay for women, and the dark and frightening world of sex and politics give Violetta a learning experience of a lifetime.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your

self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Essential G. B. Shaw: Celebrated Plays, Novels, Personal Letters, Essays & Articles - George Bernard Shaw 2023-11-27

This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices. George Bernard Shaw (1856-1950) was an Irish playwright, essayist, novelist and short story writer and wrote more than 60 plays. He is the only person to have been awarded both a Nobel Prize in Literature (1925) and an Academy Award (1938), for his contributions to literature and for his work on the film Pygmalion (an adaptation of his own play)

LEAD ME ON - M.J. Schiller 2023-08-25

Getting involved with each other may require some actual conversation... Caleb Winthrop was conversation-challenged. Especially when it came to

the opposite sex. I didn't believe it at first when the guys told me Sophie was checking me out. A beautiful girl like her interested in the Mohawk-wearing lead guitarist for a rock band? It seemed far-fetched. But my band members kept pushing me toward her, so I gave in and made an attempt at talking to her, if only to shut them up. Sophie Lockhart has had her heart broken before. That's why my attraction to Caleb was so insane. When one thought about honesty and faithfulness, Caleb Winthrop's name is not what came to mind. Now, if the word was sexy or unbelievably hot, he would definitely be at the top of that list. But he was the ultimate bad boy...or at least he seemed to be. And that was not the type of guy I could trust with my heart. Even if it was, I'd never be able to work up the nerve to talk to him. Can these two introverts find their way to each other? Or will each crawl back into the comfort of their protective shell on Last Chance Beach?

The Series That Just Plain Sucks: The Complete Trilogy - Charissa Dufour

SUCKED IN Struggling vampire romance novelist Ashley Hawn was living her dream. By day she worked as a clerk at a local grocery store, and by night she immersed herself in the imaginary world of sexy vampires, shirtless men, and endless parties. Between work, her writing, and her best friends- Chloe and Jordan- life was good. She was even dating a mysterious and sexy man (or so she thought) by the name of Isaac. Then in a flash, her whole world changed and she discovered herself turned. Quickly she finds that life as a vampire is less sexy shirtless men, endless parties, and is more running for her life as she tries to dodge the attacks of every mythological creature in the area. SUCKED AWAY Barely surviving the resurrection of the warlock Sedgrave, Ashley has healed in body, if not in mind. As she slowly tries to piece together her mind, sorting past from present and friend from foe, the time of her joining- a ritual designed to bind her to her seethe-comes upon her. Before the ritual can be completed in full, it is interrupted by a ragged pack of werewolves seeking asylum and protection. Meanwhile, a storm is brewing in the mystical world with Ashley at its center, and before she knows it, her calm existence is once more Sucked Away.

THAT SUCKED Ashley Hawn's vampire existence has been anything but calm. Turned for the sole purpose of raising a long-dead warlock from the grave, Ashley has spent her new life fighting against those who would use her. Now the warlock is back, and Ashley finds herself connected to him in every way possible. She must work alongside her friends to stop him from enslaving the entire human population. Meanwhile, the men in her life continue to show her romantic inclinations. As Ashley works to break the connection between her and the warlock, she ducks and dodges the attention of her male friends, doing her best to ward them off without ending the friendship. Will Ashley kill Sedgrave, and will she have any friends left when it is all over?

The Grass Is Bluer on the Other Side - V. Montrell Jones 2008-12-11

In a world filled with glitz and glamour, baller style, Azaria is at the top of the chain. But there is one thing that is elusive from her - the commodity of love and family. Azaria lost her mom two years ago - the only family she's known. But her childhood friend, Magic, was always there. One morning Azaria is rudely awakened with a hangover from the previous night's festivities by total strangers that would later become her family and love that once was far-fetched.

[Sarah's Alzheimer's Story](#) - Fontella Bateman 2019-11-18

In telling Sarah's Alzheimer's Story, the writer takes you back to where it all began in the hills of Kentucky where Sarah was born. You may laugh, cry, or simply wonder as you go with her through her journey of life. The reader will get to know about the strong woman Sarah and how she endures many tragedies. One will find that even though memory loss is a large part of Alzheimer's disease, in Sarah's case, there is so much more. Throughout the story, the writer sometimes takes you back to incidents earlier in Sarah's life. In the writer's opinion, Sarah may be recalling something from the past, causing her to act the way she does. This seems to be especially true when she begins to see or talk to imaginary people. Dealing with this disease is often a struggle for Sarah and her family. But hopefully, you will see the joy in their laughter, the sorrow in their tears, and feel their strong love. It is hard to watch this very strong woman

deteriorate mentally, physically, and lose her personality. But this writer believes that there is a reason, even if we do not understand it at the time.

Would the world be a better place if women were in charge? Heads of state and world leaders are now women, they have changed the world to be how they want it to be. With women in charge they have stopped the days of mail order brides, now we live in a world of rental husbands. We live in a world where men are secondary, used for whatever women want. Men are trained to be whatever their owner wants them to be:

enforcer, worker, bodyguard or personal slave. Sold into slavery when he was a baby, Scott Magentas life is to be seen not heard, to be touched but never loved. His life is filled with death and pain while he is forced to be nothing but a glorified one night stand for the rich and powerful. Slaves are treated like show animals, they make their owner money and if they misbehave they can be punished by their owner. When the whole world doesn't see you as a person how can you be one?

[The Magician and her Playboy](#) - Larissa Vine 2019-11-12

Believe in the magic of love. Lydia Greene is beginning to believe that magic is real. One minute, she's an up-and-coming illusionist scrabbling to make a living and, the next minute, hot billionaire Conner McCullagh offers to take her show to Las Vegas. It's not like she trusts him. After what happened with her dad, she refuses to believe in any man. Even so, she's delighted that handsome Conner is giving her a chance at the big time. Property developer and playboy Conner is facing a test. He has two months to make a failing hotel profitable. If he succeeds, he'll get to strike out on his own in a new career with his father's blessing. Conner believes that Lydia's astounding act will be the solution. Hopefully, she'll work her magic on the hotel just like she's working it on him. In Vegas, Lydia becomes caught up in the excitement of her unfolding romance with Conner. But things aren't as they appear. The magician who's helping her to prepare for her show isn't as well-intended as she first thinks and, suspicious, she turns detective...and discovers an underbelly of darkness beneath Vegas' glitz. Conner and Lydia are two people from two different worlds who believe in the magic of love. But if they want their future together to be more than an illusion, they're going to need more than abracadabra...
