Keatyn Unscripted - Jillian Dodd 2016-11-22

Little Nerdy Nightmare - Glory Tina

"You really think I'm playing around?" He grounds out me through gritted teeth and he takes a step closer and I begin to move back. "I gave you a strict instruction and you disobeyed, you chose to rebel." There is about one zillion comeback running through my head, but my brain only focuses on the man whose green eyes has somehow turn into black because he's mad at me. "Do you know what happens to rebellious people?" I keep moving back until my back hit the wall and I hiss out in frustration. I swallow hard and try not to look at him, pissing him off would be a good thing when we aren't the only ones in the whole house. "Do you?!" He demands with a roar. "No, I don't. Tell me." I say, hiding the trembling of my voice as I look up at him. He takes a firm step close to stand intimately close to me, his height making me feel like a little child. "They get punished." And for the first time in the last five to six-minute, I see his green eyes instead of black ones looking into mine with lust and my brain go blank for a second and I have to

shake it to restart it. Even I can't deny the intense feeling I have been having, I don't want to be in denial any more. I do want to be close to him and as much as it scares me, it draws me in to know more. "Then punish me." ***** The arrangement was, I get to meet her, propose to her, we get married as that would create a stronger bond between the two business associates, bringing us together as a family. Falling in love with her personal assistant was never part of the arrangement.
