Straight Jobs Gay Lives - Sharon Silverstein

2010-05-11

"The workplace has become the next frontier for gay rights," stated a Fortune magazine cover story, and this book -- based on a series of groundbreaking interviews with more than 100 gay and lesbian alumni of the Harvard Business School -- is the most complete and most in-depth study ever made of gay and lesbian managers, executives, and employees in this country.

Straight Jobs, Gay Lives frankly examines issues such as coming out versus being closeted in the workplace, harassment, discrimination, health and insurance benefits, resources and support groups, and the differences between the experiences of gay men and lesbians. With hundreds of personal stories -- from men and women of all ages and races -- Straight Jobs, Gay Lives provides readers with the encouragement, information, and support that they need to navigate today's fast-changing business world.

*Quill & Quire - 1992*

The Way of Hope - Melissa Fisher 2017-07-04

Most churches today struggle to answer the same-sex relationship debate that is quickly transforming our culture, our kids, and our churches. As a result, Christians struggle to demonstrate love and grace to those with same-sex attraction. That means that more and more people who are looking for truth and a place where they belong are deciding that the church is either indifferent to their struggle or outright hostile to "people like them." There's a better way--the way of hope. With deep understanding

born from her own painful experiences, Melissa Fisher shows that somewhere between the extremes of condemning and condoning is compassion. In this book, she aims to equip the church to make a positive difference in the lives of those hurting from relational or sexual brokenness. Perfect for pastors, parents, siblings, and friends of the ten million people in America who identify as LGBTQ, who long to love them well.

*Greedy: Notes from a Bisexual Who Wants Too Much - Jen Winston 2021-10-05*

A hilarious and whip-smart collection of essays, offering an intimate look at bisexuality, gender, and, of course, sex. Perfect for fans of Lindy West, Samantha Irby, and Rebecca Solnit—and anyone who wants, and deserves, to be seen. If Jen Winston knows one thing for sure, it's that she's bisexual. Or wait—maybe she isn't? Actually, she definitely is. Unless...she's not? Jen's provocative, laugh-out-loud debut takes us inside her journey of self-discovery, leading us through stories of a childhood "girl crush," an onerous quest to have a threesome, and an enduring fear of being bad at sex. Greedy follows Jen's attempts to make sense of herself as she explores the role of the male gaze, what it means to be "queer enough," and how to overcome bi stereotypes when you're the posterchild for all of them: greedy, slutty, and constantly confused. With her clever voice and clear-eyed insight, Jen draws on personal experiences with sexism and biphobia to understand how we all can and must do better. She sheds light on the reasons women, queer

by guest*

people, and other marginalized groups tend to make ourselves smaller, provoking the question: What would happen if we suddenly stopped? Greedy shows us that being bisexual is about so much more than who you're sleeping with—it's about finding stability in a state of flux and defining yourself on your own terms. This book inspires us to rethink the world as we know it, reminding us that Greedy was a superpower all along.

Books in Print Supplement - 2002

Forthcoming Books - Rose Army 1992-10

Library Journal - 1992

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

**Christopher Street** - 1992

**Choice** - 1992

**The Publishers Weekly** - 1992

*Half Straight* - Tom Smith 1992

A sixty-five-year-old bisexual corporate executive describes his double life over the past forty years, living in fear that his family or coworkers will discover his secret.

**Secret Loves, Hidden Lives?** - David Abbott 2005

Secret loves, hidden lives? draws on first-hand accounts to explore the lives of gay, lesbian and bisexual people with learning difficulties. The views and experiences of staff in a range of learning disability services are also featured in the study. Based on a three year, qualitative research project carried out across the UK, the report describes people's experiences of 'coming out', relationships, discrimination and abuse. It also looks at responses from staff and services, meeting other lesbian, gay and bisexual people, and dreams for the future. Staff also reflect on these issues and discuss the importance of policy, training and creating services which promote cultures of equality. The report highlights examples of good practice and contains practical recommendations for staff and services.

**St. James Press Gay & Lesbian Almanac** -

Neil Schlager 1998

"This important reference work is one of the first to devote equal attention to both gay men and lesbians. Its objective approach encourages in-depth study of gay and lesbian history, culture, and experience in 20th-century America.. The book's 23 sections include a chronology, an annotated list of organizations, significant historical documents important to the gay and lesbian movement, and in-depth discussions of gay and lesbian involvement in such fields as politics, film, music, science, sports, travel, leisure, and visual and performing arts. Each section includes biographical profiles of prominent people in each field and extensive bibliographies of books, articles, and Web sites. The evenhanded approach to this subject makes this book an important purchase for all libraries."--"Outstanding Reference Sources: the 1999 Selection of New Titles," American Libraries, May 1999. Comp. by the Reference Sources Committee, RUSA, ALA.

American Bookseller - 1991

**Bi Any Other Name** - Lani Ka'ahumanu

2015-09-23

"I am part of the generation that came of age when Bi Any Other Name was already in print. This groundbreaking anthology gave me the language, courage and sense of community I needed as a young queer woman." —Daisy Hernández, A Cup of Water Under My Bed The 25th Anniversary Edition Bi Any Other Name: Bisexual People Speak Out first debuted in 1991. This groundbreaking book helped catalyze a national movement for bisexual identity, justice and equality. Often dubbed "the bisexual bible," Bi Any Other Name was on Lambda Book Review's Top 100 GLBT Books of the 20th century and became a beloved reference text in many classrooms, doctors' offices, libraries, and pulpits. A 2007 Mandarin translation was published in Taiwan. The new 2015 introduction of this book updates readers to the enormous changes the past quarter century has brought – for bi people, the larger society and the sexual rights and liberation movement of which we are a part. When did you know? How did you come out? What was your experience? The coming out stories in this book speak to the many ways

by guest

bisexuals embrace realities outside rigid either/or categories throughout the passage of our lives. Everyday stories of women, men, transgender bisexuals, teenagers to octogenarians, from many different cultures and family arrangements. The fierce truth of these lives made visible puts a check on bisexual erasure, exposing the binary constructions of gay/straight and male/female as oversimplifications that reduce spectrums to mere opposites. Caught between the mainstream culture's persistent discounting of bisexuality, the sensationalizing characterizations presented in media, and the sexual liberation movement's continual disregard of bisexuality as a serious identity, bisexual people are often not seen or heard when they speak out. There is a vital need for these earnest voices to be heard in the new century. Enormous cultural changes have occurred in the past 25 years, yes, but

understanding bisexualities has just begun.
