

Healing Messages Of Love From The Spirit World

Don't Be Affected By the World's Message Jesse Duplantis 2012-02-27 There is power in FAITH. We live in a world filled with negativity. Each day we are confronted with the world's message--a message of death, destruction, and lack. It's NOT for us! God has given us another message--a message of hope, love, healing, and the wondrous power of faith. In this powerful book...

Divine Wisdom Lisa Williams 2018-10 Book 1 from the Divine Wisdom Series - Life continually presents us with the need for answers, which is why people seek out psychics and mediums. But often this desire for guidance is immediate and getting through the day can be overwhelming, especially when experiencing loss and where healing is needed. Sitting alone with our thoughts can send us into a spiral of despair, particularly if we don't know where or how to find peace. In our search for hope we then overthink. We do our best to connect to Spirit, but our intuition falters and we can become lost. This is where Divine Wisdom can assist. After first re-centring the body by simply counting your breaths, I suggest you then open this book to a page that you are guided to and read the passage. Allow it to sink in, and then read it again. It is here, in the Masters' messages, that you will find the answers you need. You may wish to read a passage for daily inspiration or read Divine Wisdom in its entirety.

Grief and the Spirit World Diane Kirby 2023-01-19 What if, as we navigate loss and grief, our loved ones are walking beside us on the other side of the veil? What if we could learn to not only connect with our ancestors but also to Spirit? In this personal memoir of grief and healing, Diane Kirby explores her family's history with tragedy and spirituality, the sudden death of her husband and her overwhelming grief, and her journey back to the wisdom of her Scottish ancestors. Diane examines her parents' remarkable abilities as Spiritualists, chronicles her own experiences with spiritual healings, and ultimately refines her own path to Mediumship. With self-help undertones, this memoir offers comfort in times of grief, resources for connecting to spiritual communities, insights on both seeking spiritual healing and refining Mediumship skills, and background on Scottish ancestry and generational wisdom. *Grief and the Spirit World: A Search for Comfort* explores the complexities of grief—not only the sorrow, but also the hopefulness—and confirms that in grief, as we heal, we can help others.

Instruments of Healing and Awareness Joanne Grace Smith McNeilly 2020-03-05 Love Letters From GOD, The Father and Messages from The Holy Spirit of GOD within the pages of this book are all His Letters from His heart to yours, such as: "Who are these? They are the children I love. They are the ones whom I redeemed. These are the ones I died for. These are the ones I am coming for." The Lord is personally pouring out His Heart throughout this book for those He Loves. For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life. (John 3:16, NASB) Oh, and how He loves you! I pray that HIS book, this book reaches every global corner and nation about His Everlasting Love; His Divine Plan and Purpose; and your assignments and appointments from a world of apathy and apostasy to a global revival of repentance and eternal redemption. He is The Light of the World. Share it. Show it: His Eyes, our eyes; His Ears, our ears; His Voice, our voice; and His Heart, our heart. Jesus went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness. When he saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd. Then he said to his disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." (Matthew 9: 35-38, NIV) Also written within is another Letter The Lord spoke, "These Are Cue Words. "The days shorten to hours, even minutes, even to the last second—a flash. One last breath, one last mile, one last kiss and one last look, one last smile. It all ends, and death consumes them. Or life? Is this you? The Workers Are Few." He's calling you. Even as we see the day approaching, His Word and promise remain. Don't wait or hesitate. We must ask Him. Time is short.

Sensing Spirit Mitchell Coombes 2011-09-01 With his down-to-earth, friendly manner celebrity psychic medium Mitchell Coombes provides the reader with an intriguing and illuminating entrée into the world of Spirit. Have you ever experienced an uncanny coincidence? Do you wonder about your Spirit Guide? Have you been trying to get in contact with a loved one? Do you need help deciphering signals from Spirit? Since his childhood Mitchell Coombes has been able to see dead people, except he called them 'green people' and considered his gift a normal part of life. In *Sensing Spirit* he shows how everybody else can make their own psychic abilities part of their everyday lives too. Mitchell shares the funny and heart-warming stories of his life as a psychic medium and reveals the ways that spirits may try and connect with their living loved ones. Most importantly he shows us how to hear, know or see when a spirit is trying to make contact. *Sensing Spirit* includes many incredible real-life stories - like Maxine who witnessed her daughter Bella sitting up in bed hugging the air right before Maxine received a phone call to say her mother had just died. Before she had a chance to tell Bella the news, Bella asked her if Grandma was going on a holiday because she'd just come and given Bella a hug goodbye. Or like Judy who had a terrifying dream her husband had an accident with a black Mazda and rang to warn him. Her husband laughed it off, until he nearly crashed into a broken-down black Mazda moments later. Mitchell explains how to understand these signs from Spirit as well as discussing psychic phenomena like mysterious orbs, apparitions, electrical disturbances and how to achieve protection from psychic vampires. The book contains the answers to frequently asked psychic questions: 'Can Spirits tell us winning lottery numbers?' 'Do pets have sixth sense?' and 'Do spirits watch us all the time?' He also includes a helpful guide to what to expect when meeting a psychic medium and explores the tools of the trade - crystal balls, tarot cards, psychometry. Learn how to recognise the signs when your loved ones are trying to contact you.

Suicide Jon Klimo 2006-06-12 This provocative study explores what happens to those who commit suicide. Drawing on communications from the spirits of more than 100 'successful' suicides, it offers an intriguing look at what the dead themselves say about suicide, its repercussions, and their experiences in the afterlife. Bringing together the channeled messages of three types of suicide—traditional suicide, assisted suicide, and the suicide mass murder adopted by terrorists—the book covers a wide range of topics, including why people commit suicide, what it is like to cross over, adjustment problems, what suicides would say to those left behind, and what they would tell others thinking of taking their own lives. Additionally, the book conveys powerful messages from suicide bombers, warning potential terrorists of the serious karmic consequences that await them. For anyone contemplating suicide or euthanasia, the book offers profound, sometimes unsettling, insight into the ramifications of these acts.

The Living Spirit Sheryl Iris Glick 2014-05 I have written *The Living Spirit* not just for healers, but for anyone who wants to awaken to their soul's mission and to the incredible plan God has for them. It is intended as a compassionate and supportive guide for others beginning their spiritual journey as mediums, psychics, and energy healers or simply for those with questions about who they are, what life is all about, and whether there is indeed life after death. In short, it is the book I wish I had on that night all those years ago. In gratitude for my spiritual gifts, I made a commitment to live according to the universal laws of energy and to share all I've learned with others. This includes helping others to conquer their childhood fears and limitations so their souls can mature. As our souls grow and expand, our physical lives expand and abound in abundance. It is my hope that by reading the personal stories shared by a host of people and those from my daily life, it will become apparent to you that each of us is more than we appear to be. We can transform our selves and our world into a place that reflects the best of our divine gifts. When one shifts to living in conjunction with spirit, and to moving through their emotional issues with new vision and expertise, anything is possible. Another major emphasis of this book is to share the miraculous happenings and coincidences that have proven to me, a former skeptic, that life is not random, and all our experiences are the way to a higher understanding of self.

There are three main points that I hope readers take away from *The Living Spirit*: -We are divine soul beings interconnected to each other and to the universal energy that supports all of us. -Life is not random. Throughout our lives we will experience a series of coincidences that are not coincidental at all, but Spirit, whispering words of love and guidance in our ears. -Our loved ones in afterlife guide us to expand our understanding of our soul nature and our physical lives. I invite readers to share this journey with me and learn to let go of any restriction preventing their full enjoyment of life. Once we become aware of how we can recognize and utilize coincidences, synchronicities, and higher guidance, we can begin our exploration of what these mean in our lives and in our role in the world. We all have the Divine-given abilities to repair our wounds and misguided thinking. Through meditation and energy work like Reiki, we can learn to quiet the mind of negative chatter and learn to find that place within where we are sure of God's love and guidance.

A Spirit in the Doorway Deborah W Childs 2015-09-20 Some people never get to know what it feels like to find the person they believe to be their twin soul. Author, Deb Childs, is sure she knows. She found William at her front door when she wasn't looking for him at all and before she knew twin souls existed. Unfortunately, she learned something else for sure--once you have met your twin soul and you lose them, the world stops turning and nothing seems to matter much anymore. The deep dark well she fell into when they told her he was "gone," felt like a tomb she never cared to come out of. But the pain of loss was too great, and she set out to find a way to bring him back. To her surprise, she found herself in the perfect path on the perfect day to see a serendipitous sign of hope. She would soon be amazed to find that just because she could no longer see William did not mean she could not hear from him or that he no longer existed. He did exist! And he could hear and respond to her. He could console her when she was sad, answer questions on her mind, and get just

the right message through to her in the most creative and timely ways. Deb realized that William had taught her one more lesson in this lifetime together--the most valuable one of all--that love and life continue after the physical life ends. A Spirit in the Doorway is the after-story to Childs' first book--Last Promise: Losing My Heart Finding My Soul. There, readers will experience more serendipity in the love story and the revelation of what the author feels is her calling in this lifetime--a destiny she could not complete without meeting and losing her twin soul.

The Message Joe Coleman 2016-05-10 Joe Coleman made world headlines when he revealed that the Blessed Virgin would be appearing in Knock, County Mayo, in September 2009. Many of the 10,000 people who showed up that day claimed they saw the sun dancing, and Joe himself received a message from Our Lady. Though mistrusted and hounded by the "official" Church and some in the media, Joe earned the respect and trust of many more. Now, for the first time, Joe Coleman tells his own story. A humble man from a very ordinary background, Joe had the gift of "second sight" from an early age. He first saw Our Lady when he was just twelve years old. Then, at the age of 33, Joe broke his back in an accident; he technically "died" on the operating table, waking 30 minutes later to the astonishment of the doctors and nurses. During this time, Joe claims he visited heaven, seeing the most beautiful sights of his life. It was after this experience that Joe's true spiritual calling came into its own, and he soon gained a reputation as a remarkable healer and clairvoyant. He spent twenty years healing people who came to him. During this time, he continued to receive messages from the Blessed Virgin. All changed in March 2009 when Our Lady appeared and asked him to bring a young man to Medjugorje. This led to the remarkable events of the past year. The Message is a powerful true story of faith and revelation. It culminates with the messages Joe has received from Our Lady, messages of incredible changes coming to our world, changes that will see hope triumph over despair - as long as we pray.

In *Bringing Death to Life*, well-known author Patricia Scanlan, along with soul friends and metaphysical healers Dr Mary Helen Hensley, Aidan Storey and Pamela Young, shine a light into an area that they believe needs to become part of the ordinary conversation of life, not to be feared or avoided in our communications, but recognised, understood, accepted: death. Patricia, whose experience of the loss of her parents was the catalyst for this book, shares her own journey through grief, while Aidan, Mary Helen and Pamela -- who have abilities to channel, communicate with angels, and intuit and heal between this life and the next -- share personal experiences along with insight into death and the afterlife gained through their work. Included are chapters on facing fear of death, being present during death of a loved one, the aftermath of loss, and connecting to signs and messages from beyond, along with remarkable stories of the afterlife in the everyday. Prayers, affirmations and messages from the angels also make up this special, thought-provoking and ultimately deeply comforting book.
