**The Woman and Her Sexuality** - Austin Imoru  
2008

The Woman and Her Sexuality is a powerful book. Several highly accomplished women contributed their wealth of experiences, to help those women who desire a fulfilled life. Everywhere she turns she is raped and abused. Everywhere she looks she is ridiculously painted in pictures that is not her. She is lost in the shuffle between reality and fantasy. In the midst of her confusion she asked, .Why do I feel the way I do? .What is it that I really want? .How can I manage my surging emotions? .Can I be smarter than this? .Beyond the bed, what influence do I have? This book provides the answers to the many questions women ask about themselves and the society."

**The Angry Therapist** - John Kim 2017-04-18  
Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-styledesigner, not a therapist. His radical new approach, that he sometimes calls "self-help in a shot glass" is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let's face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating

principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the tools and directions to focus on what's right with them instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as The Angry Therapist, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of "me too" as opposed to "you should." He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language — open, raw, and at times subversive — and people responded. The Angry Therapist blog, that inspired this book, has been featured in The Atlantic Monthly and on NPR.

a good woman is forced to face the stark truth of her own faith. Once more, [Senft] has created a compelling story of crisis and spirit.” —Mary Jo Putney What kind of mother suspects her own daughter of murder? Laurie Hale has the perfect life—and the perfect family to go with it. All she wants is for her kids to find the popularity and success in school that she enjoyed back in the day. But one night on the Smoke River bridge, a bid for popularity goes wrong and one of the teens from that weird group, the Elect of God, is found dead. When the police begin to investigate her daughter Anna, fear and suspicion begin to eat away at everything Laurie values. Anna is just one of several teenage suspects, but none of them is saying a word, and peaceful Smoke River divides along religious lines—to the point that Laurie is even asked to bow out of her prayer group just when she needs their support. Her marriage starts to crumble and her standing in town shows its shaky foundations. Laurie doesn't want to face the truth. But it's the job of

investigator Nick Tremore, her cousin, to find it. What if Anna really was there the night that Elect girl, Randi Peizer, was killed? Why is Nick spending so much time with Randi's mother? And what kind of person is Laurie if she can doubt her own child's innocence? “Every mother and her teen daughter should read *Over Her Head* together. And dads, too. Powerful. Moving. Uplifting.” —Lyn Cote, author of *The Women of Ivy Manor* series *Over Her Head* is the fourth novel in the faith-based Smoke River domestic suspense series. The books can be read as standalones, though the characters all know one another and appear in each other's stories. No strong language, just a dollop of suspense, a loving kiss, and a guaranteed happily ever after. If you like books by Sage Parker, Christy Barritt, or Charles Martin, you're in the right place. Enjoy!

*Why We Love* - Helen Fisher 2005-01-02

A groundbreaking exploration of our most complex and mysterious emotion Elation, mood swings, sleeplessness, and obsession—these are the tell-tale signs of someone in the throes of romantic passion. In this revealing new book, renowned anthropologist Helen Fisher explains why this experience—which cuts across time, geography, and gender—is a force as powerful as the need for food or sleep. *Why We Love* begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love. She proves, at last, what researchers had only

suspected: when you fall in love, primordial areas of the brain "light up" with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love, why you choose one person rather than another, and how romantic love affects your sex drive and your feelings of attachment to a partner. She argues that all animals feel romantic attraction, that love at first sight comes out of nature, and that human romance evolved for crucial reasons of survival. Lastly, she offers concrete suggestions on how to control this ancient passion, and she optimistically explores the future of romantic love in our chaotic modern world. Provocative, enlightening, and persuasive, *Why We Love* offers radical new answers to the age-old question of what love is and thus provides invaluable new insights into keeping love alive. *DATING for Men and Women (2 BOOK IN 1).
