Hi there! 1. Are you a single guy? 2. Do you want to get your dream girl as your girlfriend in India? 3. Do you want to get her without being rich or handsome? 4. Do you want to get her with a proven yet easy 3-step method? 5. Do you want to get her in the next 30 days or less? If your answer is yes, grab this copy and do a favour to your manhood. Once you completed reading and implementing the things that I told in this book, you will have your dream girl as your girlfriend by the end of next 30 days. You will also learn the following: 1. How to give a girl that same feeling of "I have to have him" that she gets from a guy who is rich, famous, or good looking without being any of those things yourself. 2. How to avoid mistakes almost all guys do while trying to keep a girl interested that "actually repels her twice as fast". 3. A proven exercise to develop a stone cold, unshakable inner confidence that allows you to approach a girl "in any situation without getting nervousness/fear". 4. How to avoid the deadly mistake many guys make while trying to get a girlfriend that guarantees they end up in "the friend zone". 5. What you must do if you want to keep a girl interested in you forever (the key to having a long-term relationship with a dream girl-conversation 2.0.). 6. How to use "unpredictability" and "excitement" to give a girl that addictive rush of adrenaline that keeps her coming back for more (learn these, you will never have to worry about her losing interest in you... leaving you for another guy). 7. You know that "nervous" feeling you get in your stomach when you see a beautiful girl you want to meet. You will find specific exercises to use that instantly eliminate all feelings of nervousness and charge yourself with confidence right there on the spot. 8. Best ways to "tease" a girl that builds up a "powerful sexual tension" that gives her no choice but to make an aggressive sexual advance towards you. 9. Most men are not very good at reading female body language. I will show you how to use and read eye contact & body language that most men don't even know that exist. 10. How to create an irresistible attraction without being rich and handsome that draws pretty girls like a magnet to you and much more... and much more. It has taken me a long time to figure out all of the things--that you are about to learn in this book. I have spent years to understand this stuff. Or are you going to know exactly what to say and do to succeed? If you want to get your dream girl as your girlfriend, grab this copy... by the end of the next 30 days or less, you will see amazing results with girls you have always wanted!

Secret to Attracting Woman: How to Meet Your Perfect Girl and Make Her Beg to Be Your Girlfriend - Pamela Paul 2012-11

Meeting new girls isn't easy and having the courage to talk to them isn't exactly as simple as it is in the movies. Even then, the shuttering thought of being rejecting is one that most men would try to avoid at all cost. Rejection bounces from left and right and the good ones are usually hard to find. Most men worry about being stuck in the friend zone and other men worry about being straight up rejected without being given a chance to show who they are. In addition, the thought of constantly looking for someone new isn't as pleasing as it sounds, especially when you're too shy to approach them. Though the thought might sound frightening, you have nothing to lose. If you want to know how to attract the woman that you've been interested in then you have to take the first step into talking to her. For the methods that comes afterwards, feel free to look inside this book.

Training Your Girlfriend to Submit and Obey - Ryan Hale 2016-10-17

Making a girlfriend obey has several benefits. Training her can be a long road when your desired outcome is the perfect girl who does as she's told, who worships you with all of her love, and who would never cheat on you or think of doing anything that displeases you. Please don't think this book is a book for misogynistic male archetypes who seek only to control their universe and who have mommy issues. This book is for the 'real' man who knows his place, his girlfriend's place, and who wants the world to be playground. A true man showers his girlfriend with love when she obeys and submits to him and punishes her when she disobeys and gets out of line. There has to be law and order in every relationship. There has to be someone who is in control, who has the upper-hand, and, let me suggest, if it's not you (the man in the relationship), then it is probably her. You must learn to dominate and this means teaching her to submit. If you don't, you'll never have a truly satisfying relationship that is tighter than glue. This book is going to teach you techniques for making her obey and submit to you. It is going to provide you with a lot of sound practical advice and help you along this wonderful journey of training her to obey and submit. I want you to get excited, because a girl who obeys and does as she's told is a happy girl, one who loves you, one who truly cares about you and your happiness. This is what makes her happiest. If you have gone through a lot of relationships, had little luck with girls, then this book will be eye-opening and refreshing for you because you'll finally learn what you've been doing wrong and how to correct it. You will be correcting yourself by learning how to correct her. A girl who obeys you and who is submissive is the perfect girlfriend, isn't she (?), since a girl who doesn't is bitchy and controlling and constantly a problem for you. I welcome you. Dissecting Your Girlfriend - Understanding the Game You've Decided to Play - Harry Huryk 2008-02

GAMES! WHY DOES SHE PLAY GAMES? Learn about how women think and feel, and why they feel the way they do about you. And the greatest part? This is all information gained from numerous conversations with females of varying age groups. Check out the Sandy Says! Section for actual quotes from girls regarding the survey questions they were asked. The highlight of the book is the 50 question survey - The fifty things you've always wanted to ask - and the responses and percentages from real girls out in the world. The results are fascinating to say the least. You'll also enjoy the writing on the twenty most common games women play with men and the strategies regarding how to counteract them. Rounding out this great writing is the Guy Terms! section, a "Guy's Dictionary" of the terms every guy should know. This is not a psychology book - it is a survival guide.

Hypnotize Your Wife Live a Better Life [Or Your Girlfriend for That Matter] - The Nameless Hypnotist 2015-02-23

People have been conditioned to believe certain things about the way relationships should operate. Sometimes gender roles are blurred. In recent times this seems to be more evident, doesn't it? My beliefs, now, are that gender roles should be very specific and quite clearly defined. I believe that men are the stronger sex. I believe that men tend to be more logical thinkers. I believe girls should be subservient; that is: prepared to obey their man unquestioningly and are, by nature, the weaker sex. I also believe when a girl knows her place and a man knows his place in a relationship that the relationship functions better and both sexes are happier. When a girl is docile; that is, ready to accept control or instruction; submissive, she knows instinctively that the relationship is solid and that she will be rewarded for her submissiveness. This causes her to lose her depression, her fear, and her feelings of uncertainty and constant confusion and lack of safety. These are positive benefits that have been forgotten by girls, which, when reminded, and rekindled, prove their significance and relevance to the girl's happiness. The more your girl accepts your control and instruction the more happy both of you will be, let me assure you. This is something most men and girls get excited about when they adhere to their respective gender roles. In many ways this book will teach you a relationship system that utilizes conversational hypnosis; so that, as a man, you can define your relationship in this way, so you are happy and your wife or girlfriend is happy too. It is your responsibility to learn this information and even more your responsibility to implement it; that is, training your wife or girlfriend to be servient. Follow these instructions carefully and your wife or girlfriend will be the perfect little girl you've always hoped her to be. I promise. Grab Your Copy Now! Do not think twice; I promise it works!
