[Self Help: Get Your Ex Back: Back Your Girlfriend By Learning How To Gain Confidence, and Improve Communication \(Your Step-By-Step Guide To Getting Your Ex Back\)](#) - Alicia Corral

"How to Get Back to your Ex" is a book that helps individuals return to their ex using successful strategies that have been proven to work over time. There are many good reasons to return to an ex. You have already established a good connection with that person in the past, and this connection can be revived again. You legitimately have feelings for your ex still, and there are many good reasons to re-start this relationship once again. Here Is A Preview Of What You'll Learn... · Take A Break and Assess Yourself You've broken up with the love of your life and you want to know how to get your ex back. You might think this is the perfect time to run after them and show them you care as soon as possible

because it might be too late. This is a common myth that many stumble on. What you need to do right now is stop calling them, stop emailing them, stop the 'random' visits, and stop the 'accidentally' showing up at places where your ex frequents. There are many reasons why taking a short break and getting yourself together is important. If you try to force you and your relationship back into your ex's life while the wounds and the bad emotions are still fresh, it's more likely that bad things will happen..... · Check Your Emotions. There's nothing that smells worse than the scent of desperation. It might sound harsh, but it's true. If you're still feeling panicked or in despair, then it'll be difficult to reach out to your ex without alienating them. Your ex knows you very well. They'll be able to see if you're contacting them because you feel desperate. This will make them lose respect for you. Instead of seeming more attractive to your ex, it might turn them off. Even though you really want to

### **How to Get Your Ex Girlfriend Back** - C. Powell

2012-01-24  
The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than

once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.
