**When a Man Love a Woman** - Al Calvert, Sr. 2016-03-15

unconditional love There is no stronger force, no greater spirit on planet earth than love. Everybody lives for it and can't do without it. People have killed for it and many have died because of it. Kingdoms have been toppled because of it and queens have left their kings because they did not get it. Many have committed suicide because they never felt it; others have gone insane because someone else did not show it. We surrender to rigorous exercise, surgery and dieting because of our search for it. Some live and die never finding it. Some spend their lives trying to buy it. However in all that we do to capture and acquire it, love is free you are free to love. So we just ought to love that woman The purpose for this book is to help those who are somewhat struggling in their relationships. This book is to teach men to love the woman unconditionally and the art of making love. Let me be very clear that sex and marriage is right according to moral principles. But let's not be so naive to think that people inside or outside their faith married or unmarried is not interested in having sex. People LOVE SEX and need to be loved. Sexual relationships are just as much a part of life for you as it is to others. However it is the one virtue that have gotten us all in trouble with some regrets..

**The Passionate Mind Revisited** - Joel Kramer 2009-07-14

The Passionate Mind Revisited takes readers on a liberating inner journey into the workings of their mind that can transform the way people look at themselves and the world. This expanded inquiry reflects the authors' own and the world's evolution since The Passionate Mind came out in 1974. The original book focusing on the individual is now extended to social and philosophical spheres and global challenges, exploring how the world's life-threatening dramas are largely a function of people's genetic and cultural conditioning, worldviews, beliefs, and values. Kramer and Alstad assert that humanity is on an evolutionary cusp requiring further awareness and conscious social evolution. Worldviews can create rigid beliefs and narrow identities that are

destructive in a world of global impact. While acknowledging the fallibility of any mental construction, the book offers an evolutionary worldview deemed more likely than traditional worldviews or scientific materialism. In exploring what it is to be a human social animal, The Passionate Mind Revisited offers fresh vantage points on life's core issues: the nature of thought, authority and belief, pleasure and pain, desire and fear, identity, love and care, freedom, power, gender, time, meditation, violence, and evolution. By demonstrating how to inwardly see and break through one's conditioning, the authors delve deeply into the nature and processes of the mind, including how subjectivity filters perception. This approach to self-inquiry can help free people from mechanical responses that develop from unexamined beliefs and habits. Dysfunctional worldviews and their values inhibit the creative solutions much needed in a perilous world of runaway change. This book, through its discussion and methodology, fosters curiosity and truth-seeking. Kramer and Alstad offer new insights on personal and global issues that can facilitate a necessary shift to conscious social evolution.

**One Woman'S Story and a Love Like No Other** - Cate Moran 2015-08-18

As human beings, we invariably do anything and everything but spend time with the self. We are lost in thought as we get distracted with all the flurry of daily living and earning our keep, believing it to be our purpose. As we look around us we see what appears to be a neverending cycle of conflict and turmoil. We have tried in countless ways to resolve these issues, but to no avail. We don't need more analysis or knowledge. The only thing that will save us is more wisdom. Wisdom is not something that can be acquired through book knowledge alone, but rather it is experienced from a place of inner stillness. In One Woman's Story and a Love Like No Other, author Cate Moran shares how one can gain that inner stillness, unlocking the door to greater awareness. She helps you look at your life in a new way so you may realize your full potential. The memoir narrates Cate's story of her love of wisdom and her search to find true love. She tells how she combed the globe only to find the man of her dreams when she least expected it. Then, through a series of experiences, she shares how she gained a greater understanding of love. One Woman's

Story and a Love Like No Other explains how Cate lives simply and prefers to observe events as they unfold about her, helping her understand the meaning of life and to discover more of who she is from her life's journey. It is through these experiences that a very different self emerges.

**A MARRIED MAN ... PERCEPTIONS ABOUT ... LOVE** - Adrian Gabriel Dumitru

And what if one day ... after stop loving someone that you liked so, so much ... you decide to replace that big whole from your soul with loving all the people from the timeline of your life?! Today i believe that to understand the life itself we need to experience ... love ... in whatever form it might appear to us. It sounds weird, or even as a total nonsense ... but in the end ... following the paths of life .... I always realized that everything comes by itself. Not so long time ago, before becoming 40 .... I heard lots of strange ideas about the change is happening in man's perspective about life ... the next second he comes to this age. In fact ... the truth is that only 2 versions worth to be mentioned ... and i saw that at all my friends that had this age. One theory was that we start to have all types of medical problems ... and the other one was that the man starts to be obsessed by love ... love stories .... and all the women from the timeline of his life. I never had medical problems in my life ... so i totally ignored the first theory ....and on another hand, working in sales for more than 20 years ... i met thousands of ladies ... but never had the intention to cheat my wife. So ... i totally ignored both theories, but just few days before becoming 40 ... a very beautiful lady ... appeared in my life. She was the most unexpected person i could dream that i would start a love story with ... but ... it happened. The theory was right ... or at least one of it. I fell in love ... with that amazing soul ... and i started to write all my feelings and everything related to us. I wrote so much ... that one day i realized that i published 10 books carrying the word ... love ... inside of the title. But ... same as any other story from the history of the human being ... my love story had a beginning, the story itself .... and the end. Today ... looking back in time, i see just the 10 books i wrote ... but i would not like to read them again. Never ... In my last book about love stories ... "Loving, but not understanding where the love goes" ... the last 2 essays i wrote tell everything it was in my heart and soul ... "I miss you a lot, but i don't want you back in my life! Never again!" ... and "Awakening can be obtained at the end of the love story!". I left the love story dissatisfied of all happened ... but still ... i was chasing for love. Getting back into her arms ... was useless. I knew it ... and even if i lied myself for such a long time ... she was the same as my wife ... a shrew ... or at least this is how i saw both of them. I decided to let my life continue ... near my family, totally forgetting the love story .... but still not ignoring my huge desire for ... love. The smaller kid ....told me one day while arguing with my wife ... " You are not allowed to leave us. You are our parents and you don't have the right to do that." Ignoring those words ... was equal with betrayal. .... A huge one. So i remained near my wife and kids ... doing my duty, understanding the dharmic side of life ... but still something was whispering me all the time ..."love, love, love, love ... love ...." I thought i need to find another lady ... but my wife was paying attention now to any small detail ... so i could not repeat the love story i had with that crazy lady. I was meditating a lot. On the scene of my life, i met lots of other people in the same situation as myself ... that ended the love story and .... somehow started to be in a relationship with themselves. They discovered a new path .... the one of self love. But i did not know anything about the subject ... and not even wanted to bother becoming more profound and connected to myself. I actually did not wanted to start a new relationship either .... with someone else ...

either with myself. I knew i needed something else into my life... but did not understand the new path i need to follow. And i continued ... searching. On and on .... and on. One day ... a year ago ... while having a fire at one of my properties ... a heart appeared on the roof of the building. Everyone saw the heart ... except myself. Later on ... i saw it in the pictures taken by the people that were there at the time. Again .... I thought that i should find a new mistress and have a parallel life again ... without my wife to find out. But ... i was wrong. So ... damn wrong. Time passed and ... and the russian-ukrainian war began ... and i started to host lots of refugees. There were people that needed unconditional love and support ... and i somehow connected to the all of them ... realizing that i can be in a weird love story with all those women coming from Ukraine. They were ladies of different age and personality ... but i loved having them into my life. I somehow started to understand that even if i thought that being in love can have only 2 options ... loving a soulmate ... or yourself ... i finally saw a totally new path .... and that was being in a lovely relationship ... practicing another type of love .... with anyone was appearing in my reality. That of course ... could not offend in any way my wife .... and also could not affect the marriage i had ... but ... Yes .... It was ... an amazing trick ... and i just loved it. I finally understood what Dalai Lama or Pope Francis were saying ... about ... unconditional love for all the people from this world. Reading their books ... i even had moments when i thought the 2 of them were idiots .... but i was the idiot one. My marriage ... was indeed karmic ... having nothing to do with love ... but my youngest son learnt me the meaning of ... dharma. My mistress ... which even if i loved so, so much ... but don't even want to hear her name again ... taught me ... what love ... means. She was somehow a combination between karma and love ... and saw her at the end of our love story more as a teacher .... than a soulmate. Most probably i have totally different values as those 2 shrews ... my wife and my mistress ... but i am happy i met the ukrainian ladies. The abstract love story i started with them .... all of them ... no matter of age, personality, perspectives of life ... was a much better path for continuing my life journey. I finally understood that if i would know to connect to the people that appear on the timeline of my life ... and love them unconditionally.... somehow that love that i was chasing so, so much ... since i was a kid ... will come back to me in infinite quantities. I was looking for love ... and i had to see the meaning of love story ... from a totally different perspective. But ... now everything was clear to me. I knew what i had to do ... and which path to follow. My expectation was as my wife to love me .... but she was a karmic character that i could not replace ... or my mistresses to love me unconditionally.... but she was the teacher that made me realize what the concept of love ... means. My life journey ... had to continue ... and the ukrainian ladies showed me such a beautiful perspective ... i never thought about. I was glad ... of this awakening moment. So ... loving you?! ... loving me?! ... or ... simple loving any soul that appears in our lives?! Well ... maybe from my position where i am now ... being in a love story with everyone ... is probably the best scenario i could live. Am glad i see things today ... as that. Might be your perception ... or not. Might sound as a total nonsense all what i am writing .... but maybe it will be much interesting to hear weird ideas ... than the boring ones. So ... let the journey begin ... and we will see if i succeed to really connect to my real self ... so ... that i can find the inspiration to express myself clear enough ... that in the end you will try at least one time ... this kind of abstract love story ... being in love with all the people from your life.

It's about knowing what it takes to stand for your own dreams. In process of writing this book in past 8 years I got that: I'm here for the results and the opportunity of living in pure & honest intentions. I'm the possibility of being a river of dreams and miracles through commitment. I am here to have my life be on the hot seat..., to be willing to go through breakdowns or whatever else happens to get to the breakthroughs that give me my life. I'm here to invent new ways of being-based on nothing to show up in my life and in the world. I am here because in my intuitive heart I know that my life on earth revolves around bringing the new modes of conversations into the world, especially with researchers and

for world peace. I'm here to give my love to others, because I can and because it is the same love that they have for me."
