A Modern Couple's Guide to Female-Led Relationships

Mistress Dede 2015-02-08 Nowadays many people are becoming more and more aware to the concept that not all relationships are the same. What works for some people certainly does not suit others. Love and affection need not be confined to labels and strict definitions, because the spectrum of what constitutes a relationship is broader than many people imagine. The foundation of a great relationship is built on a solid platform comprised of love, trust, respect and above all, communication. But there are so many different ways of expressing these things, and no relationship is "one size fits all." For many people, the phrase "traditional relationship" conjures an image of a subordinate woman, with the man ruling the roost. While this is no longer seen as an absolute standard, it still has resonance with lots of people. And while a large majority of people prefer a more egalitarian approach to relationships, that doesn't work for everyone either. Female led relationships are often misunderstood, but are more common than you might think. In this type of relationship, the woman is the dominant partner and her partner is the willing subordinate. We'll be exploring the dynamics of this type of relationship in this guide, and the various aspects and benefits it has to offer. You may find yourself more intrigued than ever before.

From Blood and Ash Jennifer L. Armentrout 2020-03-30

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Surrender, Submit, Serve Her. Key Barrett 2016-12-22 What is 'Female Leadership'? It's accepting that 'She knows best' in all matters. From the finances to the household to how best to accomplish long-term goals. It's trusting in Her judgement to run things and embracing 'Her way'. This doesn't make the man weak, just the opposite, because men are the best at 'getting things done' when the task is clearly defined but difficult to do. A Female Dominant Household plays to both side's strengths and minimizes weaknesses, leading to Female empowerment, greater satisfaction in the relationship, trust, bonding and yes, mind-blowing sex. Surrender, Submit, Serve Her seeks to help implement your Female Led household through tools like the Command and Conquer meeting (commanding and conquering tasks and roadblocks, not people), laying out the contract of servitude (clearly defining her dominion and removing unnecessary confusion) and crafting your own pledge that personalizes and empowers the act of his submission. Surrender, Submit, Serve Her has been nominated for the BDSM Writers Con 2017 Golden Flogger Awards for BEST BDSM Book of the Year in the Non-fiction category. Updated for 2018! Better formatting and new content.

Awaken the Power Within Randall Michael Caruso 2017-08-24 During my journey in a Female Led Lifestyle, I have come to see why spanking, paddling, whipping and canning is important and is such a popular and erotic form of training men. Obedience must be demanded by each woman, if she wishes to rule like a Queen over each man. A Female Led Relationship may start out and often does as a male sexual fantasy, but it must evolve into a real lifestyle, where the woman really leads and the man really obeys or it simply will not work. I have seen many LOVE & OBEY couples reach this crossroads, and I often receive letters from men complaining that the woman has really adopted leadership of the relationship. They complain that now she wants to do things that they do not want her to do, but the Woman will no longer

listen. These men quickly learn that women who have been set free into a Female Led Lifestyle, no longer care what men will "allow" and they realize they are now free to do as they see fit. They are "Modern Day Queens," and they view the man as their subject, or as their knight, either way they require the man to obey their commands. So today the LOVE & OBEY movement has moved far away from a fantasy or a game, it is a real lifestyle and men and women, thousands upon thousands of them around the world are fully committed to it. A Female Led lifestyle involves setting up some rules for a man's behavior that can be monitored by his female authority. If he breaks a rule, then he knows that he must be disciplined for doing so. This discipline teaches men to behave in a more submissive, obedient and loving way. Some couples set up rules together, while others rely on the female leader alone to create them. Some rules of male behavior are actually suggested by the man, because he wants to work on some negative aspect of his own behavior or attitudes that he believes is holding him back from becoming a better man.

The Dominant Wife Rulebook Mistress Jessica 2013-08-13 What you will find that follows this introduction is a set of rules and information that you can adhere to in your Dominant / submissive relationship or not. If you purchased the actual book rather than the E-book, you will find each page has the rule listed and a check box for "Yes" and "No" so that you may start off slowly implementing new rules when either an infraction of that particular rule is encountered and needs to be dealt with by agreeing to adhere to the new rule, or say when the submissive has too many minor infractions and because of that a new rule needs to be added to the submissive list of rules they will need to adhere to. Kind of like you do something bad then you have a new rule in your life. It can be quite a lot of fun, just sitting down and reading a rule and each time a new rule is added the submissive life can change dramatically because of it. How you implement the rules or not, is entirely up to you, these are just guidelines, things that we have found have been fun and work well in our relationship, feel free to alter or change a rule to fit your own situations. We have even included a number of pages for you to add your own specific rules that you may have that is not included in our own rules. What you have in the end is pretty much an owner's manual for your submissive husband, what better fun can there be for a submissive husband to know that in his house is a

book of rules that he must follow else he may be punished by his Dominant wife. I personally like to leave the book lying around the house just so my submissive husband can see it and know that it is there.

[A Woman's Guide to a Female Led Relationship](#) Victoria West

2017-01-05 I am writing this book for the woman who is interested in being in a Female Led Relationship. It is for the women who is at her wits end and is tired of the same old thing with the same men. She is tired of being an object in her relationship. She is tired of not getting satisfied in bed. She is tired of "sleeping on the wet spot" while her lover rolls over and falls asleep. She is tired of being overlooked and taken for granted. This is not a book of erotic titillating stories. While in later chapters I will give you a variety of ideas to take "erotic control" of your partner, my primary purpose is to give you a realistic illustration as to what to expect and think about when you are in a relationship like this. We have all dated that guy who wanted sex all the time and was really kinky in the bedroom. The kind of guy that wants to do it in the back yard while you're wearing a red satin teddy or a guy who wants to watch while you are pleasuring yourself with your magic vibrating egg. But a Female Led Relationship is more than just kinky sex. It's actually a very small part of it. It is first and foremost a relationship between two consenting adults. It isn't just one or two steamy and kinky moments of passion. It's a way of living. It's a lifestyle with the woman at the helm.

The Hesitant Mistress Dvanna Hightower 2013-06-09 The submissive man in a vanilla relationship faces a daunting challenge. How can he convince his demure girlfriend to take charge without turning her off? How can he show her that female domination is not a sick stereotype, but a healthy and romantic way to enhance her life? This book is the answer to his prayers. His girlfriend's hesitation is perfectly understandable. Since female dominants are so often depicted as arrogant sadists intent

on hurting and humiliating men, it's not surprising that any woman would feel reluctant to adopt this role in her relationship. After all, who would treat her beloved partner as if she hated him? But she has no need to worry. The real female dominant is not a cruel psychopath. Her relationship involves mutual trust, cooperation, and communication. She can be nurturing and reasonable. She can share her feelings and needs. She can be herself, more bravely than ever - and her partner will love her for it. In *The Hesitant Mistress*, author and dominant Dvanna Hightower gently introduces the novice mistress to a new world of life-enhancing possibilities. The male submissive will try to give his lady everything she desires; all she needs to do is recognize the confidence she already has inside her. Part self-help book, part kinky instruction manual, *The Hesitant Mistress* is an indispensable introduction to female-led relationships. Any woman who reads it will never be the same.----- CONTENTS -----I. Locked-In Love: How Two Weeks in Chastity Can End the Barter System, Renew Courtship and Make a Better Husband. Key

Barrett 2018-09-24 Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked up in chastity for seven days in order to better understand the motivation behind chastity and the emotional aspects so he could write about it with greater understanding in both his fiction and

nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons, to make sure everything is working properly, or if she had sexual interest in freeing him. What started as a simple one week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four, she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication, they identified a sexual trade-off that existed in their marriage, a 'barter system' wherein every action he engaged in had an undercurrent of sexual pressure, a literal tat-for-tit. Freed from it through a chastity device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned, plus surveys and research derived from male chastity users, and shows couples how they too can end the barter system, increase communication and bring back the courtship phase, butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.

Why Not? Barbara Deloto 2018-09-10 Male feminization for fun and growth? Why not? It's a question that critical thinkers ask about many subjects. Everyday there's someone who sees something and instead of saying no they ask, why not? What if the Wright brothers agreed with everyone that man can't fly? What if Henry Ford believed like everyone else that there could be no mass production? What if Galileo gave up on the idea that the world is round and not flat like the Church wanted him to? If something can be beneficial for you or others, but the accepted societal view says it's wrong, does that really make it wrong? Male-to-female crossdressing is one of those things. Sometimes viewed as an unmanly due to societal paradigms and beliefs and called a deviant behavior, it's carried a stigma with it. Does that mean it shouldn't be done? Women are allowed to cross-dress; it has become commonplace for women to wear men's styles of clothing, yet men are forced to stay in men's clothes. Dresses, skirts, stockings and all the feminine accoutrements have fallen to the wayside for most women today, and it's perfectly acceptable for them to wear flannel shirts with jeans, or sweatpants with sneakers or flat shoes. Why not? Why shouldn't a male be offered the same flexibility? Until the time comes when open-mindedness is more prevalent, and paradigms and beliefs are changed, it's still possible to do in secret or with likeminded people and groups, and the benefits are just as great. To balance the individual's masculine and feminine energies and activate the rise on Maslow's hierarchy of needs is not a trivial thing, and that is just one of many benefits it brings. If you, a person close to you, a spouse or partner, or a friend of yours is involved in male-to-

female crossdressing, has an interest in it, or is bored and wants to try something new and exciting, then drop the veil of illusions by creating a new feminine illusion and thrive. Read on and see what benefits can follow in this thoughtful short read that just might improve your or someone else's life-or at least help you understand it better. Look inside now.

MindJournal Ollie Aplin 2017-05-04 The simple aim of this book is to help and support you through life. It is a tool to help you be a stronger version of the man you already are. Back in the day, keeping a journal was the manly thing to do. All the great thinkers, writers and explorers of the past kept a journal on a regular basis - from Ernest Hemmingway to Bruce Lee. It was a simple habitual practice; a clever therapeutic outlet, particularly for men, that has been lost. This book aims to bring it back. While the gym strengthens your body, think about this book as a workout for your mind. This is brain training to build a positive mental attitude and, ultimately, a better and more resilient you. Contains three interactive sections: Warm Up, Hurdles and Strength, each with prompts, challenges and motivators to help get you started. Plus the MindManual, which offers further support, checks and advice to keep your brain training on track.
