The Performance Identities of Lady Gaga -

Richard J. Gray II 2014-01-10

Three years after entering the pop music scene, Lady Gaga became the most well-known pop star in the world. These thirteen critical essays explore Lady Gaga's body of work through the interdisciplinary filter of performance identity and cover topics such as gender and sexuality, body commodification, visual body rhetoric, drag performance, homosexuality and heteronormativity, Surrealism and the theatre of cruelty, the carnivalesque, monstrosity, imitation and parody, human rights, and racial politics. Of particular interest is the way that Lady Gaga's oeuvre, however popular, strange, raw or controversial, enters into the larger sociopolitical discourse, challenging the status quo and altering our perceptions of reality.

Pornography - Gail Dines 2013-10-31

First published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

Spy - 1996-12

Smart. Funny. Fearless. "It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

How to Make the Body - Jennifer L. Creech

2022-06-30

How to Make the Body: Difference, Identity, and Embodiment brings together contemporary and historical readings of the body, exploring the insights and limits of established and emerging theories of difference, identity, and embodiment in a variety of German contexts. The engaging contributions to this volume utilize and challenge cutting-edge approaches to scholarship on the body by putting these approaches in direct conversation with canonical

texts and objects, as well as with lesser-known yet provocative emerging forms. To these ends, the chapter authors investigate "the body" through detailed studies across a wide variety of disciplines and modes of expression: from advertising, aesthetics, and pornography, to social media, scientific experimentation, and transnational cultural forms. Thus, this volume showcases the ways in which the body as such cannot be taken for granted and surmises that the body continues to undergo constant--and potentially disruptive--diversification and transformation.

Christian Sex Ed - Dane Fragger 2020-04-14

According to a survey of two thousand Christians done by Christian Sex Ed. Ministries, 91 percent believe that the community of faith doesn't talk enough about sexual purity. Christian Sex Ed is the answer to that problem. As you read through these pages, you will learn about sex in an educational, scientific, transparent, and—above all else—a biblical manner. Not only will you be educated about sex, but you will be equipped to walk in sexual purity. After spending twelve years as a slave to sexual sin, Pastor Dane shares the biblical and practical steps that helped him overcome a life of sexual immorality and walk in continuous freedom. Dane Fragger is the founder of Christian Sex Ed. Ministries. Millions of believers around the world who desire to learn about dating, sex, and sexual purity view his content each month. In addition, Dane serves as a pastor in Los Angeles, California, where he lives with his beautiful wife and lovely daughters.

Soul Babies - Mark Anthony Neal 2013-02-01

In *Soul Babies*, Mark Anthony Neal explains the complexities and contradictions of black life and culture after the end of the Civil Rights era. He traces the emergence of what he calls a "post-soul aesthetic," a transformation of values that marked a profound change in African American thought and experience. Lively and provocative, *Soul Babies* offers a valuable new way of thinking about black popular culture and the

legacy of the sixties.

Tantric Secrets for Men - Kerry Riley
2002-10-01

Contains everything a man needs to know in order to be a good lover, based on esoteric traditions of sexual ecstasy. • Includes practical and easy-to-follow Tantric rituals and sacred sexuality exercises for a modern lifestyle. • Uses real-life stories of couples to show the benefits achieved with the practices. • Offers an approach to lovemaking that encompasses all dimensions--physical, emotional, and spiritual. • Written by the co-creators of The Secrets of Sacred Sex video Being a good lover isn't easy. With more freedom, knowledge, and body awareness, today's woman knows better than to settle for predictable, performance-based sex. Tantric Secrets for Men offers everything a man needs to know in order to satisfy a woman's physical, emotional, and spiritual yearnings. Employing the ancient secrets of physical ecstasy, men learn to transform rote sex into passionate lovemaking, pleasure into ecstasy, and partnership into union. From the expert teachings of a committed couple practicing and teaching ecstatic sexuality in a modern-day context, men will learn how to satisfy a woman on the levels of body, heart, and soul--and how to bring themselves to new heights of ecstasy in the process. The authors draw upon time-honored tantric and Taoist practices and modern sexology that will enable couples to make love more frequently, achieve higher and prolonged states of orgasmic intensity, experience lovemaking as a sacred endeavor, and deepen loving relationships.

One Day at a Time - Daniel J. Fick 2019-04-04

One Day at a Time provides an explicit view into my journey from obsession with lust, addiction to

pornography use, and adultery to real emotional and spiritual healing. Lust, and the compulsive attitudes and actions it breeds, is one of the most profound and taboo issues facing humanity today. Most within the Church are too afraid to share their stories of struggle and redemption. Unfortunately, fear is born from shame, which keeps those struggling isolated, allowing for our obsessions and addictions to fester and destroy lives and families. Through anecdotal advice, scientific research, and honest, transparent, and humble autobiography, this book aims to bring awareness to the havoc lust, pornography use, and adultery are wreaking on society today. Pornography, Sex Work, and Hate Speech - Karen J. Maschke 1997

Multidisciplinary focus Surveying many disciplines, this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States. The themes addressed include the historical, political, and social contexts of legal issues that have affected women's struggles to obtain equal treatment under the law. The articles are drawn from journals in law, political science, history, women's studies, philosophy, and education and represent some of the most interesting writing on the subject. The law in theory and practice Many of the articles bring race, social, and economic factors into their analyses, observing, for example, that black women, poor women, and single mothers are treated by the wielders of the power of the law differently than middle class white women. Other topics covered include the evolution of women's legal status, reproduction rights, sexuality and family issues, equal employment and educational opportunities, domestic violence, pornography and sexual exploitation, hate speech, and feminist legal thought. A valuable research and classroom aid, this series provides in-depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women.

African Language Media - Phillip Mpofo
2023-03-13

This book outlines how African language media is affected by politics, technology, culture, and the economy and how this media is creatively produced and appropriated by audiences across cultures and contexts. African language media can be considered as a tool for communication, socialization, and community that defines the various identities of indigenous people in Africa. This book shows how vernacular media outlets including radio and television, as well as native formats such as festivals, rituals and dance, can be used to influence all facets of local peoples' experience and understanding of community. The book also explores the relationship between African language media sources and contemporary issues including the digitalization conundrum, peace and conflict resolution, identity formation, hate speech and fake news. Furthermore, it shows how local media can be used for development communication purposes during health and environmental crises. The book includes cases studies demonstrating the uses, experiences and activities related to various forms of media available in African languages. This book will be of interest to scholars in the field of communication and media studies, health and environmental communication, journalism, African studies and anthropology.

Sexuality in Adolescence - Susan Moore 1993

Your first slow sex Secrets of sex that Japanese women love - Adam Tokunaga 2015-04-18

The most famous sexual therapist in Japan guides you through the techniques of "slow sex" that makes women have an orgasm. Best techniques that every woman loves changes your sexual life dramatically! [Text] Now we can get various information on sex through the Internet and magazines. Unfortunately, most of the information you can find is fake. The fake information comes from misunderstandings, lies and obsessions; so it is widely inaccurate. It only stimulates men's sexual urge and curiosity. If you have accurate knowledge and techniques, every man can satisfy their lady. The reason why you haven't been able to do that yet is because most of your common sense knowledge you've believed to be "true" or "normal" is wrong. Once you've learned, mastered, and done my proposed slow sex correctly, you can satisfy your special lady. Just forget all the knowledge you've learned and your current techniques. You'll be surprised how wrong your sex is. [table of contents] Introduction Don't you want to see your lady having a true orgasm? STEP 1 Let's start with learning what the "true sex" is Sex gap between men and women It's not sex if you don't feel nice "Strategy" that satisfies your lady Porn video is "fantasy" Key word is "time" Touch

"very gently"? The proper way to pet your lady's clitoris Technique that makes your lady have an orgasm with her vagina Size doesn't matter
STEP 2 Understand "the difference between men and women" Have sex using the brain Frigid women, it's 95 % men's fault That's her kindness if she "pretended to have an orgasm" You won't feel nice if you're only aim is "orgasm" How to insert fingers correctly Start with "palm touch" to make your lady relax Stop having mistake-filled sex
STEP 3 Reset your current sex If you forget ejaculation, it changes your world Change your mindset "make her have an orgasm" to "make her feel nice forever" The core of sex Make your erogenous brain work 2 techniques which evolve women's erogenous brain Reasons why sex makes men better
STEP 4 Try slow sex Watching porn videos with your girlfriend is counterproductive Express your affection with the mouth, show your technique with fingers Adam touch that improves women's sensitivity Anyone can release sexual energy (power) The key is "vibrate" Adjust sensitivity with petting hair Women decide sexual chemistry with kissing How to find and touch G spot The super erogenous zone: Adam G spot The ultimate pleasurable sensation "T spot" A spot that can be only pet by a penis Is a normal position thoughtless? The ideal position is facing sitting position Flirtation 30 minutes/ intercourse 30 minutes is the minimum requirement! Intercourse means "a penis pets a vagina" Nothing happens if you don't try Postscript your humbleness takes your lady to orgasm
