### What does a Side Chick Offer That the Main Girl Can't? Main Girl

Take Notes TJ Clemons A lot of women get mad when they find out that their spouse or significant other has had a woman on the side for years. But my question is do they bear any responsibility for the actions that led to their man seeking the affections of a mistress or lover? Most will disagree with this notion but they may have played a part in his indiscretions. Let me explain it in a way that might make better sense to you. When a man and a woman get together in the beginning everything is magical and exciting. Over time women get comfortable and set in their ways. Men can also be guilty of the same thing. Now that magical feeling is starting to lose its effect. They slowly start growing apart but they still love each other. Then another woman comes

along and notices how good of individual your man is. They desire the treatment that he is giving you and then they decide to get his attention. So now the chase is on. She does everything in her power to win him over and make him her man. The fact that he already has a wife or girlfriend only fuels her desire to obtain his attention and affections. He is the prize and she will do almost anything to claim the object of her burning desires. She will give her body to him in any way that he requests. Now you may ask what does that have to do with his wife or girlfriend? Along the way the passion in their relationship isn't what it once was. Now another woman is stepping in and giving him the attention and sexual satisfaction that he use to share with his wife or lover. Relationships need to be nurtured and maintained. And when they are not outside interference may come in wreak havoc. This is exactly how affairs get started. Once that flame is out a new spark can ignite flames of passion and intimacy. A man starving for attention is an easy target for a friendly female seeking his undivided attention. This friendly female is now making herself available to your man and catering to his every want, need, and craving with detailed execution. You may not want to hear this if you are his wife or girlfriend but you might learn a thing or 2 from his side woman so pull up a chair and start taking notes. This advice might just save your relationship and give you a better idea how to treat your man. Many females consider this topic to be very respectful but if you are open to receiving information then it can give you a better understanding on where your current relationship can use some improving. Information is power. Push your ego to the side because you are going to learn something today. You are going to learn what his side chick has to offer him that you are not providing him at home.

modern green lights for a thousand years, yet he doesn't look like he is ready for you at all. You wish you had that perfect gentleman in your life, completing you where you short and making you feel like life is a bed of roses, sadly, it's like you've been destined to meet only the bad boys in the world. Perhaps you are this church girl, praying woman, and an addicted lover of Christ. All you want is that knight that keeps your fire burning - spiritually, sexually, mentally, financially and otherwise; sadly, your man doesn't seem to be that perfect. Let me guess, you are married but then, it turned out that you would trade anything (or everything) to have that single-like life back, probably because marriage with him was not the best decision you ever made after all. If this is you, then you are at the right place! Before we move on to the many true and proven benefits of having a copy of this book, let me pass this to you straight and clear - No Mr. Right exists anywhere in the world, every woman's Mr. right died about 2,000 years ago. The only available option is to make a Mr. Right from the Mr. Almost Right you have with you. Is he okay sexually and financially, but he is not that spiritual and fun to be with? You can actually panel-beat that spirituality and comic ability into him. Do you have that strong feelings for him and you feel he does for you too, but you are not sure if he is going to be the perfect man for you? Well, you can actually make that work with the power in the knowledge you are about to acquire. Sweetheart, feelings (no matter how strong they are) can never keep a man... but that begs the question, WHAT DOES?

Confessions of a Happily Married Man Joshua L. Rogers

2019-12-17 Discover God in the messiness of your marriage, as popular marriage and family columnist Joshua Rogers offers spouses hope with real-life stories from his own marriage and helps you see how God is at work in the ordinary and extraordinary of your relationship. Confessions of a Happily Married Man is a husband's painfully honest account of his first ten years of marriage. It offers a window into the perspective of a

man who went from "hello" to "I do" in nine months and then figured out how hard marriage could be. When Joshua Rogers thought back on the marriage books he had read or sermons about marriage he had heard, it occurred to him that he could only remember one thing about them: the stories. That's why this book is anchored by stories that other couples will relate to and can easily learn from. The stories are cringe-worthy, humorous, inspiring, heart-breaking, and full of wisdom--but the author isn't telling the reader what to do with that wisdom. He's letting the reader learn along with him as he's gradually becoming more self-aware, increasingly grateful for his wife, and surprised to discover what God is doing in the middle of it all.

*Mr. Unavailable and the Fallback Girl* Natalie Lue 2011 Are you the Fallback Girl? If you've ever found yourself in a relationship that feels and seemingly looks like one but you're struggling with commitment or you've been in the ambiguous territory of a 'casual relationship', you've likely tried to change them, wondered what you 'did' to cause this, what you can do to win their love and commitment, or even whether you're going crazy. Mr Unavailable and the Fallback Girl is the definitive guide to understanding the relationship between emotionally unavailable men and the women that love them. From explaining how and why they blow hot and cold, to where that future they promised went to, how you've ended up being a booty call, why you've been together for a gazillion years but aren't going anywhere, and more importantly how and why you're involved with them in the first place, all of the answers are here. You know you're dealing with unavailability when you ask stuff like What happened to that 'great guy' from the beginning? Why won't he break up or stay away if he doesn't want to commit? What the hell did I do to make him disappear? Is he going to leave 'her' for me? It's because he's shy/busy/scared of his feelings isn't it? Inspired by the real life adventures in unavailability of Natalie Lue and the readers of her site [BaggageReclaim.com](http://BaggageReclaim.com), Mr Unavailable and the Fallback Girl is an empowering, entertaining and inspiring read that will wise you up to pitfalls such as men who aren't over their exes, Future Fakers, guys that have more baggage than a Heathrow terminal and reappearing childhood 'sweethearts'. *The Love Gap* Jenna Birch 2018-01-23 A research-based guide to navigating the newest dating phenomenon--"the love gap"--and a trailblazing action plan to help smart, confident, career-driven women find (and keep) their match. For a rising generation young women, the sky is the limit. Women can be anything and have everything. They are outpacing their male peers in higher education and earning the corner office at work. Smart, driven, assertive women are succeeding at just about everything they do--except romance. Why are so many men afraid to date smart women? Modern men claim to want smarts, success, and independence in romantic partners. Or so says the data collected by scientists and dating websites. If that's the case, why are so many independent, successful women winning in life, but losing in love? Journalist Jenna Birch has finally named the perplexing reason: "the love gap"--or that confusing rift between who men say they want to date and who they actually commit to. Backed by extensive data, research, in-depth interviews with experts and real-life relationship stories, *The Love Gap* is the first book to explore the most talked-about dating trend today. The guide also establishes a new framework for navigating modern relationships, and the tricky new gender dynamics that impact them. Women can, and should, have it all without settling.
