Stepping Into My Divine Masculine King Power - Kevin Hunter 2020-03-13

Stepping Into My Divine Masculine King Power unites the Divine Masculine energy with the persona of the King archetype. Part autobiography and part divine guidance, Kevin Hunter reveals pieces of his life mixed with content intended to inspire the reader into physical and soul victory. The autobiographical segments focus on the efforts it takes to move from child abuse, oppression, addictions, and mental health issues to rising up through the various stages of immature adolescence and into the spiritual maturity of the divine masculine king energy. This is a process that doesn't take place overnight, but is gradually shaped through the course of time as you endure continual life challenges, experiences, and study. Life is one big classroom aimed to assist the soul in its individual evolution process. The more centered and confident your soul becomes, the greater the chances of naturally and effortlessly rising and stepping into the divine masculine king power energy. You gain more resilience through the tougher times. The divine guidance teachings include psychic insights as well as inspirational wisdom on developing a courageous spirit with bold self-confidence to achieve and accomplish what you seek out to do in life. This is from understanding the working nature of the Universe, God, Spirit, the Light, as well as the value of pairing with your Spirit team

to recognize your lessons as well as attaining victories in life. Your soul is intended to endure challenges and struggles to prepare you for successes, wins, breakthroughs, and blessings. Sometimes points are made in a stream of consciousness, while other times spirit messages are intertwined with those thought processes and discussions. Some of it may be lighthearted and entertaining as the author points out pieces of his selves coupled with his wins that later came beyond the childhood trauma and onto the more serious tough love motivational speeches. The ultimate goal is to empower and inspire you to step into your divine masculine king power in order to conquer and succeed in all aspects of your life. The Divine Masculine energy is one that all souls have access to regardless of gender.

Saved By the Crush's Brother - Maggie Dallen 2020-07-06

Avery's plan? Snag her crush's attention, by any means necessary. She gets someone's attention, all right, it's just...the wrong brother. The plan... Avery's not a fan of unrequited love. This crush on Alex Luven? It's gotten old. She's over it. In fact, this hopeless romantic is finally ready to take matters into her own hands, and the first step is to find some common ground. A mutual activity they can bond over, perhaps. When their health class teacher pairs them up to take care of the "health baby" for a week, she knows the universe is on her side. True love for the win! What better way to bond then over their precious fake baby? The reality... This is no ordinary baby. It's a demon in disguise. Surely real babies never cry this much. The stupid doll keeps her up all night and drives her crazy with its neediness all day, and the worst part? Alex is a total flake. When exhaustion reaches critical mass, she caves. If he won't answer his phone, then there's nothing for it but to show up at Alex's door. Except the hottie who answers the door? Yeah...this bad boy is definitely not Alex. The brother... Cristian's not exactly excited to be at his family home on his college break. His father's an overbearing tyrant, his brother is an egomaniacal jerk, and now... Well, now it seems he's babysitting his perfect brother's fake baby and kissing the girl of his dreams. So, not all bad then...right? Except that the girl of his dreams has a crush on his Prince Charming brother. And much as Cristian can't stand his brother, Cristian's not about to get in their way. Right? Except that he has...and he probably will again. Because when it comes to true love...his perfect brother can suck it. This is a sweet, standalone Young Adult romance. Do you find yourself wondering who has a crush on you? If so, don't worry, you're not alone. In fact, according to a recent study, almost half of all people have wondered this at some point in their lives. So, if you're looking for a way to figure out who has a crush on you, here are ten best ways to do it. 1. Look out for signs that someone might be interested in you. This might include sending you romantic messages, being overly affectionate, or pursuing you in a way that seems out of the ordinary. 2. Ask someone out. This might be the easiest way to figure out who has a crush on you, especially if the person is someone you know well. Just be sure to take things slow and be prepared for a response. 3. Watch for subtle clues. If someone repeatedly compliments you or pays attention to you in a way that seems too friendly, it might be a sign that they have a crush on you. 4. Be observant. If someone seems to be watching you or following you around, it might be a sign that they have a crush on you. 5. Check your social media profiles. If someone you know has been posting a lot of pictures or videos of you, it might be a sign that they have a crush on you. 6. Ask your friends. If they know who the person with a crush on you is, they might be able to give you a hint. 7. Pay attention to your feelings. If you're not sure whether the person with a crush on you is serious

about them or not, it might be a good idea to take things slow. 8. Talk to a therapist. If you're not sure what to do or how to proceed, talking to a therapist might be a good idea. 9. Get a love reading. If you're feeling lost or unsure about what to do, getting a love reading might be a good solution. 10. Trust your gut. If you're certain that the person with a crush on you is interested in you, go ahead and let them know. After all, it might be the best thing for both of you.

Advanced Social Psychology - Eli J. Finkel 2019-03-15

Social psychology uses clever, even ingenious, research methods to explore the most essential questions of the human psyche: Why do we help some people and harm others? Why do we pay so much more attention to high-powered people than they pay to us? If humans evolved from great apes, why are human selves so much more elaborate? How does our attachment to our parents when we are infants influence the success or failure of our romantic relationships when we are adults? Can behaving morally "license" us to behave immorally shortly afterward? How do social relationships make us more versus less prone toward physical illness? This volume -- an update to the original, 2010 edition -- provides a graduate-level introduction to social psychology. The target audience consists of first-year graduate students (MA or PhD) in social psychology and related disciplines (marketing, organizational behavior, etc.), although it is also appropriate

for upper-level undergraduate courses. The authors are world-renowned leaders on their topic, and they have written state-of-the-art overviews of the discipline's major research domains. The chapters are not only scientifically rigorous, but also accessible and engaging. They convey the joy, excitement, and promise of scientific investigations into human sociality.
