*I Kissed Alice* - Anna Birch 2020-07-28

"Rivals-to-lovers, mistaken identity, and slow, slow burn... A loving homage to fandom and queer girls." —Victoria Lee, author of *The Fever*

King For fans of Leah on the Offbeat and Laura Dean Keeps Breaking Up with Me, Anna Birch's *I Kissed Alice* is a romantic comedy about enemies, lovers, and everything in between. Rhodes and Iliana couldn't

be more different, but that's not why they hate each other. Rhodes, a gifted artist, has always excelled at Alabama's Conservatory of the Arts (until she's hit with a secret bout of creator's block), while Iliana, a transfer student, tries to outshine everyone with her intense, competitive work ethic. Since only one of them can get the coveted Capstone scholarship, the competition between them is fierce. They both escape the pressure on a fanfic site where they are unknowingly collaborating on a webcomic. And despite being worst enemies in real life, their anonymous online identities I-Kissed-Alice and Curious-in-Cheshire are starting to like each other... a lot. When the truth comes out, will they destroy each other's future? An Imprint Book "The swoony queer romcom of my heart... Pitch-perfect." —Rachel Hawkins, New York Times-bestselling author of *Prince Charming* and *Her Royal Highness*

*Kiss Her Once for Me* - Alison Cochrun 2022-11

The author of the "swoon-worthy debut" (*Harper's Bazaar*) *The Charm Offensive* returns with a festive romantic comedy about a woman who fakes an engagement with her landlord...only to fall for his sister. One year ago, recent Portland transplant Ellie Oliver had her dream job in animation and a Christmas Eve meet-cute with a woman at a bookstore that led her to fall in love over the course of a single night. But after a betrayal the next morning and the loss of her job soon after, she finds herself adrift, alone, and desperate for money. Finding work at a local coffee shop, she's just getting through the days—until Andrew, the shop's landlord, proposes a shocking, drunken plan: a marriage of convenience that will give him his recent inheritance and alleviate Ellie's financial woes and isolation. They make a plan to spend the holidays together at his family cabin to keep up the ruse. But when Andrew introduces his new fiancée to his sister, Ellie is shocked to discover it's Jack—the mysterious woman she fell for over the course of one magical Christmas Eve the year before. Now, Ellie must choose between the safety of a fake relationship and the risk of something real. Perfect for fans of *Written in the Stars* and *One Day in December*, *Kiss Her Once for Me* is the queer holiday rom-com that you'll want to cozy up with next to the fire.

*So You Wanna Kiss a Girl...* - Chris Gaucher 2016-10-18

Liam is your typical whimsical, random, twelve-year-old boy. He likes music, video games, hanging out with his friends... and girls. His concerned mom wants to be sure he is prepared for this new stage of his life so she assigns him a task that makes doing dishes seem like a walk in the park: In exchange for screen time, Liam has to write a book about boy/girl relationships! His mom plans on giving him a weekly lesson about girls over the 10 weeks of summer vacation. He has to turn those lessons into 10 chapters that will help boys make sense of the confusing world of girls. What choice does poor Liam have? Of course, nothing ever goes as planned. By the time his book is actually finished, more than a year has passed and Liam has learned a thing or two about girls all on his own. With all the wry humour and often sarcastic wit of a teenage boy, *So You Wanna Kiss a Girl* will educate its young male readers even as it entertains.

***Dangerous Liaisons*** - Pierre Choderlos de Laclos 2022-11-13

*Dangerous Liaisons* is the story of the Marquise de Merteuil and the Vicomte de Valmont, two narcissistic rivals (and ex-lovers) who use seduction as a weapon to socially control and exploit others, all the while enjoying their cruel games and boasting about their manipulative talents. It has been seen as depicting the decadence of the French aristocracy shortly before the French Revolution, thereby exposing the perversions of the so-called Ancien Régime.

*Goodbye, Stranger* - Stella Benson 2022-08-10

Seven years ago, a newly married man Clifford Cotton was abducted by fairies, and a changeling took his place in the world. His mother, who despises the modern world, believes this replacement is a fantastic improvement. On the other hand, his wife desires the return of the man she married, and fairy Clifford also wants to be an ordinary human again.

**The Guyde** - Howie Reith 2016-11-19

The *Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The *Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III -

Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The *Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you. *A Million Kisses In Your Lifetime* - Monica Murphy 2022-08-11 DISCOVER THE DEEPLY ROMANTIC AND UNFORGETTABLE TIKTOK SENSATION THAT WILL GRIP YOU UNTIL THE VERY LAST PAGE 'Wren and Crew stole my heart and neither of them will give it back. **The Science of Kissing** - Sheril Kirshenbaum 2011-01-05

From a noted science journalist comes a wonderfully witty and fascinating exploration of how and why we kiss. When did humans begin to kiss? Why is kissing integral to some cultures and alien to others? Do good kissers make the best lovers? And is that expensive lip-plumping gloss worth it? Sheril Kirshenbaum, a biologist and science journalist, tackles these questions and more in *The Science of a Kiss*. It's everything you always wanted to know about kissing but either haven't asked, couldn't find out, or didn't realize you should understand. The book is informed by the latest studies and theories, but Kirshenbaum's engaging voice gives the information a light touch. Topics range from the kind of kissing men like to do (as distinct from women) to what animals can teach us about the kiss to whether or not the true art of kissing was lost sometime in the Dark Ages. Drawing upon classical history, evolutionary biology, psychology, popular culture, and more, Kirshenbaum's winning book will appeal to romantics and armchair scientists alike.

### **The Book of Pook** - Pook 2018-03-19

The complete collection of writings by the legend himself! A few years ago there was a man who posted on a PUA forum called So Suave and had his own blog called Pook's Mill. His basic message was that the PUA techniques were too simple, and focused on external manipulations, and focusing on others rather than focusing on yourself and your own masculinity. Sadly Pook disappeared from the scene, but his teachings live on in this ebook.
