## From Dating to 'I Do': How to know you're ready for marriage - WFLA

*Intimacy* - Martin Fisher 2012-12-06

Intimacy is a complex and heterogeneous concept that has generated a variety of definitions, theories, and philosophies over the years. Although there is much disagreement about the essential meaning of the term, there seems to be a consensus that intimacy, whatever it may be, is of central importance in human relationships, and specifically, in the theory and practice of psychotherapy. One approach to intimacy focuses on an intrapsychic conception. Intimacy occurs when an individual achieves full self-knowledge, and is fully in touch with his or her feelings and wishes. From this viewpoint, an intimate act occurs when a person is willing to share these feelings and wishes with another, so that self-disclosure becomes an important index of intimacy. This definition also implies that intimacy need not be reciprocal, so that a therapeutic relationship can achieve a good deal of intimacy without the therapist engaging in self-disclosure. An alternate approach to intimacy stresses the interpersonal nature of the concept. Intimacy is seen as the product of an interaction, and can only occur between people. Each one is able to touch something meaningful in the other, whether at a conscious, behavioral level or an unconscious and inferential level. Therapists seeking intimacy in these terms would probably be a good deal more active, and consider it more important to reveal something of the substance of their own persons, if not the facts of their lives.

*Anxiety in Relationship* - Gary Gottman 2019-04-09

Do you have a hard time making meaningful connections? Your partner called you insecure, desperate, or jealous? Is a common refrain in relationships, and with good reason! Buy the Paperback version and get the Kindle Book versions for FREE. Every person is wired for love differently, with different habits, needs, and reactions to conflict. Healthy relationships require trust, intimacy, effective communication, and understanding... No matter how committed you are, anxiety can leave you feeling distanced from your partner. By changing the way you react to stress, you will be able to focus on enjoying time with the one you love, without anxiety getting in the way. With this book, you will learn to stay centered when faced with conflict, understand your partner's perspective, and become more independent. Inside *Anxiety in Relationship*, we will talk about: Understanding Anxiety Insecurity Relationship Attachment Style Jealousy in Marriage Fear of Abandonment Conflict in Relationship Advice for Couples Possessiveness With self-awareness, you can successfully explore old anxiety-perpetuating perceptions and habits without being overwhelmed or paralyzed by them. By understanding the psychological factors at the root of your attachment anxiety, you will learn to cultivate secure, healthy relationships to last a lifetime. *Anxiety in Relationship* is essential reading for couples and others interested in understanding the complex dynamics at work behind love and trust in intimate relationships. The concepts included can be applied to any relationship, whether your partnership is weeks, months, years, or decades old. Regardless of your compatibility the health of your relationship will ultimately be determined by your willingness to invest in its future success. If you are ready to break the self-fulfilling cycle of mistrust, clinginess, and heartbreak and start building lasting, trusting relationships, this book will be your guide. Now, scroll up, click "add to cart" and start your journey to a better relationship!!! Buy the Paperback version and get the Kindle Book versions for FREE.

**From Impasse to Intimacy** - David Shaddock 1998

This text identifies the unconscious factors that influence the way people feel and behave in intimate relationships, covering the needs and fears that create and sustain dysfunctional patterns of relating. It illustrates concepts that should help to make relational transformation possible.

**The Spirit of Intimacy: Ancient African Teachings in the Ways of Relationships** - Sobonfu Some  
A renowned, respected teacher and mentor to thousands, Sobonfu Somi is one of the first and foremost voices of African spirituality to come to the West. Somi was born in Dano, Burkina Faso, a remote West African village with a population of about two hundred people. Dano has preserved the old ways of African village life, with family structures, spiritual practices, and methods of living that have been in place for more than ten thousand years. In *The Spirit of Intimacy*, Somi distills the ancient teachings and wisdom of

her native village to give insight into the nature of intimate relationships. Somi generously applies the subtle knowledge from her West African culture to this one. Simply and beautifully, she reveals the role of spirit in every marriage, friendship, relationship, and community. She shares ancient ways to make our intimate lives more fulfilling and secure and offers powerful insights into the "illusion of romance," divorce, and loss. Her important and fascinating lessons from the heart include the sacred meaning of pleasure, preparing a ritual space for intimacy, and the connection between sex and spirituality. Her ideas are intuitively persuasive, provocative, and healing--and supported by sound practical advice, along with specific rituals and ceremonies based on those used for thousands of years. With this book, the spiritual insights of indigenous Africa take their place alongside those of native America, ancient Europe, and Asia as important influences on Western readers.

*Intimacy* - C. Edward Crowther 1988-05

A practical guide to understanding the crucial role of intimacy in a relationship explains how to recognize problems and work toward a stronger relationship with loved ones

**Handbook of Closeness and Intimacy** - Debra J. Mashek 2004-04-13

This handbook brings together the latest thinking on the scientific study of closeness and intimacy from some of the most active and widely recognized relationship scholars in social and clinical psychology, communication studies, and related disciplines. Each contributing author defines their understanding of the meaning of closeness and intimacy; summarizes existing research and provides an overview of a theoretical framework; presents new ideas, applications, and previously unstated theoretical connections; and provides cross-references to other chapters to further integrate the material. The *Handbook of Closeness and Intimacy* will be of interest to researchers, practitioners, and students from social, clinical, and developmental psychology; family studies; counseling; and communication.

**Personal Relationships and Intimacy in the Age of Social Media** - Cristina Miguel 2018-11-11

This book examines how intimate relationships are built, negotiated and maintained through social media. The study takes a cross-platform approach, analysing three social media platforms of different genres - Badoo, Couchsurfing and Facebook - and exploring two interactive forces that shape the way people communicate through social media: the platforms' architecture and policies, and actual practises of use. Combining analysis of the political economy of social media with users' perspectives of their own practises - as well as exploring the tensions between the two - the book provides a detailed picture of intimacy as a complex structure of continuity and change.

*Intimate Relationships and Social Change* - Christina L. Scott 2017-09-20

This multidisciplinary volume provides a unique and truly global collection of research on the nature of dating, mating, and coupling, as they occur across a variety of cultures in dynamically shifting societies.

*Emotional and Sexual Intimacy in Marriage* - Marcus Kusi 2017-03-09

How to connect or reconnect with your spouse, grow together, and strengthen your marriage - EVEN if you don't know where to start. Do you feel something is missing in your marriage? Do you feel like roommates? Are you worried about drifting apart? Do you ever miss the connection you once had? Do you want to fall "in love" again so you can rekindle intimacy in your marriage? Needless to say, you are not alone. The truth is, we all want to feel loved and desired by the person we have committed to spend the rest of our life with. Somewhere along the journey, life gets in the way; busy schedules, pregnancies, kids, health issues, looming work deadlines, career changes, unexpected life and family events, etc. Your spouse is physically present with you, but it feels like they are miles away. The spark and excitement is starting to wane. You are slowly growing apart. The sad truth is this: Lack of intimacy in marriage can easily lead to resentment, anger, frustrations, feeling neglected, miserable, and even divorce. But, don't give up yet. No matter how hopeless you feel about the state of your marriage, we believe you can rekindle intimacy with your spouse. Because it happened to us too. We used to be just like you, missing that deep connection, meaningful conversations, and excitement we had when we first met. However, we have used what we share in this book to reconnect, grow together, and rekindle intimacy in our marriage; emotionally, intellectually,

spiritually, physically, sexually, and much more. As a result, we now have a healthier, happier, sexier, and satisfying marriage. In this book, you will learn how to: 1. Connect or reconnect with your spouse so that you can rekindle your marriage, without breaking your budget. 2. Overcome emotional, physical, and sexual intimacy issues like mismatched sexual desires in the bedroom. 3. Communicate your feelings with courage, even when you are hurt, frustrated, or angry. 4. Create a safe haven so you can be vulnerable with each other without feeling judged. 5. Deal with anxiety about intimacy for yourself or your spouse. 6. The 5 simple things we do every day that has been proven to strengthen intimacy in many marriages; even if you don't have much time. 7. More than 52 conversation starters for deeper conversations, building trust, intellectual and emotional intimacy. 8. The different forms of intimacy every couple needs to know so you can build that intimate connection you both desire. 9. Over 69 simple, yet effective ways to rekindle intimacy, romance, and the passion you once had. Plus, the 30-Day and 12-Month intimacy challenge for couples; which is about practicing intimacy in your marriage every single day. You see, a marriage without emotional and sexual intimacy is bound to be unfulfilling. So, if you want to enhance intimacy in your marriage, rekindle the romance, and have satisfying sex with your spouse, then this book is for you. More importantly, Emotional and Sexual Intimacy in Marriage will change the way you relate with your spouse, live your marriage, and make intimacy a part of your daily life - starting today! Scroll to the top to buy your copy of this intimacy book for couples today. ----- Keywords related to this intimacy book for couples:

Sex, Love and the Dangers of Intimacy - Helena Lovendale 2002

Case studies offer insight into how to make relationships work. Each chapter contains such exercises as breathing exercises, making a timeline of the relationship, and thoughts to ponder.

**The journey of love in couples** - Jessica Riberi 2021-01-20

A couple's relationship is not just about two people. Numerous unconscious psychological scripts from the collective sphere and mandates inherited from family history affect our way of living love, one of the most significant human experiences. The psychotherapists and Master Trainer in NLP, Jessica Riberi and Inge Ludvigsen, combine their professional and teaching experience in Chile and Denmark, and propose a system to align six energy fields that promote and strengthen the love bond. "Jessica Riberi and Inge Ludvigsen have written a delightful and very helpful guide to how archetypal forms - that is, the patterns of the universal energies of human being - can support and transform intimate relationships. They are especially good in describing how to develop more mature and generative levels of each universal energy. I highly recommend it to both people helpers, as well as those seeking deeper intimacy connections."

Stephen Gilligan, psychologist, author of *The Courage to Love* and *The Hero's Journey* (with Robert Dilts)

"What could be more important and timely than having pathways to bring more quality into our relationships. We are relational beings seeking the connections for outcomes of life: partners, families, work-spaces and communities. Connection is there but managing these connections is quite a different order. This is where archetypes guide us by reflecting back an ideal. Not that we ever really get to the ideal but they remind us to bring awareness to the learning and the nurturing of the relationships that bring the joy to our lives. Thank you so much for this book, *The Journey of love in couples* as it also can bring us some hope for our inner and outer peace" Judith DeLozier, anthropologist, coauthor of *Turtle all the way down* (with John Grinder) and *Encyclopedia of Systemic NLP* (with Robert Dilts).

Intimate Relationships - Ralph Erber 2016-01-08

*Intimate Relationships* covers both classic and current material in a concise yet thorough and rigorous manner. Chapters range from attraction to love, attachment to jealousy, conflict to relationship dissolution — all written in a warm, personal, and engaging voice. Each chapter is organized around the major issues and relevant theories, in addition to a critical evaluation about the research. When appropriate, the authors discuss and evaluate popular ideas about relationship processes in the context of scientific research. This

includes critical evaluations of evolutionary approaches to attraction, victim-based accounts of abuse, and the separate-cultures view of the sexes.

**Intimate Relationships** - Wendell Ricketts 1987

Insightful perspectives on the social worker's role in the counseling of clients who have problems with different kinds of love.

Intimacy and Ageing - Bildtgård, Torbjörn 2018-12-12

To begin new relationships in later life is increasingly common in large parts of the Western world. This timely book addresses the gap in knowledge about late life repartnering and provides a comprehensive map of the changing landscape of late life intimacy. Part of the Ageing in a Global Context series, the book examines the changing structural conditions of intimacy and ageing in late modernity. How do longer lives, changing norms and new technologies affect older people's relationship careers, their attitudes to repartnering and in the formation of new relationships? Which forms do these new unions take? What does a new intimate relationship offer older men and women and what are the consequences for social integration? What is the role and meaning of sex? By introducing a gains-perspective the book challenges stereotypes of old age as a period of loss and decline. It also challenges the image of older people as conservative, and instead presents them as an avant-garde that often experiment with new ways of being together.

The Science of Intimate Relationships - Garth J. O. Fletcher 2019-08-19

Provides a unique interdisciplinary approach to the science of intimate human relationships This newly updated edition of a popular text is the first to present a full-blooded interdisciplinary and theoretically coherent approach to the latest scientific findings relating to human sexual relationships. Written by recognized leaders in the field in a style that is rigorous yet accessible, it looks beyond the core knowledge in social and evolutionary psychology to incorporate material and perspectives from cognitive science (including brain-imaging studies), developmental psychology, anthropology, comparative psychology, clinical psychology, genetic research, sociology, and biology. Written by an international team of acclaimed experts in the field, *The Science of Intimate Relationships* offers a wealth of thought-provoking ideas and insights into the science behind the initiation, maintenance, and termination of romantic relationships. The 2nd Edition features two new chapters on health and relationships, and friends and family, both of which shed new light on the complex links among human nature, culture, and romantic love. It covers key topics such as mate selection, attachment theory, love, communication, sex, relationship dissolution, violence, mind-reading, and the relationship brain. Provides a coherent and theoretically integrative approach to the subject of intimate relationships Offers an interdisciplinary perspective that looks beyond social and evolutionary psychology to many other scientific fields of study Includes two new chapters on 'Relationships and Health' and 'Friends and Family', added in response to feedback from professors who have used the textbook with their classes Presented by recognized leaders in the field of relationships Features PowerPoint slides and an online Teaching Handbook *The Science of Intimate Relationships*, 2nd Edition is designed for upper-level undergraduate students of human sexuality, psychology, anthropology, and other related fields.

**Creative Intimacy** - Jerry A. Greenwald 1975

The Passion Paradox - Dean C. Delis 1990

LOVE/SEX/MARRIAGE

Intimate Relationships - Wind Goodfriend 2020-07-30

Recipient of a 2021 Most Promising New Textbook Award from the Textbook & Academic Authors Association (TAA) *Intimate Relationships* provides students with a comprehensive understanding of the science behind relationships using a modern approach. Award-winning teacher and author Wind Goodfriend integrates coverage of family and friendship relationships in context with research methods, open science, theories, and romantic relationships so that readers can learn about all types of relationships and their interactions, including conflict and the dark side of relationships. The text supports today's students by frequently applying relationship theories to examples that can be found in popular culture, helping students see how psychology can apply to the world that surrounds them. Included with this title: The password-

protected Instructor Resource Site (formally known as SAGE Edge) offers access to all text-specific resources, including a test bank and editable, chapter-specific PowerPoint® slides.

*Love and Intimate Relationships* - Norman M. Brown 2013-06-17

Using a style that draws students into the ongoing inquiry into how intimate relationships work, *Love and Intimate Relationships* investigates the life cycle of relationships influences that affect them, theories behind them, and ways to improve them. Dozens of stories from students themselves, case examples and over 150 tables, figure, and the cartoons of Don Edwing of Mad Magazine help bring the material alive. The book is also unique in exploring aspects of human relationships not covered in other textbooks on the subject. *Love and Intimate Relationships* helps bring the complex issues surrounding intimate relationships into focus for students from diverse backgrounds. The multidisciplinary perspective of the textbook makes it ideal for introductory courses in psychology, marriage counseling, human relations, and sexuality, and interpersonal relationships

*Understanding Marriage, Family, and Intimate Relationships* - Jerry D. Lehman 2005

This introductory textbook is for students who are interested in learning about and establishing healthy marriage, family, and intimate relationships. With divorce rates high and relationships fragile, books and courses are needed that help students address important issues regarding relationships. The readers of this

text examine many important and relevant issues through the lens of theory and research and do so using a written format that is readable, understandable, and easy to apply to one's life. It was written so that each chapter has information that readers will find helpful as they attempt to establish and maintain meaningful, healthy relationships. There are questions throughout each chapter that help readers focus not only on the material but also on how the material relates to their present and past relationship and family situations. The text provides material on the research of John Gottman, the object relations theory of Harville Hendrix, the solution- focused approach of Michele Weiner-Davis, and the PREP approach to conflict management of Markman, Stanley, and Blumberg. These and other topics discussed are very relevant to students' concerns and are addressed in greater depth than found in most other texts. The emphasis is not just on couple relationships but also on family relationships. Therefore, in this book there is extensive coverage of family systems theory and the influence of family rules and family structure on the development of families. There is also material on how change produces transitions in family life that must be assimilated into the family structure—for example, when a couple has their first child. Thus, both couple and family issues are addressed throughout the book. For instructors who want to focus their courses on marriage, family, and intimate relationships, this book would be an ideal choice. A study guide for students and instructional material for instructors can be obtained by visiting [www.understandingrelationships.net](http://www.understandingrelationships.net).
