## **The Book That Made Me** - Various 2017-03-14

Just as authors create books, books create authors — and these essays by thirty-one writers for young people offer a fascinating glimpse at the books that inspired them the most. What if you could look inside your favorite authors' heads and see the book that led them to become who they are today? What was the book that made them fall in love, or made them understand something for the first time? What was the book that made them feel challenged in ways they never knew they could be, emotionally, intellectually, or politically? What book made

them readers, or made them writers, or made them laugh, think, or cry? Join thirty-one top children's and young adult authors as they explore the books, stories, and experiences that changed them as readers — for good. Some of the contributors include: Ambelin Kwaymullina Mal Peet Shaun Tan Markus Zusak Randa Abdel-Fattah Alison Croggon Ursula Dubosarsky Simon French Jaclyn Moriarty  
Love Me True - Jason B. Whiting 2016

How can love, which is so beautiful and fun, cause such emotional ups and downs? Dr. Jason B. Whiting, a licensed marriage and family therapist, focuses on common relationships to show that deception is at the root of most marital problems. Overcome this and gain back that trust and excitement you've been longing for in your relationship.

**Making Love Better Together** - Yolanda "Yanni" Brown 2019-09-11

Have you ever wondered how intimate your relationship could be if you awakened the

senses by taking away the sense of sight? "Making Love Better TwoGether: The Art of Intimacy" is the follow-up to Yanni Brown's popular debut, "Making Love Better Begins Within". With this book, you and your mate are encouraged to participate in a palate-pleasing journey filled with verbal and non-verbal foreplay, mental penetration, physical stimulation, sweet nothing whispers, intimate discussions, and a new appreciation for each other - all meant to elevate your love for one another, your relationship, your intimacy, and so much more.

Love Illuminated - Daniel Jones 2014-02-04

From the editor of the New York Times' popular "Modern Love" column, the story of love from beginning to end (or not). Love. We want it. We need it. We pay it homage with songs and poems and great works of art. And when we lose it, there's no pain as intense or excruciating. For centuries we've been trying to figure it out, control it, or just get

better at it. As the editor of a column about love for the New York Times, Daniel Jones reads thousands of stories about people's intimate relationships—the ones that soar, crash, or hum along, from the bizarre to the supposedly “normal.” It's possible that he's read more true love stories than anyone on earth. In *Love Illuminated*, he teases apart this mystifying emotion that thrills, crushes, and sustains. Drawing from the 50,000 stories that have crossed his desk over the past decade, Jones explores ten aspects of love—pursuit, destiny, vulnerability, connection, trust, practicality, monotony, infidelity, loyalty, and wisdom—and creates a lively, funny and enlightening journey through this universal human experience that jangles the head and stirs the heart.

### **The Five Love Languages -**

Gary Chapman 2009-12-17  
Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times

bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called *A Love Language Minute* that can be heard on more than 150 radio stations as well as the weekly syndicated program *Building Relationships with Gary Chapman*, which can both be heard on

Love Is The Answer - Sharon Cheney 2018-07-24

Discover the Power of Love to Heal and Transform Your Life. Love is universal, and every human craves it. Regardless of age, sex, race, status, or any other factor, we all need love to survive and thrive. But getting the love you want and letting it in is easier said than done. This book will make you fall in love with yourself again, transforming your relationships and allowing you to live an extraordinary life. The Search for Love That Never Ends. The word "love" is so overused and misused today that many of us are left wondering what it really means when someone says "I love you." But spiritual seekers and quantum physicists alike know that love is the driving force of the

universe. It is the stuff that all human beings crave, and it exists in many forms and manifestations. Sharon illustrates the irony of a culture that idealizes love when so many people fail to love themselves. We hunger for what we don't have and constantly look for love outside of ourselves. She has packed the book with helpful advice on how you can learn to love and accept yourself unconditionally, allowing you to experience all the love you need without having to chase it or sacrifice your values in order to get others to like or love you. Love is the Answer looks at the many faces of love - from romance, friendship, and family relationships to love of humanity and self-love. You'll discover the incredible impact love has on our lives (and how the lack of love can wreak havoc in your life in mysterious and terrible ways). If you've experienced trauma, addiction, or recurring destructive patterns in relationships, love is the transformational key to breaking through and

overcoming the chains that have been holding you back from living your dream life. Through radical self-love, you'll discover a new relationship with yourself and the people in your life. During her career as a relationship coach, author Sharon Cheney found that many people suffer from a lack of self-love, causing them to continually search for love and acceptance from others. This constant search for love leaves us starved and isolated, and can often cause us to pursue unfulfilling goals and relationships. When you feel stuck grasping at goals and relationship ideals that seem unattainable, love is what you're really looking for. The inspiration for Love is the Answer came from a remarkable event that happened in 2010. Sharon had an unusual experience: an opening of her heart, after which she became much more sensitive to the feelings of others, and could instantly experience everything they felt. She became aware of how her words impacted others and

how we affect each other in our daily interactions. The experience changed Sharon's life so much that she wanted to share her newfound knowledge so others could enjoy the benefits of transformation through love. In this, her third book, she offers practical guidance on how we can learn to love and accept ourselves unconditionally. The book is filled with fascinating observations and practical advice on how to master self-love to attract the love we all want in life. For a better life and a better world, love truly is the answer. Scroll up and click "buy now" to bring more love into your life and our world.

**The Rules of Love** - Richard Templar 2008-11-28

Love . Some people know how to find it...Share it...Make it last. Were they born that way? No. They've learned the rules. Rules you can learn, too. The Rules of Love. Here they are: 100 simple rules to live and love by... Rules for finding a partner you can love for a lifetime... and keeping your partner just as happy... for

*The Life and Adventures of Nat Love, Better Known in the Cattle Country as "Deadwood Dick"* - Nat Love 1995-01-01

Thousands of black cowpunchers drove cattle up the Chisholm Trail after the Civil War, but only Nat Love wrote about his experiences. Born to slaves in Davidson County, Tennessee, the newly freed Love struck out for Kansas after the war. He was fifteen and already endowed with a reckless and romantic readiness. In wide-open Dodge City he joined up with an outfit from the Texas Panhandle to

begin a career riding the range and fighting Indians, outlaws, and the elements. Years later he would say, "I had an unusually adventurous life." That was rare understatement. More characteristic was Love's claim: "I carry the marks of fourteen bullet wounds on different parts of my body, most any one of which would be sufficient to kill an ordinary man, but I am not even crippled." In 1876 a virtuoso rodeo performance in Deadwood, Dakota Territory, won him the moniker of Deadwood Dick. He became known as DD all over the West, entering into dime novels as a mysteriously dark and heroic presence. This vivid autobiography includes encounters with Bat Masterson and Billy the Kid, a soon-after view of the Custer battlefield, and a successful courtship. Love left the range in 1890, the year of the official closing of the frontier. Then, as a Pullman train conductor he traveled his old trails, and those good times bring his story to a satisfying end.

**Love Guaranteed** - Edward E. Ford 1987-01-01

*How to Fall in Love with Anyone* - Mandy Len Catron 2018-02-01

In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply

personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the *New York Times*' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love." —Alain de Botton, internationally bestselling author of *How Proust Can Change Your Life* and *The Course of Love* MANDY LEN CATRON lives in Vancouver, British Columbia. Her writing has appeared in the *New York Times* and the *Washington Post*. She writes about love and love stories at The Love Story Project, and teaches English and creative writing at the University of British Columbia. [A Better Her](#) - Vanja Thompson 2018-11

better in the areas of faith, relationships, and self-care. Growth in these essential areas won't happen magically, it requires that you and I are proactive and intentional about developing habits that lead to significant transformation. A Better Him is a 31-day challenge that lays out simple ways to create meaningful health in these critical areas. Based on the biblical call to "Love God, Love yourself, and Love others," this resource is meant to give the reader simple yet effective practices that bring life to your faith, relationships, and self-care.

**How Two Love** - Jan Resnick  
2016-07

Getting together with a partner may be easy, but staying together is anything but. So how do you keep a loving relationship alive, and your sexual intensity fully charged? How do you grow as a partnership, rather than grow apart? How Two Love sets out with a bold ambition; to offer the tools and guidance you need to solve these problems, turning the practice of love into

an art. How Two Love is a celebration of our relationships, not as a formula, but as a work in progress, messy and complex and wonderful. With a transparency that refreshes, and a lightness that will leave you smiling, internationally respected author and educator Jan Resnick turns his extensive experience of psychotherapy and couples counselling into a series of charmingly recounted stories from his consulting room. He brings together surprisingly connected themes and lessons learned from a career that spans three continents and four decades. Described as "the book that, now in my sixties, I wish I had read in my twenties," by notable psychiatrist and author Richard A. Chefetz, MD, How Two Love doesn't seek to diagnose or judge. It isn't a textbook reserved for specialists and professionals. Resnick's audience is far broader. As Psychoanalytic Psychotherapist and author Nancy McWilliams, PhD, wrote, How Two Love is for "anyone

who has ever been in love, wanted to be in love, lost a love, or suffered for love." The first offering in his Meaningful Living Book Series, *How Two Love* is a powerful and transformative guide made for two, a reminder that, in love, every wound, every mistake, and every missed opportunity is an occasion to heal, to grow and to learn. In its pages, Resnick has deftly created a detailed roadmap, revealing how you can avoid the pitfalls that lead to breakdown and emotional injury; while raising the deeper issues of desire, the loving sexuality of a long-term partnership, and, most importantly, what makes love work over time.

**Better Love Now** - Tommy Nelson 2008-01-01

"Something is wrong with our culture's understanding of marriage," says best-selling author and Bible teacher Tommy Nelson (*The Book of Romance*). In *Better Love Now!*, Nelson mends that understanding, comparing the essential but too often ignored elements of matrimony to fence

posts. With wisdom, humor, and frankness, he clearly expounds on the areas that keep a marriage standing strong: Priorities; Communication; Your Life Together; Family Life; Respect; and Sex. Best of all, Tommy mixes scientific and psychological insight with biblical assuredness, exciting readers about the improving state of their sacred union. "Build your marriage on God's revelation and it will never fail."

**Better Love Next Time** - J. M. Kearns 2010-03-16

*Better Love Next Time* offers help in coping with the pain and heartache of a bad breakup, but more than that, it reveals how to overcome the lingering damage that a broken relationship can leave behind - how to heal your romantic soul. J.M. Kearns presents a simple (and entertaining) way to diagnose what went wrong, so history won't have to repeat itself, and explains how to decode the "guide to compatibility" written in your own past. Witty, frank, and full

of real-life stories, *Better Love Next Time* ensures that when you do find a new love, you will arrive whole, renewed, and empowered to make it the one that lasts. In *Better Love Next Time*, J.M. Kearns discusses: how to deal with the "wall of pain" that is a broken heart, and what is waiting beyond the wall why "falling in love" too often doesn't lead to love; and how to change that how our attempts to avoid being cheated on again can make us choose exactly the wrong partners the real key to faithfulness in a partner the surprising toll that cheating takes on the cheater how a mismatch can trick you into feeling inadequate how to replace what you've lost after a breakup how good matches go bad - the ultimate scoop on how to make your next (good) match last. "Read it, people. J.M. Kearns's new book called *Better Love Next Time*... The book's main premise is that people often repeat the same mistakes in successive relationships, but if you can diagnose what really went

wrong with your exes, you can have better relationships in the future." — Erin Meanley, *Glamour.com* "If you're searching for love, then you should start with this refreshingly intelligent and insightful dating guide." —Shari Low, *Daily Record* "Self-help books often make me skittish - but not this one. Kearns's advice is sound and good: he tells us to look inward, to be honest with ourselves, to stay the course. A chapter called *How Good Matches Go Bad* is, alone, worth the book's price...He says our demons will invariably rise up and try to disrupt ...It's important to learn to step back when you sense trouble 'and ask yourself, who is talking here?' Are there old grudges in play? Old hurts stinging? False lessons echoing that have nothing to do with the two of you?" —Susan Schwartz, *Montreal Gazette*

**All About Love** - bell hooks  
2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering.

Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the

*Love That Lasts* - Jefferson Bethke 2017-10-10  
In *Love That Lasts*, New York Times bestselling author of *Jesus > Religion* Jefferson Bethke and his wife, Alyssa, expose the distorted views of love that permeate our culture and damage our hearts, minds, and souls. Drawing from Jeff's "prodigal son" personal history and from Alyssa's "True Love Waits" experience, the Bethkes point to a third and better way. Blending personal storytelling

with biblical teaching, they offer readers an inspiring, realistic vision of love, dating, marriage, and sex. Young people today enter adulthood with expectations of blissful dating followed by a romantic, fulfilling marriage only to discover they've been duped. They learned about love and sexuality from social media, their friends, Disney fairy tales, pornography, or even their own rocky past, and they have no idea what healthy, lifelong love is supposed to be like. The results are often disastrous, with this generation becoming one of the most relationally sick, sexually addicted, and divorce ridden in history. Looking to God's design while drawing lessons from their own successes and failures, the Bethkes explode the fictions and falsehoods of our current moment. One by one, they peel back lies such as, the belief that every person has only one soul mate, that marriage will complete you, and that pornography and hook-ups are harmless.
