Protecting Your Innocence - Kimplachat A. Downs 2013-03-19

Inspired by life's obstacles, poet Kimplachat Downs promotes the empowerment of women in her poetry collection, *Protecting Your Innocence*. She encourages women to tell their stories, resulting in the shedding of excess baggage, bitter pasts, and vague future views about love. The key mission is for women to find their way back home resuming the role that it is okay to be loved beyond their pain. Downs is an ambitious young woman with a story to tell, and she has found her passion in writing poetry for and about women. She offers inspiration to women, encouraging them to find hope as they move beyond their daily challenges. With her strong views and voice, she conveys a message of hope to the world of women. In her poetry, she draws from her personal pain, recalling the countless times she has been lost and drawn her strength from God and from those she holds close—her family and friends. *Protecting Your Innocence* provides guidance to women who need to know their worth and to discover who they truly are: women of substance.

Far From Simple:Life After Being Not Your Average Teen - Brittany Krystantos 2017-11-14

Far From Simple: Life After Being “Not Your Average Teen” written by 20 year old Canadian author, Brittany Krystantos, recalls the ever-so common high school struggles with self identity, friendships and lack thereof, popularity and stereotypes, and continues into young adulthood consisting of the terrible tinder dates including the time her date told her they'd have cute babies on their first date... run, oh yes! Britt shares with us her awful attempt at friends-with-benefits or should we say FWB, and heartbreak from the time her boyfriend broke up with her over text. Maybe, the heart healed from eating the entire jar of chocolate ice cream or maybe not; but it sure felt better in the moment. In this narrative nonfiction, she describes that "kind of girl" that is within all of us: ambitious, different, free spirited, wild, adventurous, yet innocent at the heart of things. She has gone through pain and hardship and dug her way out of the darkness to become enlightened by her soul's calling; a life purpose to be different, and far from simple. 20 years of life, what up!

Maybe He Just Likes You - Barbara Dee 2020-09-15

2019 The Washington Post Best Children's Book of the Year (Erin Entrada Kelly Pick) A 2020 ALA Notable Children's Book "The novel's all-too-familiar scenario offers a springboard for discussion among middle schoolers...Easily grasped scenarios and short chapters help make this timely #MeToo story accessible to a wide audience." —Publishers Weekly (starred review) "Realistic and heartbreaking." —BCCB Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of Everything I Know About You, Halfway Normal, and Star-Crossed comes this timely story of a middle school girl standing up and finding her voice.

Vacations Like This - Carina Taylor 2022-01-02

From a USA Today bestselling author comes a laugh out loud friends to enemies to lovers romantic comedy! Kimber Some people view nosiness as a character flaw. I prefer to think of it as a useful skill. Like a sixth sense or intuition. It's my super power. And since I became a reporter for

my small town newspaper, I like to think my super power puts bagels on my table. A tiny (quite big, actually) mistake has me eagerly accepting a contract job investigating a resort being built in a small Colorado town. But there's one small problem. (6'4" according to his license—maybe my nosiness does go too far sometimes.) What I didn't count on was being double-booked in a cabin with Mack Boone. Our families have known each other since high school, so it feels wrong to kick him out of my cabin. Besides...he's kind, he's protective, and a great kisser. Three qualities I admire in a man. But when I find out why he is in town, I realize I've made yet another mistake. No more kissing, Kimber. He's the enemy. Lines are drawn. (Literally.) Wars fought. Hills sledded. Lips kissed. Oh right, I wasn't going to do that one anymore. Maybe I'll call it research... The more I investigate the resort, the more time I spend with Mack...the more I wonder what I'm really fighting against. The more I wonder if I can take a chance on love. What if the villain is really the hero in this story? *Vacations Like This is a closed door romantic comedy with sizzling kisses and mild language.

A Woman with a Past, A God with a Future - Elsa Kok 2006-06-29

To some women with painful pasts, becoming a Christian means forgetting about their harmful habits, poor choices, or damaging relationships—placing an imaginary line between their old life and their new life. But often their pasts keep coming back to haunt them, causing unforgiveness, brokenness, and discouragement. This 12-week interactive Bible study, written at an easy-to-read level, will walk women through the process of uncovering their story, understanding it, and allowing God to incorporate it into a future full of hope and adventure. A great evangelistic tool, this book is a partner to the author's first study, *A Woman Who Hurts, A God Who Heals*.

Still In Love With You - Mari Villarreal 2022-11-15

"Sophie Patterson. Don't you dare walk away from me." Logan's menacing stare bore at me. I suddenly didn't feel drunk anymore. I sobered up quickly. "What, Logan? You're gonna tell me that you suddenly love me again? That you're here to sweep me off my feet? Please! I didn't need you all this time, and I don't need you now." He

clenched his jaw, fisting his hands. "Enough. Stop being so damn stubborn. You know I do. I love you. I never stopped loving you, Sophie. It was always you." I left my hometown hoping to never see him again. I left with his baby still inside of me. Seven years after, and here I am again. Standing before him and a six-year-old wanting to know who his dad is, and asking me to marry him because everyone in his class but him and his best friend don't have a daddy. What am I supposed to do with all these feelings that are resurfacing? I'm realizing every day that I never got over him. I merely suppressed my feelings, and his telling me this now- to my face, just made things more complicated.
