Here, in this replica of the 1910 fourth edition of his essential primer, Leo teaches us. . the basics of astronomy required for an understanding of astrology . the nature and character of the twelve signs of the Zodiac . complete breakdowns of the affect of the Sun and the Moon on each house . what a horoscope is and how to cast one . and more. ALSO FROM COSIMO: Leo's The Key to Your Own Nativity, Symbolism and Astrology: An Introduction to Esoteric Astrology, Horary Astrology, and Mars: The War Lord British astrologer WILLIAM FREDERICK ALLAN (1860-1917), aka Alan Leo, published Astrologer's Magazine as well as a line of astrological materials; he founded the Astrological Lodge of the Theosophical Society

Leo's Girl - Victor Pemberton 2012-05-24

For Peggy, the war opens more than one door... Victor Pemberton writes a compelling saga in Leo's Girl, a story of class divisions, romance and the Second World War. Perfect for fans of Dee Williams and Dilly Court. 'Lights down, tucked up snug you can almost hear air raid sirens as Pemberton spins another superb story of London folk during wartime' - Peterborough Evening Telegraph Twenty-six-year old Peggy Thornton is a middle-class girl living in the heart of working-class Islington. Although she loves her parents, Peggy has always felt her home life to be narrow and claustrophobic so, when women are urged to help on the home front after the outbreak of the Second World War, she starts training as a conductor on a London Transport bus. Her parents are both appalled; it's hardly a fitting position for the daughter of a local magistrate. It is not just Peggy's parents who make her life difficult. Many of the bus crew haven't adjusted to women from their own class working let alone the likes of Peggy. And her relationship with Leo, who is most definitely from the wrong part of town, serves to create further tensions. It is only when the real enemy strikes, and a bomb explodes in the path of a bus, that these petty differences are cast aside, but, for some, it's too late to say sorry. What readers are saying about Victor Pemberton: 'Always a good and enjoyable read' 'An excellent read, [Victor Pemberton's] stories are always very authentic' 'Five stars'

I Will Always Love You - Jennifer Curtis
2023-08-29

Do you enjoy reading short stories? Well, this book is right up your alley! "I Will Always Love You" This goes into the life of a young girl that finds her true love, and then tragedy hits. Her life is changed forever and not what she had planned. While dealing with her new life, love finds its way into her heart again. "Free" Have you ever wondered what your life would be like if you were a prisoner? That is just how Lexie Marie feels. She thought she had it all: perfect grades, being on the track team, and going to college to become a doctor. But she let life get in the way, and while being so young, she became a prisoner in her own life. She had to fight her way out of the situations she had gotten herself into. In the end, she was finally free. "Justice for Leo" A young boy loses his brother in a gang killing. He wanted to get justice for him, but only being a young child himself, he wasn't sure how to go about it. That is until he had a dream of his brother, and he showed him how to do it. "If Tomorrow Never Comes" Do you ever have a day that you wish you could repeat? Maybe to save someone or to make amends with a friend or family member. Or to even help a stranger in need. Welcome to the day a nurse had; she had to repeat her day over and over until she finally figured out what she had to do to get to tomorrow. Be careful who you offer to help; you never know who is listening. "Unexpected Love"

Love is all around, and some people get it, while others don't. But for one lady, it was very unexpected. She never believed that her life would turn out the way it did. "The OATH" Have you ever had a dream that was so vivid and seemed so real? Dr. Tori had a dream just like that. But was it really happening, or was it just a dream? "Friendships Last Forever" People make friends during their lifetime; some come and go, whereas a handful might last forever. Some friends even wait for you in the afterlife.

A Cooler Climate - Zena Collier 1999-07-15

When Iris, 45, divorces her wealthy physician husband of many years to go off to a new life with the man she loves, she settles for a quick but inequitable divorce. When her lover then abandons her, she finds herself alone, desperate and without resources. Unprepared to earn her own living, she fails at one job after another and loses all confidence. Iris finally decides to use the one skill she acquired in her marriage—housekeeping. To the dismay of her friends and her daughter, she takes a job as housekeeper in the luxurious Maine summer home of Broadway lawyer Leo Tanner and his wife Paula. It soon becomes clear that Paula has no life of her own—her entire life revolves around her husband and their troubled daughter, Beth. It also grows clear that the role of Iris is more that of maid than housekeeper. Paula is cold and arrogant, and makes unreasonable demands, which Iris must cater to because she needs the job. Gradually Iris makes friends in the community, begins to regain confidence, and is determined to work her way through to independence. Paula suffers a crushing double blow when her daughter runs off with an unscrupulous young man and Leo demands a divorce. In anguish, Paula reaches out to Iris and they become tentative friends. But Iris fears she will lose her chance of independence if she stays with Paula. In taking steps to make a life of her own, Iris sets in motion a chain of unforeseen events for Paula.
