**All About Love** - bell hooks  
2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with

lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

**Love in the Time of Serial Killers** - Alicia Thompson  
2023-03-30

'Unique, sexy, hilarious, charming... The true crime is NOT reading this novel!' Ali Hazelwood, author of The Love Hypothesis 'A criminally addictive romance... this book is sheer perfection from beginning to end' Rachel Lynn Solomon, author of The Ex Talk -- Turns out that reading nothing but true crime isn't exactly conducive to modern dating - and one woman is going to have to learn how to give love a chance when she's used to suspecting the worst. PhD candidate Phoebe Walsh

has always been obsessed with true crime. She's even analysing the genre in her dissertation - if she can manage to finish writing it. It's hard to find the time while she spends the summer in Florida, cleaning out her childhood home, dealing with her obnoxiously good-natured younger brother, and grappling with the complicated feelings of mourning a father she hadn't had a relationship with for years. It doesn't help that she's low-key convinced that her new neighbour, Sam Dennings, is a serial killer (he may dress business casual by day, but at night he's clearly up to something). But it's not long before Phoebe realises that Sam might be something much scarier - a genuinely nice guy who can pierce her armour to reach her vulnerable heart. What readers are saying about Love in the Time of Serial Killers: 'Do you know when you disappear into a book? You, your surroundings, everything, ceases to exist? This book was that for me' ☐☐☐☐☐ 'The cover is gorgeous, and the inside is

I really loved the depths given to Phoebe, the way she created walls around herself, the themes were developed organically and believably' □ □ □ □ 'Phoebe is one of the best female protagonists I've read in a long time' □ □ □ □ 'The whole thing made me laugh out loud and smile like an idiot sooo often' □ □ □ □ 'The book was witty and fun, but also thought out and honest' □ □ □ □ □
