The 48 Laws of Power Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for

prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Leila has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that Leila liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and Saskia's confusing signals, Leila confides in her old friend, Lisa, and grows closer to Tomas, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, Leila begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

A Place to Stand Jimmy Santiago Baca 2007-12-01 The Pushcart Prize-winning poet's memoir of his criminal youth and years in prison: a "brave and heartbreaking" tale of triumph over brutal adversity (The Nation). Jimmy Santiago Baca's "astonishing narrative" of his life before, during, and immediately after the years he spent in the maximum-security prison garnered tremendous critical acclaim. An important chronicle that "affirms the triumph of the human spirit," it went on to win the prestigious 2001 International Prize (Arizona Daily Star). Long considered one of the best poets in America today, Baca was illiterate at the age of twenty-one when he was sentenced to five years in Florence State Prison for selling drugs in Arizona. This raw, unflinching memoir is the remarkable tale of how he emerged after his years in the penitentiary—much of it spent in isolation—with the ability to read and a passion for writing poetry. "Proof there is always hope in even the most desperate lives." —Fort Worth Star-Telegram "A hell of a book, quite literally. You won't soon forget it." —The San Diego U-T "This book will have a permanent place in American letters." —Jim Harrison, New York Times—bestselling author of A Good Day to Die
