Getting Back on Track - Jo-Anna Culy

2016-12-05

Imagine a church where many of the needs of younger women are being met by trained older women. It would not be a problem-free church, but it would be a healthy church where pastors are free to focus on their biblical responsibilities. Although younger women need the guidance of godly older women more than ever, older women

remain the most untapped resource in the church today. Some feel dispensable, undervalued, or overlooked. Many simply don't understand the role God calls them to have with younger women, or know how to fulfill it. Getting Back on Track is an invitation to discover from Scripture what the role of the biblical mentor is and how God wants to use older women to help move younger women toward maturity in Christ. It is solidly grounded in Scripture from beginning to end and is written for the older woman, church leader, or younger woman who aspires to be a godly older woman someday.

Sync Your Relationship, Save Your Marriage - Peter Fraenkel, Ph.D. 2011-03-15

Award-winning couples therapist Peter Fraenkel argues that most relationship problems can be traced to partners being out of sync on the powerful but mostly hidden dimension of time. Differences in daily rhythms, personal pace, punctuality, time perspective, and priorities about how time is allocated can all lead to couple conflict. Yet the fascinating fact is that

these polarizing time differences play a potent role in attracting lovers in the first place. In this trailblazing new book, he draws on his original research to show how a clearer understanding of these forces can improve the health of your relationship and even rescue a failing one.

Getting Back Together - Linda Johnson 2022-03-09

Considering getting back with an ex partner after a bad breakup can mean a lot of changes for both of you if you want to make the relationship work this time around. When one person has walked away from a relationship and then realizes they have made a mistake or would like to give it another shot, it may take a while for the relationship to get back on track due to the bruised ego of the other. It is important not to allow things to be the same as they were before you broke up the first time. If one of you has an explosive temper for example, hopefully the time away from each other has changed that kind of attitude. If one of you was a frivolous spender, hopefully you have learned that you need to get your finances in order before you decide to get back with your ex. Likewise, if it was your ex who was spending frivolously, would you be able to put up with that if they do not want to change? You must take into consideration all of these questions before you start trying to get back with your ex partner. If you are happy to make changes and will do anything to get him back; if you are serious about how much you miss him, then by all means, give it another chance.
