Are you looking for The One? Well, according to Dr Helen Fisher, biological anthropologist and relationship expert, you don't have to look any further for the way to find that special someone than your very own brain chemistry. Based on Dr Fisher's groundbreaking personality type study, in which she analyzed the personalities of more than 28,000 people, Why Him? Why Her? provides a formula for long-term love that is based on cutting-edge discoveries in evolutionary neurology. Once you've identified yourself as one of the personality types (explorer, builder, negotiator, or director) Dr Fisher provides a detailed plan of how to find, fix, or keep up your ideal love match.

**The Dragonmaster Trilogy Collection** - Katie Cross 2020-08-02

The Dragonmaster Trilogy collection is a compilation of three stunning YA Fantasy novels, FLAME, FLIGHT and FREEDOM. Join sisterwitches Sanna and Isadora Spence as they grow into a new world of dragons, unexpected magic, and struggles that test the enduring bonds of sisterhood. FLAME In Anguis, magic is forbidden. Dragon Servants Sanna and Isadora Spence live deep in Letum Wood, where persnickety dragons and wars on the borders are the least of their worries. Thanks to years of simmering tension, the hidden village is destined to crack. Soon, Sanna's deep love for the giant beasts causes her to make an irreversible mistake, while Isadora's disinterest leads her to a fateful decision that will change the course of the entire world. Can the sisters prevent everything they know from falling apart? Or do they allow it to break and pave the way for new growth? Join these beloved sisterwitches in a story about sisterhood, new magic, and dealing with change. FLIGHT A treacherous new world awaits. Sisterwitches Isadora and Sanna Spence aren't sitting back anymore. In fact, they're both tangled in separate new worlds—ones they didn't anticipate. Despite the Dragonmasters home burning to ash, Sanna is certain of one thing—she will not be a tyrant, even though managing a brood of frightened dragons falls on her reluctant shoulders. When a devastating tragedy strikes the Dragonmaster families, Sanna is forced to face a world she never knew existed. Isadora, on the other hand, is too busy with her new life to worry about her old one. In the midst of training with her perpetually annoyed mentor, Maximillion, Isadora is unexpectedly taken away from home and thrust into a dangerous game. Her life is now in the hands of her most terrifying enemy: Cecelia Bianchi. Both sisters are far from home and over their heads. Can they marshal their courage to save those they care about? Or will their expanding horizons prove to be their biggest danger yet? Join the beloved sisters from FLAME in a new tale about growing up, moving on, and finding the courage within. FREEDOM

Isadora Spence knows two things: 1) she's tired of all the wars and wants them to stop and 2) she never wants to see Maximillion Sinclair again. Sparks fly when rising desperation leads Isadora and Maximillion to attend a political delegation together in the Southern Network. She's determined to create a pact for peace and save lives, but when events spiral into far more dangerous territory, she realizes the only witch she can trust is Maximillion. Can they work together, or will everything fall apart? Meanwhile, her sisterwitch Sanna is out of her depth in an unfamiliar world of volatile goddesses and buried history. Facing an unwinnable battle against Prana, the ruthless goddess of the sea, Sanna roots through history, only to discover that Prana isn't the only enemy they face. In a world embroiled with war on all fronts, can the sisterwitches do their part to bring peace and freedom to Antebellum? Or will all their best efforts fail in the bigger machinations of goddesses and witches? FREEDOM is the final book in the Dragonmaster trilogy. This sweeping YA Fantasy saga will take to a new world, keep you on the edge of your seat, and ask you to answer the most impossible question of all: What is freedom?

**Just Love Her** - D. E. Fast 2022-06-09

"What you need is a good woman." That was my mother's consistent counsel from the time I didn't get asked to play on the neighborhood little league team to when Donna and I broke up in high school. "What you need is a good woman, Don." I believed my mother when she said it. I didn't walk around on a daily basis and repeat the mantra of the good wife, but I did take it to heart. It wasn't until I got married that I realized that although I had a good woman, life wasn't getting easier or more fulfilling—in fact, it was getting much, much harder. One of the goals of Just Love Her is to identify a number of the fallacies that many of us men have hung onto, believing like me in my younger days that when you find the right woman, all your problems will magically disappear. Most of the time (not all, but most) it's after marriage that the real problems begin. It's not that they weren't there before, it's just that our "good woman" turns into a full-length relational mirror exposing the sin and idolatries that were already there, but were easy to run away from, before we got hitched to our eventual "bad" wife. This little book will identify one of the main causes of "bad" marriages: idolatry. Many if not most, men "worship the ground she walks on" instead of just loving her.

**The Spanish Love Deception** - Elena Armas 2022-02-08

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

**Dating My Best Friend** - Annie J Rose 2019-12-14

A Second Chance at First Love. It's been over a decade since tragedy ripped us apart. We were just teens, but I never got to tell her I loved her. Now I'm back in town, and Khloe doesn't want to see me. Seconds after I walk into her work I feel the same hot rush of longing I did all those years ago. I still want her. But there are secrets in the way. I'm not the boy I was. I'm a broken man with demons that chased me back from the Marines. She's still hurt that I broke my promise. There's no room in her life for me now. But this attraction won't be ignored. Her lush mouth, her touch, they bring light to my dark corners. But my secrets, my past, threaten to scare her off. I don't know if she can handle what I've become. I do know I can't stand to lose her again. Not when I'd do anything to keep her.

*Her Choice to Love* - Aamir Bashir 2019-12-09

The sun was now playing hide and seek with a patch of cloud, the patch that was sighted by Hamid. The sun was winning here by hiding behind the pervasive patch of black clouds. The weather was unpredictable like death. It was sunny for a moment and in a swish the sky turned sad, brooding with a mass of black clouds. A scarce distribution of large raindrops soon changed into a full-fledged shower. The rain was intense, the people scurried and hurriedly took shelter beneath the protruding eaves of sloping roofs. The people driving the cars rolled up their windows to prevent unwanted water from entering. Hamid and Maliha walked without caring for the change in weather, non-responsive to the large raindrops that drenched the whole market. Hamid looked towards Maliha and smiled. 'What?' Maliha smiled back as if she already knew the answer. 'I don't know.' 'You also like it?' Maliha waited for his smile to end, she waited for his mouth to open but he only nodded his head. This was the first time Hamid felt the urge to hold her hand but it was not appropriate given the number of people present in the market. Will he ever hold her hand? Will he be able to say what he feels about her?

**The Subtle Art of Not Giving a F\*ck** - Mark Manson 2016-09-13

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F\*\*k positivity," Mark Manson says. "Let's be honest, shit is f\*\*ked and we have to live

with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F\*\*k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f\*\*k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F\*\*k is a refreshing slap for a generation to help them lead contented, grounded lives.

**The Love Hypothesis** - Ali Hazelwood 2021-09-14

The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships—but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor—and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

*HIS LOVE. HER FANTASY* - Adrian Gabriel Dumitru

His love ... Her fantasy ... understanding what love is about. As friends, as a man, but also as a woman, we try to define the undefined from a love story. Dreaming about love and being in love ... the path from the fantasy to the love story itself ... is just a matter of luck ... or maybe where you find yourself, on the timeline of your own life. Maybe is the perfect time for you to explore what love is about, or maybe other things are important at the moment ... and the love story can only be a future "project". Exploring what love is about ... in our minds, as a fantasy ... or in the real life, as a real love story ... is depending only and only if we are ready or not. But what is the difference between fantasy and reality, when even the Bible is saying that everything we see is just an illusion? Well ... i believe that the fantasy is only the beginning of defining what we want ... and the love story is the "experiment" itself. Is it too much to name a love story ... an "experiment"? Well ... exploring ... as a fantasy or as reality is letting your soul understand what love is about. And ... sometimes is even a life lesson. The moment when you jump into the fairy tale ... the real fantasy ... and you understand the meaning of love ... the fact that love is about giving and not about receiving ... that is the moment when you also understand what life is about. Accepting your partner, just as he / she is ... just as accepting all the people from our lives is the moment of awakening. Me, Adrian ... and my dear Annie ... are only trying to define the unseen path from fantasy to the love story itself. And also ... let you know that this path is leading you to point when your thinking will be totally redefined. Life itself ... is about love. Seeing what love is about ... is understanding the meaning of life. If the "love chapter" started for you ... even if it's just a fantasy of reality ... you should be happy. The awakening will come to you!

**Will You Be Mine** - Lexi Buchanan 2021-01-26

Marriages and babies everywhere drove me to leave town, I just hadn't expected to end up stranded on the Island of St. Martin in the Caribbean nor did I expect to have to share a room with the charter pilot. The one and only, Ford Sinclair, best friend of Ryan Townsend, my sister Amanda's, fiancé. The same man I'd refused to have a one-night stand with at my sister, Robin's wedding. I hadn't left home for anything but peace and quiet, what I found was a troubled man who also happened to be sexy, persuasive and dirty mouthed. The Kincaid Sisters is a Bad Boy Rocker spinoff series about Reece Kincaid's (Past Sins: Spicy) sisters. Book 1 - Meant to be Mine (Jessie Kincaid) Book 2 - You Were Always Mine (Amanda Kincaid) Book 3 - Will You be Mine (Sarah Kincaid)

**How I Learned To Love Her** - Shubham Joshi 2021-01-16

We all have got our journeys in life; some lead to destinations; others lead to a new beginning again, but everything ends up teaching something. Love is indeed very precious. In the walk of our lives, we come across many strangers with whom we share many moments. These are undoubtedly the one whom we love, and it becomes so arduous to understand when love happens by chance..... It feels so good to talk about a school love story, a story without a relation, where the two strangers, strangers even when they were well known to each other and continued to be a stranger, loved each other but believed in their Destiny. Shaurya, a nerd boy who just opposed his name's meaning, lacked the courage and courage to speak his heart. Time is his deadliest fear. Abhilasha, a lovely girl who was synonymous with the meaning of her name, was loved by all; happiness is her shadow... Both of them are busy accepting whatever is going on in their life, and their Destiny is still unjustified, which is desperate with many surprises. Waiting for years, the story is all about the unexpected that happened in their life. And finally, one question which strikes corner to corner in their heart and mind, "WHAT MATTERS"....

**All About Me (Love & Hate Series #2)** - Joanna Mazurkiewicz 2020-08-15

*All About Me (Love & Hate series #2)* I'm the monster, a bloody human incapable of emotion I soon realise that my revenge didn't make me feel any fucking better about myself, instead it pissed me off to realise that I'm in love with her. Two days later the letter addressed to me arrives in the post and the ground moves beneath my feet, because the whole truth about India is out in the open and the pain punches me so hard that I can't breathe, darkness crawls through me, sparking all the insecurities and fears about my dead brother back to ugly reality. Then off I go with my apology, trying to fix this fucked up situation but she doesn't want to listen. Every time I do something the guilt is burning my gut, pushing her further and further away from me. She even goes an extra mile making me feel like a prick and she gets involved with someone else just to get back at me. She pretends that the event in the restaurant didn't mean anything to her, like she is immune to my actions. India's pain is raw, deep and whenever I lay my eyes on her I remember the cruel things I've done. The next couple of months I focus on getting her back. This is the only thing that matters to me now. I must redeem myself; forget about anger, other birds and parties. India is the only person that I want, I love her and only her but the problem is that she hates my guts, so I'm the last person that she wants. I must prove to India that I'm worthy of her love,
