The Deepest Side of Love - Adriana Jai Wynn-Yeldell 2014-01-07

The Thomas and Mayfield family are closer than ever. From the outside things look great, but personal and emotional issues have surfaced to cause serious problems. Everyone has gotten older and despite the successes the family has enjoyed there is distrust, unhappiness and more secrets. Adam and Aira's relationship is in trouble and some of the children in the family needed a good whipping. Junior Mayfield have major decisions to make and Delano Devereaux, the ex-drug dealer comes face to face with his past. Aira C. Mayfield narrates the story and takes you through each family member's house to show you that we will all go through trials and storms that can shake the foundations of your life. But they are holding on until they can get right! Each Sunday they receive reaffirming relief from Pastor Miles sermons, while forcing their minds not to drift and to pay attention to the signs. Relationships become tore and the evilness of sin are upon them. One by one they struggle to understand the changes and how to effectively overcome any battle the world brings because they know money can't fix all their woes and sorrows. Love and patience can conquer all but there is no getting through to some people. Is the pain too great or are they that hard-headed and stuck in their ways? Will there be forgiveness?

*Dating 101* - Peter Kerry 2017-10-28

This book contains all of the things I wish I had known when I was younger, such as: How to know if a girl likes you How to escalate physically and go for the kiss How to avoid ending up in the friend zone How to avoid getting played Relationship red flags Romance scams Cultural differences I have learnt these things over the years from other people, books I have read, expert dating coaches and my own (sometimes bitter) experience. It contains advice about what to do and what you should absolutely never do, where and how to meet girls, how to touch girls in a way that shows your interest without risking going too far, how to escalate quickly with and quickly get to the kiss or get her into bed, how to know for certain whether a girl is really attracted to you and also how to avoid bad situations such as the dreaded "friend zone" or getting taken advantage of by women that just want to waste your time or take your money. I also offer my advice about what to be careful about when moving a relationship forward, particularly before passing the "point of no return" which you cannot normally go back from without ending the relationship. Lastly, there is a section about dating scams and cultural differences.

*Maybe He Just Likes You* - Barbara Dee 2020-09-15

2019 The Washington Post Best Children's Book of the Year (Erin Entrada Kelly Pick) A 2020 ALA Notable Children's Book "The novel's all-too-familiar scenario offers a springboard for discussion among middle schoolers...Easily grasped scenarios and short chapters help make this timely #MeToo story accessible to a wide audience." —Publishers Weekly (starred review) "Realistic and heartbreaking." —BCCB Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls.

During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice.

*The Guyde* - Howie Reith 2016-11-19

The *Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The *Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The *Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
