SignMates - Bernie Ashman 2012-07-08

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

Voyage of the Capricorn Lady - Book II - Judith Gilman 2005-07-28

VOYAGE OF THE CAPRICORN LADY BOOK TWO The Shadow of His Smile Voyage of the Capricorn Lady, Book Two, The Shadow Of His Smile, continues the true story about a Caribbean Charter yacht couple, Captain Judith Gilman and her husband, Captain Dan T. Gilman III. After they lost their business and almost all their personal possessions in central Florida, they sailed away on an aging wooden sailboat, finding a

new life in the Crewed Charter Industry in the Virgin Islands. The first book, Voyage of the Capricorn Lady, Book One, Lost at Sea with Daniel T., recounts Dan and Judis miraculous escape from almost certain death after a boating accident in the lower Bahamas, and chronicles the challenging and adventurous life they stumbled into that would provide a new career for the next 23 years. After they sold their sailboat, Capricorn, in 1980, they became the new owners of a 71 Trumpy Houseboat, built in 1947. From 1980 until 1999, Dan and Judi Gilman owned and operated Capricorn Lady in the British Virgin Islands, hosting Oscar winners, film directors, royals, and families from around the world. The vessel, and her owners, was featured in many international yachting and travel magazines, and was one of the first motor vessels to do crewed charters in the Virgin Islands. Dan and Judi purchased another smaller Trumpy, Capricorn Mistress in 1985 to join the Lady at her Nanny Cay base, often running the two vessels in tandem to provide accommodations for large family reunions, and corporate charters. Licensed Captain, First Mate, and Master Chef, Judi, a Capricorn Lady, tells all with a sense of humor and obvious love for the life she shared with Captain Dan. Tales of charter guests, charter crews, colorful island characters, beloved friends, and life in the beautiful British Virgins, are spiced with the memories of years of hard work and accomplishment. Judi describes what life was really like, below decks, on her successful charter yacht, as she and her husband strived to provide luxurious cruises for their guests, aboard a classic wooden yacht. Judi embarked on her voyage of love and adventure with Dan in 1964, and during their life together, they shared many tests of their ability to adapt to new circumstances. Never separated, working together 24 hours a day, they were loved and admired by their charter guests, but failed to heal the wounds caused by their abrupt departure from their previous life. Two families suffered the pain of separation, never sailing across distant horizons to reach the shores of forgiveness. This phase of the Capricorn Ladys journey culminated with Dans death from Lung Cancer in April 2003, after a fierce two-year battle for survival. Travel with Judi from the carefree golden sands of the Caribbean to the Cancer Centers in Oregon where Dan stood his final watch. Judis beloved Captain departed across the bar in Florence, Oregon, leaving her in a world far from the sunny islands of the Caribbean. Learning to cope without her beloved soul mate, while transitioning to a new and interesting life, is her new challenge for the future. Dreams and psychic occurrences during Judis life, and after Dans death, confirm the bonds of love that bind this Capricorn Lady and her Captain, Forever. The Capricorn Ladys Voyage will continue Somewhere Beyond the Sea.
