*How to Fall in Love with Anyone* - Mandy Len Catron 2018-02-01

In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films,

books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the *New York Times*' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her

Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything-

goes, women-are-just-like-men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students problems can be solved with free condoms and Zolof. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.

a gift is in the giver, rather than the gift itself. Jim and Della, out of their love for each other, purchased a gift that required them to sacrifice something that was precious to them.

**The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself.

There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses

on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final

portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

**Thirty Day Boyfriend** - Whitney G. 2017-10-16  
I should've never agreed to this arrangement...  
Thirty days ago, my boss (Mr. Wolf of Wall Street), came to me with an offer I couldn't refuse: Sign my name on the dotted line and pretend to be his fiancée for one month. If I agreed, he would let me out of my employment contract with a "very generous" severance package. The rules were pretty simple: No intimate kissing, no actual sex. Just pretend to love each other for the press, even though I've secretly wanted to knock that sexy smirk off his face since the first day we met. I definitely didn't need to think twice about this. I signed my name and started counting down the seconds to when

I would never have to deal with his special brand of ass-holery again. I only made it to one minute... We argued the entire four-hour flight to his hometown, failed to make a convincing impression with the welcoming press, and right when I was about to knock that arrogant look off his face in real life? He purposely dropped his bath towel in front of me, distracting me with his nine-inch cock to "show me who the bigger person was" in our relationship. Then he gave me his trademark smirk once again and asked if I wanted to consummate our marriage.

Tragically, this is only day one. We still have 29 more days to go...
