The Art of Female Orgasm - Michael Bush 2018-04-03

HOW TO EASILY MAKE A WOMAN SQUIRT You won't get the information embedded in this book anywhere else in the world. This book was born out of the desire to help a brother whose wife was messing around with other men. I gave him some tips and tricks, and that was all he needed to keep his beautiful wife back at home. I have slept with countless women, and I know every single damn thing about a woman's body. Making a woman squirt is a technique that isn't common among the male folks. Whoever makes a woman squirt keep her for life irrespective of your misdoings. Several years, making a woman squirt was an art only Cassanova knew, but today I will show you all you need to make her squirt and want more of you all the time. If you've never seen or felt a true G-Spot orgasm, imagine for a moment, an orgasm that causes the whole vagina to spasm rigorously, often contracting so tight that it literally forces out your finger or any object inside the vagina. And imagine that while these intense contractions are throbbing and pulsing throughout the vagina, the vagina becomes very wet and ejaculates a stream or spurt of fluid with each contraction. Imagine an orgasm that causes such intense ecstasy that even the quietest and most controlled woman will yell, buck and become wild; one that makes normal "screamers" go dead silent--the scream caught in her throat--a scream that if freed may wake all the neighbours within a four-block radius. Then you can imagine the satisfaction of never having to wonder: "Did she orgasm? Was it fake, or was it real?" But instead knowing the instant her orgasm begins with clear physical signs that occur involuntarily and comes along with the orgasm. This is the glory of a G-Spot orgasm!!! But we don't want you to take our word for it. We want you to see for yourself. SEE WHAT PEOPLE ABOUT THE MAKING A WOMAN SQUIRT "It was absolutely the furriest, most wonderful climax I've had! It was like warmth started in my vagina center and splashed outward all over my body. Wonderful!" -- J. K. "I thought I took a leak! And then (name withheld) explained what had happened after reading series of books and I could hardly believe it finally happened to me. . . I would prefer having this every day and take the stress of washing the sheets everyday"-- T.C. "After I felt what it's like to squirt, I'd rather die than (name withheld) stop making love to me! Our love life has never been better. . ." -- K. C. Like I said, whoever makes a woman squirt owns her for life. If your wife is about to leave you, divorce you, or having an affair with another man, then you need to satisfy her on bed and watch how she turns over a new leaf. The secrets are embedded right inside this book. This book will expose you to How to initiate sex the right way Ways to make a woman want you on bed How to get her wet Where to locate her G-spot The right way to stimulate the G-spot and Clitoris Understanding a Woman's anatomy How to stimulate yourself as a woman Advanced sexual techniques for ultimate pleasure Sexy positions for G-spot stimulation Making a woman finally squirt If you really want to improve your sex life as a man, or help your husband bedroom skills as a woman, then this book is a must buy. How to Attract Women - Leonardo Bustos 2015-09-10

How to Attract Women Attract more women with humor by reading this wildly funny and entertaining book! You will be taken through a step by step formula that will help you to easily develop the high status humor skills and alpha male body language habits that women are subconsciously attracted to at a primal level. You will discover how fun and exciting it is to confidently approach practically any woman, anytime, anywhere and instantly have a fun and humorous connection with her. I'll show you a guaranteed foolproof method that has allowed me to engage attractive women in deep and thoughtful rapport by asking the right questions that cause her to become emotionally aroused. Men are aroused more by visual cues. A man looks at a woman searching for sexual stimuli like a jeweler looks for perfection in a flawless gem. Visual cues convey information about a woman's health, fertility, and youth. Women are aroused more by psychological cues. A woman looks at a man much like a detective would a suspected criminal who is about to commit another crime. The visual cues a woman looks for are status, resources, commitment, kindness, stability, and humor. Just as you are attracted to a beautiful face, ass, and breasts, so are women attracted to "male cleavage," or the attractor factors that include high status humor. I'm going to show you how to develop those psychological cues that women can't help but be attracted. With a little practice, you'll start to notice that women will begin to smile at you more when you stimulate the emotional part of their brains that make them laugh. You'll especially notice how they will start engaging you more in a playful manner and will then want to start spending more time with you. Women want men to pursue them for sex. The problem is, too many guys are either too passive and conceal their sexual interest in women, or they act like aggressive idiots and drive them away. Luckily for you, there is a very cool and natural way to approach and attract women so they become interested in you first, and I'm going to show you how to do it. There is no doubt that women want to be sexually attractive and desired by men. They are actively looking for those men who have the ability to unlock the code to their natural instinctive desires. This book is going to teach you how to develop those traits and skills that tap into a woman's primal needs and desires. You grew up with a modern "female blueprint" and I'm going to show you how to record over it. I'm happy for the women's liberation movement and equality, but along with it became the feminization of American society. The Equal Rights Movement for women in the 60's has caused role reversals and gender confusion that contradicts the conditioning of tens of thousands of years of customary male-female roles. Male and female blueprints that took around 200,000 years to evolve upended suddenly over the last 50. That is a 4,000 to 1 ratio! That's like starting on less than the 1-inch line on a football field of a hundred yards. It's no wonder the modern male population is so confused. One of the primary reasons so many feminized males (often referred to as wusses) are unsuccessful in attracting women is they act like women themselves. It won't work! You can't reverse a few hundred thousand years of conditioning over a 50-year period and expect different results. The methods you're about to learn were scientifically tested and proven to work in social experiments. This information has been carefully researched and documented from experts in the fields of evolutionary psychology, sociology, neuroscience, evolutionary biology, anthropology, and many other fields too numerous to mention. This book can change your life!

What Women Want Men To Know - Barbara De Angelis 2012-06-28

What makes women tick? And how can women and men use this knowledge to make a great relationship? Top relationships expert Barbara De Angelis tells you how

The Sexcalation System - Cory Smith 2021-03-22

You have a cute girl in your life that YOU WANT TO FUCK IN THE PUSSY. You see her every once in a while, and you want to TURN THINGS SEXUAL, without it being weird, without coming across as creepy, without getting a verbal/sexual harassment charge, without it taking weeks or months (or for some guys: years), You want to FUCK HER HARD and FUCK HER FAST, yet when she's with you, you do nothing because you don't know how to make moves on her. Your lack of knowledge on how to ESCALATE THE INTERACTION TOWARDS SEX paralyzes you from taking action. As a result of lack of action, you end up stuck in the friend-zone. You just fucked yourself by not knowing how to

fuck her. As a man, it's your responsibility to SMOOTHLY LEAD A WOMAN INTO A SEXUAL STATE OF MIND, PHYSICALLY AROUSED, AND BANG THE SHIT OUT OF HER. Here is the truth: even if a woman really likes you, she will usually avoid making blatant sexual moves on a man (initially), because society will judge her for being sexually aggressive and label her as a stigmatized "slut". So she's waiting on you to make the moves on her because she knows that a HIGH STATUS ALPHA MALE GOES AFTER WHAT HE WANTS IN LIFE AND TAKES IT. In the age of the #MeToo movement, NOT knowing how to properly escalate an interaction towards sex can land you in jail. You have to escalate aggressively, but smart. WOMEN WANT TO FUCK - just not with losers who don't "get it". You have to know what you're doing and DO IT WITH EXTREME CONFIDENCE. After a decade of experience in the field and thousands of approaches, I've boiled down what I have learned into a STEP-BY-STEP GAME-PLAN with SPECIFIC EXAMPLES of leading a woman through a dating process that ends in mutual sexual ecstasy. Instead of having to endure hundreds of harsh blowouts: "get the fuck out of here", "you're creepy", "lets just be friends" speech, "uhh that's gross", and learning through trial and error, the written-guide will show you how to GET LAID THE SMART AND FAST WAY, so you don't have to go through the bullshit. By implementing the techniques in this book, you'll have a woman STOP showing you their innocent prudish side, START showing you her secret wild, sexual side, and TURN HER INTO A FUCK-BUDDY. This reality will be yours: You'll have that female "friend" completely naked undressed on your bed ready to be sexually ravaged, She won't stop hitting you up and asking to seeing you again - sending you random dirty texts and photos of herself naked, You'll hear her say "DADDY, FUCK ME HARDER!!!!" and realize that you have the power because you can go out at ANY NIGHT and use this system to get laid on THAT SAME NIGHT YOU MEET HER. This is what you'll learn: How to completely UNFUCK YOUR SEX LIFE FOR 2021. How to tap into a woman's primal instinctive biological drives, implement trigger phrases, and touch specific areas on her body in a specific sequence to create a burning desire within a woman and become her sexual obsession. How to meet a woman, flip her sexual arousal switches, use scientific principles that trigger sexual attraction, turn off her impulse control, and FUCK HER ON THE SAME DAY. How to utilize a specific pattern of behaviors to BECOME HER PHYSICAL ADDICTION. FUCK YOUR EXCUSES. INVEST IN YOURSELF AND TAKE ACTION EVERY DAY!

How To Attract Women With Humor - Leonard Bustos 2013-09-16

I'm going to show you how fun and exciting it is to approach practically any woman, practically anywhere, and have an immediate humorous connection with her. Women are actively looking for those men who have the ability to unlock the code to their natural instinctive desires, and your going to learn how to develop those "Attractor Factors" that tap into a woman's primal needs and desires. I'm going to let you in on a little secret. Real men want to have sex with as many beautiful women as they possibly can. I know you're probably shocked at this astonishing revelation, but don't be alarmed. It's not your fault, and it's nothing to hide or be ashamed of. In fact, if your ancestors didn't feel the same way, you wouldn't be here. It's important to add that most honorable men in a relationship generally restrain themselves from acting on this primal desire mostly because of love and respect and to avoid hurting their partners. However, that doesn't mean this powerful urge still doesn't exist. To this day learning to control this instinctive impulse tends to be the ultimate male dilemma. Guess what? Women desire and crave sex too. The problem is, too many guys are either too passive and conceal their sexual interest in women, or they act like aggressive idiots and drive them away. There is a very cool and natural way to approach and attract women so they become interested in you first, and I'm going to show you how to do it. There's no doubt that women want to be sexually attractive and wanted by men. They are actively looking for those men who have the ability to unlock the code to their natural instinctive desires. This book is going to teach you how to develop those traits and skills that tap into a woman's primal needs and desires. You will become in so many words - simply irresistible. Attraction is not a choice. These are natural biological reactions embedded in our DNA developed over tens of thousands of years. Just as men have these responses to attractive women, so do women have similar reactions when they observe men with certain masculine traits. We often think of the male as competing with other males for the prize of mating with the female, but women, of course, also compete for the opportunity to mate with the male who has the most desirable traits. I'm going to teach you what those masculine traits are and how you can develop and use them so that

you become more attractive and irresistible to women. I'm happy to report that some of you guys will be very relieved to know that looks aren't at the top of the list of attraction for women. I'm just saying..... If you want to experience life's ultimate pleasure of falling in love and being in love - with all of the benefits that come with it - like incredible sex, great companionship, having someone to laugh with, someone to be there for you through good times and bad - and just having a partner to share and experience life with; then I promise to show you how to connect with her if you are willing to take the necessary steps I'm about to share. I can't think of a more important decision in life that you will ever make regarding your happiness than with whom you choose to share your life. Finding a quality woman all begins with meeting her, and in order to meet her, you'll need to know how to approach and cause her to be attracted and interested in you.

Guide to Having Sex with Me for Autistic Men - Sarah Johnson
2016-05-07

Per her friend Sam's request Sarah puts together this excellent guide book on how to get her to have sex with an autistic man. Sarah's guide book can be used to help autistic men learn directly from a woman's perspective how to get her into bed. Sarah tells all the secrets of what women really want from a man in this book. Sarah teaches autistic men how to get with a woman and make her feel happy and safe. Many times men with autism come on too strong and are told they are too nice. Sarah explains why that is and teaches guys with autism how to be who they are without coming on too strong and scaring the woman away. Sarah provides great tips and discusses important topics that are often misunderstood by men. One of those topics is the friend zone. Sarah says that the friend zone does not exist and she explains that she would never date or sleep with anyone that she was not friends with first. Sarah gives away the secrets to sex with her and other women, She teaches autistic men that women like foreplay way better than they like intercourse. Sarah talks autistic men through the process of meeting a woman until getting her into the bedroom. She gives guys with autism step by step tools and strategies to become friends with a woman and eventually get her into bed. This is a great tool for men that have had bad advice in the past and are seeking to hear the truth about how to get with a woman. Sarah wrote this book at her friend Sam's request. Sam has autism and has been friends with Sarah for two years. They just recently started sleeping together after nearly two years of friendship. Sarah tells all guys with autism that friendship first is the way to go. Being friends first creates for a better sex life in the friendship. Be sure to get your copy of this book today and start learning how to make friends with woman and eventually have sex with them. Here is an excerpt from the book. "That is why bringing a dozen roses on the first date is a bad idea. This is something I have worked on with my friend Sam who I wrote this book for. When you bring me a dozen roses on the first date that sets off alarms in my brain. They are telling me "What does he want from me for getting me these flowers?" We assume that you have some kind of hidden agenda to get in our pants and that is the only reason you are giving us flowers. We base this opinion off of previous experiences with other men so if you are a true gentleman and do not expect anything in return for giving me a dozen roses on the first date then you are likely going to get rejected because of what other men have done to me in the past. If you really want to understand a woman then listen to what we say and repeat it back to us. If you can connect with us well as a friend then there is a better chance that we will end up giving you a chance to sleep with us. If you cannot listen to us and give us feedback on what we tell you then we know that there is no possible way that we could ever have a strong enough emotional connection to ever have sex with you."

Why do women have sex? Is it purely for pleasure or the desire to reproduce? In their ground-breaking book, clinical psychologist Cindy Meston and evolutionary psychologist David Buss investigate the underlying sexual desires of women and identify 237 distinct motivations for sex. Drawing on more than a thousand intensive interviews conducted solely for the book, as well as their pioneering research on physiological response and evolutionary emotions, Meston and Buss give us a remarkably complex and nuanced portrait of female sexuality. They explore the use of sex as a defensive tactic against a man's infidelity (protection), as a ploy to boost self-confidence (status), as a barter for gifts (resource acquisition), or even as a cure for a headache (medication). [Why Women Have Sex](#) explores the deep-seated psychology and biology of female sexuality, and promises to inform every woman's - and her partner's - awareness of her relationship to sex and her own sexuality.

If you want to make your woman beg for more, you need to understand the way that the female mind works. There is a vast difference between what men see as sexual satisfaction and what a woman experiences as satisfaction. In this guide, I'll show you the difference. There's no beating around the bush. The positions suggested are those that will make her beg for bedtime and want to be in your embrace. We have also included a section on positions and behaviors to avoid. These are seen as turn-offs for women and it is unlikely that you will gain any points in the bedroom if your behaviors fall into this category. Learn to play the role of the lover, rather than thinking about your own pleasure. Her pleasure assures your pleasure in a way that you never thought possible. Believe me, the positions detailed in this book will give you the edge. The exact percentage of women who come out of the bedroom without having had an orgasm is higher than you may imagine and most of this is unnecessary. Men being unaware of what it takes to make a woman climax is often the cause. The positions mentioned in the book put her in control to a certain degree and to involve her in the equation will also make sex better for you. Often men don't take the time. They believe that making love is more of an animal instinct, whereby woman need more than that. Their needs are almost always going to be emotional and I explain just which positions will make her feel secure enough to allow her the luxury of equality in the bedroom. The male and female psyche is different. Once you understand how that works, you are in a better position to please her and to actually make her climax every time you make love. It doesn't have to be the hit and miss affair. Lovemaking can be a wonderful experience that brings intimacy into the picture. When it does, you are much more likely to keep your woman interested and willing to try out new things. The book explains how. Here is a Preview of what you'll Learn... [The Definitive Guide to having Sex with Women in the 21st Century](#) - Sam Wilson 2020-06-10

This is not a 'let's hold hands together' book for the red pill community. This is not a MGTOW book asking you to stay away from women. This is not a Pickup book teaching you to manipulate women. This is a book of knowledge and action to get the sex you want from women. This book is for both men and women to understand the interplay between sex, relationships, marriage and money in the 21st century. This is a book born out of a curiosity to understand what are the tipping points under which a woman will have sex with a man consensually out of wedlock. Can there be a repeatable process to apply and get to sex with as less

repercussions as possible? Can we take luck out of the equation? The 21st century is turning out to be one of the most difficult times to have enjoyable, guilt free sex, with most inter-gender interactions turning out to be like trying to solve an unbalanced power equation. We live in a time where the outgoing attention span of a woman is diminishing greatly, while the incoming attention has increased exponentially. In this book, you will learn about the three vertices of a Woman - Mind, Heart and Body. The path of least resistance to sex is to operate between the vertices of the mind and body without triggering the heart. You will learn about the four necessary conditions for sex to occur - Presence - You need to be present with her to have sex with her Discretion - Who else will come to know if she has sex with you, and how does that impact her? Attraction - Is she okay with your body being on hers? Logistics - Are you both in a safe location where sex can occur? The book is filled with my real-life experiences with women over a 15-year span. I use these experiences throughout the book in order to support a point I make. And because of such a large time span and sample size, it will cover women of different ages. Hence, it will help you no matter where you are in your sexual journey. So get ready to turn the pages into my past and come out with a whole new understanding of the world of women and sex in particular.

THIS IS A NEWLY UPDATED VERSION OF THE UNDERGROUND CLASSIC! "You're the Man... Act Like One!" Look, I know you're not a mind reader, so I'm going to be blunt... The majority of women like to be fucked. And I mean really fucked. Yes, the media has lied to you. Sure, there are some women who want to lie on their backs, look into your eyes, and gently rock back and forth, but most of us want you to channel the power of the Sun through your penis and give us a good, solid pounding. Act like you want it, for God's sake! In this book, I'm going to lay out exactly what the majority of women want and show you exactly how to give it to them. I've got a section just for you and one for your female partner, so you can feel 100% comfortable letting loose on her vagina in the way she's secretly craving. Some of the topics we'll cover... The Alpha Male - It's more than just being an ex-fratboy douchebag, who thinks he's still on the high school football team. I'll clue you in. Dirty Talk - Trust me, she wants it. If she didn't, she'd fuck a mime. Speaking of, did you know Marcel Marceau was divorced three times? Enough said. Role Playing - How she really feels about pretending to be the babysitter, a whore, and a student looking for a little "extra credit." I'll take you through her top Alpha Male fantasies...including one so controversial, I can't even mention it here. The Art of Being Assertive - Sack up and take control! What to do...and what not to do. Sexual Communication - Both you and your partner have needs and good communication, both verbal and non-verbal, is crucial when it comes to getting them on the table. I'll show you how to communicate "Alpha Male Style." You'll learn what to say...and how to say it. Now that I've got you all hyped up and extremely aware of the need to please your woman, let's make that happen! What are you waiting for? Buy the book already!
