**Speak Your Mind** Allyson Kennedy 2018-11-24 Middle school is bad enough. It's worse when you're the shy kid. Victoria Harding has been called many names during her time at Grahamwood Junior High: Loner. Stalker. Teacher's Pet. Kids have even joked that she's formed an evil plot against the school, because you can never trust the quiet ones. But Victoria is armed with nothing but her vivid imagination, content within laying low in her own little world, where she's able to battle against the school's dragons and trolls with her quick wit and confidence. If only that could become her reality. Victoria finds peace in silence, but her social anxiety is deafening. When her new neighbor, Aiden, comes knocking on her door, all Victoria wants to do is stay within the comfortable confines of her castle, alone with her daydreams and mystery books. But Aiden has another plan, and does the one thing few have ever done for her: listen. Perfect for fans of *Flipped* and *Restart*, *Speak Your Mind* is an upper middle grade novel for shy tween readers who just want to be heard.

**Can't Help Myself** Meredith Goldstein 2018-04-03 A disarmingly honest memoir about giving advice when you're not sure what you're doing yourself, by the woman behind *The Boston Globe's Love Letters* column. Every day, *Boston Globe* advice columnist Meredith Goldstein takes on the relationship problems of thousands of dedicated readers. They look to her for wisdom on all matters of the heart- how to cope with dating fatigue and infidelity, work romances, tired marriages, true love, and true loss. In her column, she has it all figured out, but in her real life she is a lot less certain. Whether it's her own reservations about the traditional path of marriage and family, her difficulty finding someone she truly connects with, or the evolution of her friendships as her friends start to have their own families, Meredith finds herself looking for insight, just like her readers. As she searches for responses to their concerns, she's surprised to discover answers to her own. But it's after her mother is diagnosed with cancer that she truly realizes how special her *Love Letters* community is, how this column has enriched her life as much, if not more than, it has for its readers. *CAN'T HELP MYSELF* is the extraordinary (and often hilarious) story of a single woman navigating her mercurial love life, and a moving and poignant portrait of an amazing community of big-hearted, love-seeking allies.

**The Guyde** Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

**How We Do it** Judy Dutton 2009 A fascinating exposé of what revs our sexual engines—and how knowing what happens behind the sex-lab door will make us better lovers. Did you know that the scent that turns on men the most is pumpkin pie mixed with lavender—and that women have been known to go wild from a whiff of Good & Plenty and cucumber? Sex researchers have been documenting the many esoteric aspects of the erotic realm for years, and now the laboratory door is open to you. How can you increase the odds of attracting a mate? (Using a new nickname might do the trick.) Is it possible to orgasm just by thinking about it? (Some people can—maybe you're one of them.) Can you prevent your partner from straying? (There is a vaccine—but so far it's been tested only on rodents.) How We Do It answers these questions and more, revealing the mysteries of what turns us on and why, and highlighting the latest, greatest, and most bizarre experiments heating up laboratories around the world today and throughout history. More than a survey of sexual experimentation, it's a guide to heating up your sex life, showing how to improve your sexual performance, from the first sparks to the climactic finale, backed by scientific research.

Robinson 2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.
