Montreal'S Gay Village - Donald W. Hinrichs 2012-01-04

The Gay Village in Montreal is a vibrant and unique neighborhood born in the 1980s. It serves as the locus of much of the social life of LGBTQ persons, and is the site of many celebrations including annual pride activities such as the Divers/Cit arts and music festival, Community Day, and the Pride parade. As a result, it has become a popular draw for tourists from around the world. Montreals Gay Village explores the neighborhood from a variety of vantage points and attempts to answer many salient questions about its origins, name, residents, and more: When and why did the Village emerge as a gay neighborhood? Where did it get its name? Who are the residents of the Village? Is the Village primarily a space for gay men, or is it open to a diverse group of people? Is it truly a village, or is it a ghetto and what are the differences? Is it a safe neighborhood to live in and visit? How do LGBTQ persons, tourists, the media, the city, and the tourist industry view the Village? Does the Village have a future as a viable gay neighborhood? This scholarly profile explores the answer to these and many other questions regarding this unique, internationally known community.

Hustlers - Jesse Grant 2006

A rough-trade collection of sizzling stories about men who do men for money. Hotter than a summer night on a street corner, these high-octane stories leave readers begging for more. 27/10/2005

Tricks and Treats - Matt Bernstein Sycamore 2000

A book of accounts by sex workers which offers a window into their lives and the lives of their clients, the sex industry and society as a whole. Sex workers usually tell each other bar-stories to, rant, brag, process - in this book these usually, private conversations become public. Not another, Why-I-Became-a-Prostitute book, this book, provocatively turns the tables on the buyers of, sex, giving the reader a window into the lives and, experiences of sex workers.

Sex Workers Unite - Melinda Chateaubert 2015-03-10

A provocative history that reveals how sex workers have been at the vanguard of social justice movements for the past fifty years while building a movement of their own that challenges our ideas about labor, sexuality, feminism, and freedom Documenting five decades of sex-worker activism, Sex Workers Unite is a fresh history that places prostitutes, hustlers, escorts, call girls, strippers, and porn stars in the center of America's major civil rights struggles. Although their presence has largely been ignored and obscured, in this provocative history Melinda Chateaubert recasts sex workers as savvy political organizers—not as helpless victims in need of rescue. Even before transgender sex worker Sylvia Rivera threw a brick and sparked the Stonewall Riot in 1969, these trailblazing activists and allies challenged criminal sex laws and “whorephobia,” and were active in struggles for gay liberation, women's rights, reproductive justice, union organizing, and prison abolition. Although the multibillion-dollar international sex industry thrives, the United States remains one of the few industrialized nations that continues to criminalize prostitution, and these discriminatory laws put workers at risk. In response, sex workers have organized to improve their working conditions and to challenge police and structural violence. Through individual confrontations and collective campaigns, they have pushed the boundaries of conventional organizing, called for

decriminalization, and have reframed sex workers' rights as human rights. Telling stories of sex workers, from the frontlines of the 1970s sex wars to the modern-day streets of SlutWalk, Chateaubert illuminates an underrepresented movement, introducing skilled activists who have organized a global campaign for self-determination and sexual freedom that is as multifaceted as the sex industry and as diverse as human sexuality.

Hitchhiker Hustler - Cherie Wilde 2023-05-28

While hitchhiking on a lone Texas highway, Lila is offered a ride by a married couple. Grateful for their hospitality, the young girl agrees to spend the night at their home. But there is a price to pay for their generosity: she must agree to satisfy the couple's depraved sexual appetites. Lila consents, and over the course of the evening, she is pushed to the very boundary of pleasure and decency. But the couple will discover Lila is not the meek submissive she pretends to be...

The Happy Hustler - William Maltese 2010-08-01

Well-known writer William Maltese returns to the world of male hustling, providing valuable insights into several young men who have not only survived within the brutal sex-for-hire environment, but actually thrived. In first-person accounts, the hustlers candidly reveal the secrets that have helped them prosper, when so many others have fallen by the wayside. The "Happy" Hustler reveals it all!

Hard at Work - David Laurents 1998

This collection of red-hot stories focuses on the forty-hour work week -- from office intrigues to the confessions of men-for-hire. The contributors to Hard at Work explore the many ways that sex permeates relationships in the contemporary workplace: Patrick Barnes focuses on the erotically charged dynamic between a waiter and his boss; Adam McCabe takes things a step further with the story of an applicant who'll go to any lengths to land a job; Aiden Shaw and Don Swewey write perceptively about life in the world's oldest profession.

Raw - Shay 2008-12

Money make me cum . . . money, money make me cum . . . Chastity Jones is the real thing. She's beautiful, she's classy, and she's got money to spend. Other people's money. As long as there are men around, 19-year-old Chastity will be rolling in their dough. It wasn't always like that; her father was sent to prison when she was 16, and after being placed in a foster home, she was brutally raped. She runs away, and starts stripping at a men's club, and there she catches the eye of Legend, a mysterious and handsome 6-4 hunk with straight black hair that hangs over his shoulders. His brownstone parties are famous; attended by celebrities, ballers, and hustlers alike. But the real parties are in his basement; sex parties that include girl-on-girl action, and even kinkier fares. His parties are so successful he easily clears \$25,000 to \$40,000 a weekend. For Chastity it's love at first sight, but try as she might Legend only treats her like a little sister, and under his tutelage Chastity is soon hanging with the big dawgs. They buy her cars, pay the rent on her condo, buy her expensive jewelry and take her on shopping sprees. But the man she wants most shows her no romantic interest; and that's Legend. And then she meets Hunter; he's a drug kingpin with millions of dollars, and also Legend's cousin. And he falls for Chastity in a big way. Suddenly Chastity is caught up in a

whirlwind of money, sex, drugs and danger; and the only way out lies in death.

Dating and Interpersonal Relationships - Nicolae Sfetcu 2014-05-01

An introduction to interpersonal relationship - methods, advice and tips for friendship, dating and online dating, intimate relationship, love and kiss, flirting, seduction, romance, marriage and wedding.

Interpersonal relationships are social associations, connections, or affiliations between two or more people. They vary in differing levels of intimacy and sharing, implying the discovery or establishment of common ground, and may be centered around something(s) shared in common. The study of relationships is of concern to sociology, psychology and anthropology. Dating is a form of courtship consisting of social activities done by two persons with the aim of each assessing the other's suitability as a partner in an intimate relationship or as a spouse.

Bowker's Guide to Characters in Fiction 2007 - 2008-02

Taken By The Gay Biker (Gay Motorcycle Club Fiction) - Tabatha Allen 2015-08-05

Genre: Gay Biker / Straight to Gay While hustling pool in a motorcycle club, Mark loses several bets for money and services to a tall, muscled biker. The biker just beat someone trying to scam him in front of his gang. If he doesn't teach Mark a lesson, he'll lose respect. A man honors his bets and he expects no less from Mark but how much will be enough? This 7,400-word gay biker erotica contains detailed explicit descriptions of gay sex. Includes anal and oral situations with a pool hustler surrendering himself to a well-endowed, gay biker. It's intended for the enjoyment of adult readers only (especially those who love erotica

stories involving first time gay experiences with a firm touch of domination).

Rent Boys - David MacMillan 2000

Anthology/collection of 18--never before published--gay erotic fiction short stories about hustlers & escorts.

The Routledge Handbook of Male Sex Work, Culture, and Society - John Geoffrey Scott 2021-03-20

Panoramic and provocative in its scope, this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities, male sexuality, sexual health, and sexual cultures. This groundbreaking volume will have a powerful impact on our understanding of this challenging, elusive subject. While the internet has brought the previously hidden worlds of male sex work more starkly into public view, academic research has often remained locked into descriptions of male sex workers and their clients as perverse. Drawing from a variety of regions, the chapters provide insights into the historical, popular cultural, social, and economic aspects of sex work, as well as demographic patterns, health outcomes, and policy issues. This approach shifts thought on male sex work from a hidden "social problem" to a publicly acknowledged "social phenomenon." The book challenges myths and reconceptualizes male sex work as a discrete field. Importantly, it provides a vehicle for the voices of male sex workers and new and established scholars. This richly detailed, humane, and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other. The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities. A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work, this handbook will be of great interest to scholars of criminology, sociology, gender studies, and cultural studies and all those interested in male sex work.
