

I Need A Female Companion

Clayton's Chronicles - Jere Steiner 2023-05-29

More than anything, Beemer, one of Heaven's chroniclers-in-training, wants to launch his career by writing the story of a famous human. When the ambitious trainee is assigned a lowly farmer's son, Clayton Steiner, as his first project, disappointment instantly challenges his dream of stardom. Through his botched attempts to glorify his flawed subject (for which his exasperated editor frequently reprimands him), Chronicler Beemer learns how purposeful God's love is for these flawed humans. As Clayton wrestles with the weight of perfectionism, intense moments of grief, and the sins of his father, Beemer realizes that Clayton's life is more complex and captivating than he could have imagined. Clayton's Chronicles offers an intriguing twist to a memoir. While recounting the day-to-day routines and struggles of Clayton Steiner, it provides a unique perspective that unlocks the incredible value and strength of the human spirit. Written from a unique and charming point of view, this book will arm anyone battling family dysfunction or self-esteem issues with hope. Its candid and vulnerable account discusses typically taboo subjects and inspires us all to continue to learn, find empowerment, and understand our ultimate worth to ourselves, our communities, and God.

The Beachcomber (PB) - Bill D. Rose 2018-12-20

The Beachcomber (PB) Jack Mahan and Operation Yellow Jacket By: Bill D. Rose The Mahans were a close-knit, yet dysfunctional, family. Uncle Bud Mahan owned and operated the Swordfish Marina at the very tip of Texas on South Padre Island. He was the eldest brother and was obsessed with high-stakes gambling. Eddie Mahan, his brother, was what some people called an adrenaline junkie. The truth is that he would do almost anything for the rush of adrenaline, and he had the scars to prove it. Marge Mahan was Bud's wife and the stabilizing rock for the whole family. Eddie was my father. My mother was a hippy and deserted us when I was four to protest the Vietnam War; she never returned. When I was nineteen my father gave me the deed to the beach house and left to sail around the world with his buddies. Working at the marina and beachcombing was what I did. It was there where I met Rex Sampson, a wealthy attorney, and Commander Brad McCormick of the US Coast Guard. They soon recruited my entire family and my best friend to join them in a quest to stop the narcotics trade coming in from the Gulf of Mexico and to attempt the takedown of a Columbian drug cartel. The results make for a thrilling con game, pitting the Mahan family against the dangerous drug lords. My name is Jack Mahan, and this is my story

Iroth - Tamsin Ley 2021-10-29

Wrongfully accused of murder, Iroth assumes the shape of a primitive

four-legged pet to escape the law. But the human female who adopts him is about to blow his cover... Maise had hoped to come home with a hot date after the charity auction. Instead, she ends up caring for a Great Dane who's more than he seems...

The Routledge Companion to Jazz and Gender - James Reddan 2022-08-19

The Routledge Companion to Jazz and Gender identifies, defines, and interrogates the construct of gender in all forms of jazz, jazz culture, and education, shaping and transforming the conversation in response to changing cultural and societal norms across the globe. Such interrogation requires consideration of gender from multiple viewpoints, from scholars and artists at various points in their careers. This edited collection of 38 essays gathers the diverse perspectives of contributors from four continents, exploring the nuanced (and at times controversial) construct of gender as it relates to jazz music, in the past and present, in four parts: Historical Perspectives Identity and Culture Society and Education Policy and Advocacy Acknowledging the art form's troubled relationship with gender, contributors seek to define the construct to include all possible definitions—not only female and male—without binary limitations, contextualizing gender and jazz in both place and time. As gender identity becomes an increasingly important consideration in both education and scholarship, The Routledge Companion to Jazz and Gender provides a broad and inclusive resource of research for the academic community, addressing an urgent need to reconcile the construct of gender in jazz in all its forms.

The New Woman in Early Twentieth-century Chinese Fiction - Jin Feng 2004

Jin Feng proposes that representation of the "new woman" in Communist Chinese fiction of the earlier twentieth century was paradoxically one of the ways in which male writers of the era explored, negotiated, and laid claim to their own emerging identity as "modern" intellectuals.

Companions Without Vows - Betty Rizzo 2008-09-01

Companions Without Vows is the first detailed study of the companionate relationship among women in eighteenth-century England--a type of

relationship so prevalent that it was nearly institutionalized. Drawing extensively upon primary documents and fictional narratives, Betty Rizzo describes the socioeconomic conditions that forced women to take on or to become companions and examines a number of actual companionate relationships. Several factors fostered such relationships. Husbands and wives of the period lived largely separate social lives, yet decorum prohibited genteel women from attending engagements unaccompanied. Also, women of position insisted on having social consultants and confidantes. Filling this need were the many well-born young women without sufficient funds to live independently. Because family money and property were concentrated in the hands of eldest sons, these women frequently had to seek the protection of female benefactors for whom they performed unpaid, nonmenial tasks, such as providing a hand at cards or simply offering pleasant company. The companionate relationship between women could assume many forms, Rizzo notes. It was often analogous to marriage, with one partner dominant and the other subservient, while some women experimented in establishing partnerships that were truly egalitarian. Rizzo explores these various types of relationships both in real life and in fiction, noting that much of the period's discourse about women's relationships can be seen as a tacit commentary on marriage. Provocative and engagingly written, this authoritative work casts new light on women's attempts to deal with a patriarchal power structure and offers new insight into eighteenth-century social history.

The Liberator - M.H. Milrem 2023-08-03

An ancient foretelling. A lost soul. An enemy rising. Ella is a stranger in a strange place. Her past is as much a mystery to herself as it is to the people who saved her and nursed her back to health. It takes a visit from her dark past to resurrect the girl she used to be, and the call of a cursed friend to set her on a path that has been foretold since the Breaking of the World. Woefully unprepared for what lies ahead, Ella has to navigate a reality where everyone has their own agendas and no one is quite who they seem to be. One thing is certain, if Ella fails the worlds will die. The Liberator is the fifth book of eight in the epic, grimdark fantasy series

The Work - William Simon 2016-01-26

The Work By William F. Simon William F. Simon's The Work is an insightful story of the life of an alcoholic as he struggles with his addiction while searching for something to believe in. He shares anecdotes of his life growing up, and how he thinks his addiction came about. The events are not outlandish and could happen to anyone, though, possibly with different results. At one point, the author becomes aware of something known as the 'Law of Attraction,' the premise of which is to ask, believe, and receive. He proceeds to describe the exact process, including the forming of string vibrations (thought energy) to be sent to the Universe, with the belief that the Universe will answer by providing that which is desired. He also shows a likeness to this same premise from the Bible, wherein you ask the Heavenly Father through prayer, believe, and receive with gratitude to God. Whether you are 'religious' or simply 'spiritual' you will be able to see how these practices can affect lives, particularly those suffering from substance abuse addictions.

The Man's Dating Decision Notebook - Guru Notebooks 2020-07-12

This streamlined, easy-to-use, and thoughtful notebook is for men who are on the dating quest. Whether or not you are looking for a female companion offline or online, it's essential that you know what you want, what you need, and how to objectively assess your dates and girlfriend experiences. Your time, energy, purpose, and legacy are too important to

be wasted in pursuit of a unicorn. It's time to wake-up and take ownership of your decisions. Ask yourself the important questions and never fool yourself. This notebook offers many essential questions for each entry (this notebook allows for fifty entries - each entry consisting of a front and back page). Each entry also contains areas where you can describe and note important determinants. As a man, your time and energy are precious. Hopefully, this efficient notebook will help you start objectively observing the relationships you're pursuing or keeping. The goal is inner peace, continued confidence, awareness, and the preservation of your sense of freedom. This notebook makes for a great gift for younger men who are new to dating or men who are interested in getting out there and exploring opportunities. GuruNotebooks.com If interested in mindfulness for inner strength and balance, feel free to give our mindfulness guides a try. They can be found at 30DaysNow.com or by searching for Corin Devaso and Harper Daniels on Amazon. ***** Does dating have to be an arduous experience? Why do so many men overwhelm, shackle, depress, and stress themselves out over the dating experience? Does it have to suck? The answer is...no. The world of dating has changed, but not all is lost. This is an era of self-discovery. You have to know what it is you truly want and need before committing your time to a person. As a man, your time and energy are incredibly valuable.

Don't waste them! Whether you just started dating someone, are looking for a female companion, or simply don't know what it is that you want, then start with utilizing this streamlined notebook for your benefit. The man who puts in the effort to objectively observe and assess his short-term and long-term relationships has more control and power to make smart decisions for his future. Don't concern yourself with petty thoughts such as: Does she find me attractive? Can I please her? Am I the guy she desires? Will she be loyal to me in the long-term? Does she respect me? Will I make her happy? These questions are not helpful to the ultimate goal, which is ensuring you preserve, honor, and strengthen your freedom, inner peace, and energy. Don't lose your legacy by chasing a unicorn. Get smart! Start thinking about your dating experiences differently. Think like an objective observer, as if you were mentoring a friend. Hopefully, this streamlined notebook will help you do just that. This easy-to-use and efficient notebook will help guide you to make a decision that preserves your legacy as a hard-working, intelligent, and determined man. Each date (girlfriend) entry consists of a front and back page that consists of a series of essential questions and a few areas for you to describe, note, and keep track of important determinants. P.S. If you feel comfortable enough to share a dating experience, feel free to do so in the comments section online via any of the sites that sell this notebook. GuruNotebooks.com
