Little Liberia - Jonny Steinberg 2012

"On Park Hill Avenue in New York City, almost everyone is Liberian. Many fled here, survivors of a brutal civil war that claimed the lives of one in fourteen Liberians. But even an ocean away, the baggage of the past is difficult to leave behind. Steinberg spent two years in this close-knit neighbourhood, tracing the tensions between two men, Rufus and Jacob, with very different pasts but goals that were locked into a collision course. As national dramas played out on a small stage thousands of miles from home, Steinberg takes up [the] ... story of a horrific and heart-wrenching war, and of the quest to be human in a world losing its humanity."--Back cover.

I Am Charlotte Simmons - Tom Wolfe 2010-08-31

A scandalous exploration of elite undergraduate life from the author of *The Bonfire of the Vanities* Dupont University: the Olympian halls of learning housing the cream of America's youth, the roseate Gothic spires and manicured lawns suffused with tradition... or so it appears to beautiful, brilliant Charlotte Simmons, a sheltered freshman from Sparta, North Carolina, who has come here on a full scholarship. But Charlotte soon learns that for the upper-crust coeds of Dupont, sex, status, and kegs trump academic achievement every time. As Charlotte encounters Dupont's elite, she gains a new, revelatory sense of her own power, that of her difference and of her very innocence. But little does she realise that she will act as a catalyst in all of their lives. 'A firecracker of a novel... A pyrotechnic delight just as dazzling as *The Bonfire of the Vanities*' - Sunday Express

Teen TV - Stefania Marghita 2021-05-26

Teen TV explores the history of television's relationship to teens as a desired, but elusive audience, and the ways in which television has embraced youth subcultures, tracing the shifts in American and global televisual and teen media. Organized chronologically to cover each generation since the inception of the medium in the 1940s, the book examines a wide range of historical and contemporary programming: from the broadcast bottleneck, multi-channel era that included youth-targeted spaces like MTV, the WB, and the CW, to the rise of streaming platforms and global crossovers. It covers the thematic concerns and narrative structure of the coming-of-age story, and the prevalent genre formations of teen TV and milestones faced by teen characters. The book also includes interviews with creators and showrunners of hit network television teen series, including *Degrassi's* Linda Schuyler, and the costume designer that established a heightened turn in the significance of teen fashion on the small screen in *Gossip Girl*, Eric Daman. This book will be of interest to students, scholars, and teachers interested in television aesthetics, TV genres, pop culture, and youth culture, as well as media and television studies.

Inside of a Dog - Alexandra Horowitz 2010-02-18

As an unabashed dog lover, Alexandra Horowitz is naturally curious about what her dog thinks and what she knows. As a cognitive scientist she is intent on understanding the minds of animals who cannot say what they know or feel. This is a fresh look at the world of dogs -- from the dog's point of view. The book introduces the reader to the science of the dog -- their perceptual and cognitive Abilities -- and uses that introduction to draw a picture of what it might be like to be a dog. It answers questions no other dog book can -- such as: What is a dog's sense of time? Does she miss me? Want friends? Know when she's been bad? Horowitz's journey, and the insights she uncovered from studying her own dog, Pumpernickel, allowed her to understand her dog better, and appreciate her more through that understanding. The reader will be able to do the same with their own dog. This is not another dog training book. Instead, *Inside of a Dog* will allow dog owners to look at their pets' behaviour in a different, and revealing light, enabling them to understand their dogs and enjoy their relationship even more.

Otis Redding - Jonathan Gould 2017-05-16

The long-awaited, definitive biography of The King of Soul, timed to coincide with the 50th anniversary of

Redding's iconic performance at the 1967 Monterey Pop Festival. Otis Redding remains an immortal presence in the canon of American music on the strength of such classic hits as "(Sittin' on) The Dock of the Bay," "I've Been Loving You Too Long," "Try a Little Tenderness," and "Respect," a song he wrote and recorded before Aretha Franklin made it her own. As the architect of the distinctly southern, gospel-inflected style of rhythm & blues associated with Stax Records in Memphis, Redding made music that has long served as the gold standard of 1960s soul. Yet an aura of myth and mystery has always surrounded his life, which was tragically cut short at the height of his career by a plane crash in December 1967. In *Otis Redding: An Unfinished Life*, Jonathan Gould finally does justice to Redding's incomparable musical artistry, drawing on exhaustive research, the cooperation of the Redding family, and previously unavailable sources of information to present the first comprehensive portrait of the singer's background, his upbringing, and his professional career. In chronicling the story of Redding's life and music, Gould also presents a social history of the time and place from which they emerged. His book never lets us forget that the boundaries between black and white in popular music were becoming porous during the years when racial tensions were reaching a height throughout the United States. His indelible portrait of Redding and the mass acceptance of soul music in the 1960s is both a revealing look at a brilliant artist and a provocative exploration of the tangled history of race and music in America that resonates strongly with the present day.

Penguin Readers Level 4: The Kissing Booth (ELT Graded Reader) - Beth Reekles 2020-07-30

Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. *The Kissing Booth*, a Level 4 Reader, is A2+ in the CEFR framework. The text is made up of sentences with up to three clauses, introducing more complex uses of present perfect simple, passives, phrasal verbs and simple relative clauses. It is well supported by illustrations, which appear regularly. Elle has one more year of high school left, and she has never been kissed. When she decides to make a kissing booth for the school carnival, she kisses Noah, her best friend Lee's brother, and her life changes. But Noah is older than Elle, and Lee will not be happy. Will Elle listen to her head or her heart? Visit the Penguin Readers website Register to access online resources including tests, worksheets and answer keys. Exclusively with the print edition, readers can unlock a digital book and audio edition (not available with the eBook).

The Victorians - Jacob Rees-Mogg 2019-05-23

They built a nation. Now it's our turn. Many associate the Victorian era with austere social attitudes and filthy factories. But in this bold and provocative book, Jacob Rees-Mogg -- leading Tory MP and prominent Brexit advocate -- takes up the story of twelve landmark figures to paint a very different picture of the age: one of bright ambition, bold self-belief and determined industriousness. Whether through Peel's commitment to building free trade, Palmerston's deft diplomacy in international affairs, or Pugin's uplifting architectural feats, the Victorians transformed the nation and established Britain as a preeminent global force. Now 200 years since the birth of Queen Victoria, it is essential that we remember the spirit, drive and values of the Victorians who forged modern Britain, as we consider our future as a nation.

Karmasutra - Staju Jacob 2016-07-28

This is the second, equally-powerful, spiritual Kamasutra to come from an Indian author. Karmasutra combines karmic spiritual principles and applies it to sexuality and sexual mores, and habits in our world today. It considers issues such as marital infidelity and sexual dalliances from a non-judgemental perspective, whilst presenting these issues in a logical, easy-to-understand and rational way. Dealing with the most controversial sexual taboos in a straightforward, rational, and non-moralising way, this book will open the reader's eyes to several spiritual rules of the universe. Whilst the original Kamasutra was about sexual positions and techniques, Karmasutra is about karmic implications of present-day sexual dilemmas. Karmasutra explores cosmic principles and ideas in surprisingly lucid language with interesting metaphors. If you have ever felt guilty about having an affair, being unfaithful, or having a fling with a stranger, and always wanted to know the spiritual dimension of sexuality, this is the book for you.

Seeing Like a State - James C. Scott 2020-03-17

"One of the most profound and illuminating studies of this century to have been published in recent decades."—John Gray, New York Times Book Review Hailed as "a magisterial critique of top-down social planning" by the New York Times, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail—sometimes catastrophically—in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. "Beautifully written, this book calls into sharp relief the nature of the world we now inhabit."—New Yorker "A tour de force."—Charles Tilly, Columbia University

The Giver - Lois Lowry 2014

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Netflix Nostalgia - Kathryn Pallister 2019-04-15

Netflix Nostalgia examines Netflix as both a creator and a distributor of nostalgic content, with contributions from scholars from around the world. The chapters examine the role of nostalgia in Netflix's brand identity, ideological messages about nostalgia in Netflix content, and audience responses to nostalgia on the Netflix platform.

Hedwig and the Angry Inch - Stephen Trask 2003

Tells the story of transsexual rocker Hedwig Schmidt, an East German immigrant whose sex change operation has been botched and who finds herself living in a trailer park in Kansas.

The Alienist (TNT Tie-in Edition) - Caleb Carr 2017-11-21

NEW YORK TIMES BESTSELLER • NOW A TNT ORIGINAL SERIES • "A first-rate tale of crime and punishment that will keep readers guessing until the final pages."—Entertainment Weekly "Caleb Carr's rich period thriller takes us back to the moment in history when the modern idea of the serial killer became available to us."—The Detroit News When *The Alienist* was first published in 1994, it was a major phenomenon, spending six months on the New York Times bestseller list, receiving critical acclaim, and selling millions of copies. This modern classic continues to be a touchstone of historical suspense fiction for readers everywhere. The year is 1896. The city is New York. Newspaper reporter John Schuyler Moore is summoned by his friend Dr. Laszlo Kreizler—a psychologist, or "alienist"—to view the horribly mutilated body of an adolescent boy abandoned on the unfinished Williamsburg Bridge. From there the two embark on a revolutionary effort in criminology: creating a psychological profile of the perpetrator based on the

details of his crimes. Their dangerous quest takes them into the tortured past and twisted mind of a murderer who will kill again before their hunt is over. Fast-paced and riveting, infused with historical detail, *The Alienist* conjures up Gilded Age New York, with its tenements and mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. It is an age in which questioning society's belief that all killers are born, not made, could have unexpected and fatal consequences. Praise for *The Alienist* "[A] delicious premise . . . Its settings and characterizations are much more sophisticated than the run-of-the-mill thrillers that line the shelves in bookstores."—The Washington Post Book World "Mesmerizing."—Detroit Free Press "The method of the hunt and the disparate team of hunters lift the tale beyond the level of a good thriller—way beyond. . . . A remarkable combination of historical novel and psychological thriller."—The Buffalo News "Engrossing."—Newsweek "Gripping, atmospheric . . . intelligent and entertaining."—USA Today "A high-spirited, charged-up and unfailingly smart thriller."—Los Angeles Times "Keeps readers turning pages well past their bedtime."—San Francisco Chronicle

Jacob's Ladder: Eli - Katie Ashley 2018-03-15

One wouldn't expect a sexy-as-sin rocker like Eli Renard to spend time with a woman just as a friend, but that's exactly what Emersyn Wallace is to him. Just a friend. Even though she's matured into a beauty, Eli still doesn't remotely see his childhood pal as a sex-object. When tragedy brings her back into his world, Eli moves mountains to help Emersyn get back onto her feet by finding her a job as a backup singer for Jacob's Ladder. At first, Eli is thrilled that Emersyn is along on tour, and he sets out to do his best to help her forget her sorrow through a range of crazy friend dates. But after spending so much time with her in such close quarters, Eli finds his feelings beginning to shift. He no longer sees Emersyn as the once awkward young girl he played some of his first songs with. Soon it's not only his body that reacts to her, but it's also his heart. He's about to learn what a dangerous game it is to dry a widow's tears. After losing her husband and singing partner in a tragic accident, Emersyn Wallace spent the last eight months drowning in a sea of grief. With the bills piling up and her family and friends concerned about her emotional welfare, she reluctantly agrees to join the Jacob's Ladder's tour. While recapturing her lost love of singing and performing, she finds both comfort and healing in Eli's gregarious personality and outrageous sense of humor. But as the anniversary of her husband's death approaches, she finds herself in turmoil over her new amorous feelings for Eli. Can Eli and Emersyn find the perfect melody to transition from friends to lovers, or will their relationship end out of tune?

The Lost Soul - Olga Tokarczuk 2021-07-20

The only book in English for readers of all ages by Nobel Prize-winning novelist Olga Tokarczuk is a beautifully illustrated meditation on the fullness of life. "Olga Tokarczuk's *The Lost Soul*, an experimental fable illustrated by Joanna Concejo and translated by Antonia Lloyd-Jones, resonates with our current moment. . . . What a striking, and lovely, material object it is." —New York Times "The *Lost Soul*, by Olga Tokarczuk and illustrator Joanna Concejo, is a quiet meditation on happiness, following a busy man who loses his soul. . . It pours a childlike sense of wonder into a once-upon-a-time tale that is already resonating with adults around the world." —Guardian *The Lost Soul* is a deeply moving reflection on our capacity to live in peace with ourselves, to remain patient, attentive to the world. It is a story that beautifully weaves together the voice of the Nobel Prize-winning Polish novelist Olga Tokarczuk and the finely detailed pen-and-ink drawings of illustrator Joanna Concejo, who together create a parallel narrative universe full of secrets, evocative of another time. Here a man has forgotten what makes his heart feel full. He moves to a house away from all that is familiar to him to wait for his soul to return. "Once upon a time there was a man who worked very hard and very quickly, and who had left his soul far behind him long ago. In fact his life was all right without his soul—he slept, ate, worked, drove a car and even played tennis. But sometimes he felt as if the world around him were flat, as if he were moving across a smooth page in a math book that was covered in evenly spaced squares... " —from *The Lost Soul* *The Lost Soul* is a sublime album, a rare delicacy that will delight readers young and old. "You must find a place of your own, sit there quietly and wait for your soul." Winner of the Bologna Ragazzi Award, Special Mention 2018, Prix de l'Union Internationale pour les Livres de Jeunesse (IBBY), The White Raven (IJB Munich), and the Łódź Design Festival Award.

Entertainment-Education Behind the Scenes - Lauren B. Frank 2021

This Open Access book tracks the latest trends in the theory, research, and practice of entertainment-education, the field of communication that incorporates social change messaging into entertaining media. Sometimes called edutainment, social impact television, narrative persuasion, or cultural strategy, this approach to social and behavior change communication offers new opportunities including transmedia and digital formats. However, making media can be a chaotic process. The realities of working in the field and the rigid structures of scholarly evaluation often act as barriers to honest accounts of entertainment-education practice. In this collection of essays, experienced practitioners offer unique insight into how entertainment-education works and present a balanced view of its potential pitfalls. This book gives readers an opportunity to learn from the successes and mistakes of the experts, taking a behind-the-scenes look at the business of making entertainment-education media.

Controversial Issues in Social Policy - Howard Jacob Karger 2003

This volume is an edited collection of contemporary social policy debates argued between some of the foremost thinkers in the field of social work as well as prominent authors in other fields. The 18 debate topics included were selected to cover a wide range of professional interests in the field of social policy and are divided into three parts. The book stresses the importance of critical and independent thought in the educational process. Designed for anyone interested in social welfare policy, public policy and

contemporary issues at both the undergraduate and graduate levels, the book features contemporary, up-to-the-minute debates by some of the top thinkers and policy analysts both inside and outside social work; and jargon-free debates that make the text easily accessible and interesting for students.

Yellow Wife - Sadeqa Johnson 2021-01-12

A Best Book of the Year by NPR and Christian Science Monitor Called “wholly engrossing” by New York Times bestselling author Kathleen Grissom, this “fully immersive” (Lisa Wingate, #1 bestselling author of *Before We Were Yours*) story follows an enslaved woman forced to barter love and freedom while living in the most infamous slave jail in Virginia. Born on a plantation in Charles City, Virginia, Pheby Delores Brown has lived a relatively sheltered life. Shielded by her mother’s position as the estate’s medicine woman and cherished by the Master’s sister, she is set apart from the others on the plantation, belonging to neither world. She’d been promised freedom on her eighteenth birthday, but instead of the idyllic life she imagined with her true love, Essex Henry, Pheby is forced to leave the only home she has ever known. She unexpectedly finds herself thrust into the bowels of slavery at the infamous Devil’s Half Acre, a jail in Richmond, Virginia, where the enslaved are broken, tortured, and sold every day. There, Pheby is exposed not just to her Jailer’s cruelty but also to his contradictions. To survive, Pheby will have to outwit him, and she soon faces the ultimate sacrifice.
